

# True Faces Of The People Of The Scriptures

## ARE ISHMAELITES ISRAELITES?

Yes, Ishmaelites are Israelites. What do I mean by that? Well, let's go back to Levi and his tribe the Levites. Levi was the 3rd son of Jacob son of Isaac (*Genesis 29:34*); who became the Kohen or Cohen (priests) (*Numbers 3:5-9*). The Levites were appointed this position as Kohen (priests) by Yahuwa (*Numbers 1:50, 8:5-26*). As the Kohen priesthood began to increase, there were two Kohen priesthoods: the Levite priests who kept the laws sent by Yahuwa pure, and the priests of Aaron (*Exodus 32:21-25*) who were influenced by the Egyptians and added to the laws. There is another group of Kohen who despise Yahuwa and are mentioned in *Malachi 1:6*. Today, the state of Israel plans to set up this order of Kohen priests, who despise the Most High. These priests are emulating the Order of Zodoq (the Order of Melchizedek). The order consists of the Ashkenazim Jebusites who are the Polish Russians and the Sepharadim who are the Spaniards. Both groups are from Europe and converted to the Religion of Abraham. The real Ashkenazims (*Genesis 10:3*) are of the seed of Noah son of Lamech of the Nubian seed, meaning all brown people. In the year 740 A.D., descendants of Canaan, the Khazars, Shamanish Devil worshippers of the Caucasus Mountains, converted to our Hebrew religionish ways to survive and later claimed it as theirs using the sect name Ashkenazim. Then there is the name Sephardim from the Book of *Obadiah 1:20*. Sephardic, is Sephardim; they translate this as Spain, yet they mean the Spaniards. They are blonde-haired, blue-eyed Abino's of Europe who again converted to our Hebrew religion by way of the Nubian seed of Judah in Morocco. Later they claimed it as theirs, and today their sect is called Sephardim. Both of these groups are using our names from the Scriptures, but won't tell us the truth. These are the same Jebusites who Yashua (Jesus) made mention of in *Revelation 2:9* when he says, "I know the blasphemy of those who say they are Jews and are not, they are the Synagogues of Satan." These false Kohen pretend that they worship El Eloh in order to attract followers. It is these very same priests who are recognized as descendants of Levi and therefore as Israelites, but are not in anyway. However, Ishmaelites are Israelites, but not considered to be because they both come from the seed of Abraham.

Let's go back to the other son of Jacob named Joseph. He was sold into Egypt (*Genesis 37:27-28*), became the Pharaoh's assistant, and married an Egyptian woman, the daughter of Pharaoh, named Asenath. However, Christian, Jewish and Muhammadan scholars accept his wife and her two sons, the Manassehites and Ephraimites as Israelites. But it just doesn't make sense that Joseph's Egyptian wife and her two sons were accepted as Israelites, but Hagar who was Egyptian and her son Ishmael, were not accepted as Israelites. The sons of Joseph were accepted as Israelites because Jacob gave them his blessings (*Genesis 48:20*), and therefore fell under the *Covenant of Promise* which the Israelites inherited by way of Isaac son of Abraham and Sarah (*Genesis 17:19-21*).

If these scholars did further research they would find, that the Egyptians were descendants of Noah son of Lamech and Kamilah, who also had a covenant which came before the covenants given to Abraham (*Genesis 17:10*). And by Noah having a covenant before the covenant, the Egyptians also received that covenant, and in turn, inherited the Israelite's covenant. Therefore, Egyptians are Israelites. The word "covenant" means "an agreement or promise". And there were two types of covenants: 'Ahd (عهد), the promise between Yahuwa and His chosen people if they fulfill His commandments and not break the covenant and "Miythaaq" (ميثاق) the fulfillment of the promise. The covenant with Noah was the first covenant given to man in which Yahuwa would no longer destroy the planet Earth by water. A token of this covenant was the rainbow. Jacob's name was changed to Israel when he wrestled with an Angelic man (Esh איש "male living being") when running from his brother Esau in the land called Peniel which is a symbolic of the story of Yaaquub son of Yiskhawk and Lusias. (Refer to the Holy Tablets, *Genesis, the Torah part 3, Scroll #54*)

Genesis 32:28

"AND HE THE ELOHEEM SAID, "YOUR NAME WILL BE UTTERED NO MORE AS JACOB, BUT AS ISRAEL "ASCEND TO EL": BECAUSE AS A STRUGGLER WITH THE ELOHEEM AND WITH ENOSITE, AND HAS PREVAILED."

Translated By: Dr. Malachi Z. York

Israel, of course, was not his original name. Therefore, his tribe really should have been called Jacobites, instead of Israelites. And if Manasseh and Ephraim, both sons of Joseph by his Egyptian wife, received blessings from Jacob and became classified as Israelites instead of Jacobites; then, this would mean Joseph and Jacob both fall under Israelites. And if both Joseph and Jacob fall under Abraham's covenant, then they can be considered Abraham-ites as well. By the same token, the Isaac-ites would be Jacob-ites and Esau-ites called Edomites because they were Isaac's sons. And Isaac-ites and Ishmael-ites would be Abraham-ites. They're all the same people.

To go back further, Abraham was a descendant of Noah which would make Abraham a Noah-ite; and Noah whose descendants were Egyptians, which would make Egyptians, Noah-ites. And you can keep taking this all the way back to Adam - Adam-ites. Because if your father's name is Israel then you're an Israel-ite. And if your father is Lamech you're a Lamech-ite. Every father's children are -ITES to his name. If these Christian and Jewish and Muhammadan scholars can accept Manasseh and Ephraim as Israel-ites although their mother was an Egyptian, which makes her a Noah-ite and falls under the covenant also, then they should be able to accept Hagar (*Genesis 16:3*), the 2nd wife of Abraham, who was also a Mitsrayim-ite (Egyptian) (*Gensis 16:1*) which makes her a Noah-ite, and yielded a son from Abraham and that son had 12 sons called Ishmael-ites making them Mitsrayim-ites, Abraham-ites, Noah-ites and of course Israel-ites (*Genesis 25:12-16*). So Hagar and her son Ishmael were Abraham-ites; just like Isaac. And Isaac-ites and Ishmael-ites were Abraham-ites before they were Isaac-ites or Ishmael-ites (*Qur'aan 2:132-133*). Kedar was a son of Ishmael, which makes the Kedar-ites, Ishmael-ites. And if Jaqob was Isaac's son, then Jacob was an Isaac-ite and if Jacob's name was changed to Israel, thus he becomes an Israel-ite; and Isaac-ites become Israel-ites. And by right if Manasseh and Ephraim became Israel-ites, then by right Hagar and Ishmael and the Joseph-ites are all part of the people of the book mentioned in *Qur'aan 3:64*.

Now to take it a step further, in the *Qur'aan 50:1*, Muhammad made an Israa (اسراء) to the ELOHEEM. The word "ELOHEEM" is just the plural form of the name "EL"; because the first tone you hear in ELOHEEM is EL. ELOHEEM is referring to EL and His Heavenly Host of Angelic Beings. If you go back to the Aramic (Hebrew) language that they admit was before the Syriac (Arabic) you'll find in the Torah; the name EL. There in the heavens, Muhammad received the covenant for prayer. This was the fifth covenant given to man by El Eloh. Muhammad was to rekindle daily worship and prostration for each prayer. Because he made the "*Israa*" to EL, Muhammad's name should also have been changed to Israel, Israa + EL = Israel. By his name being changed to Israel, Muhammad and his descendants by right, were Israelites. If the Muhammadites don't except the fact that Muhammad was an Israelite then they're dead, they're a bastard tribe because they have no ancestry; which also means they don't accept Muhammad's covenant. So Muhammad-ites are Israel-ites and the Tribe of Quraysh fall under the Israel-ites also. This is how people got confused; they mixed the name of the tribe with the religion of the tribe. They associate everyone who lives in Israel as a Jew, and this is not true. Everyone who lives in Israel is not a Jew; just like everyone who lives in Egypt which is an Islaamic country, is not a Muslim. America is a Christian country, but everyone who lives in America are not Christians.

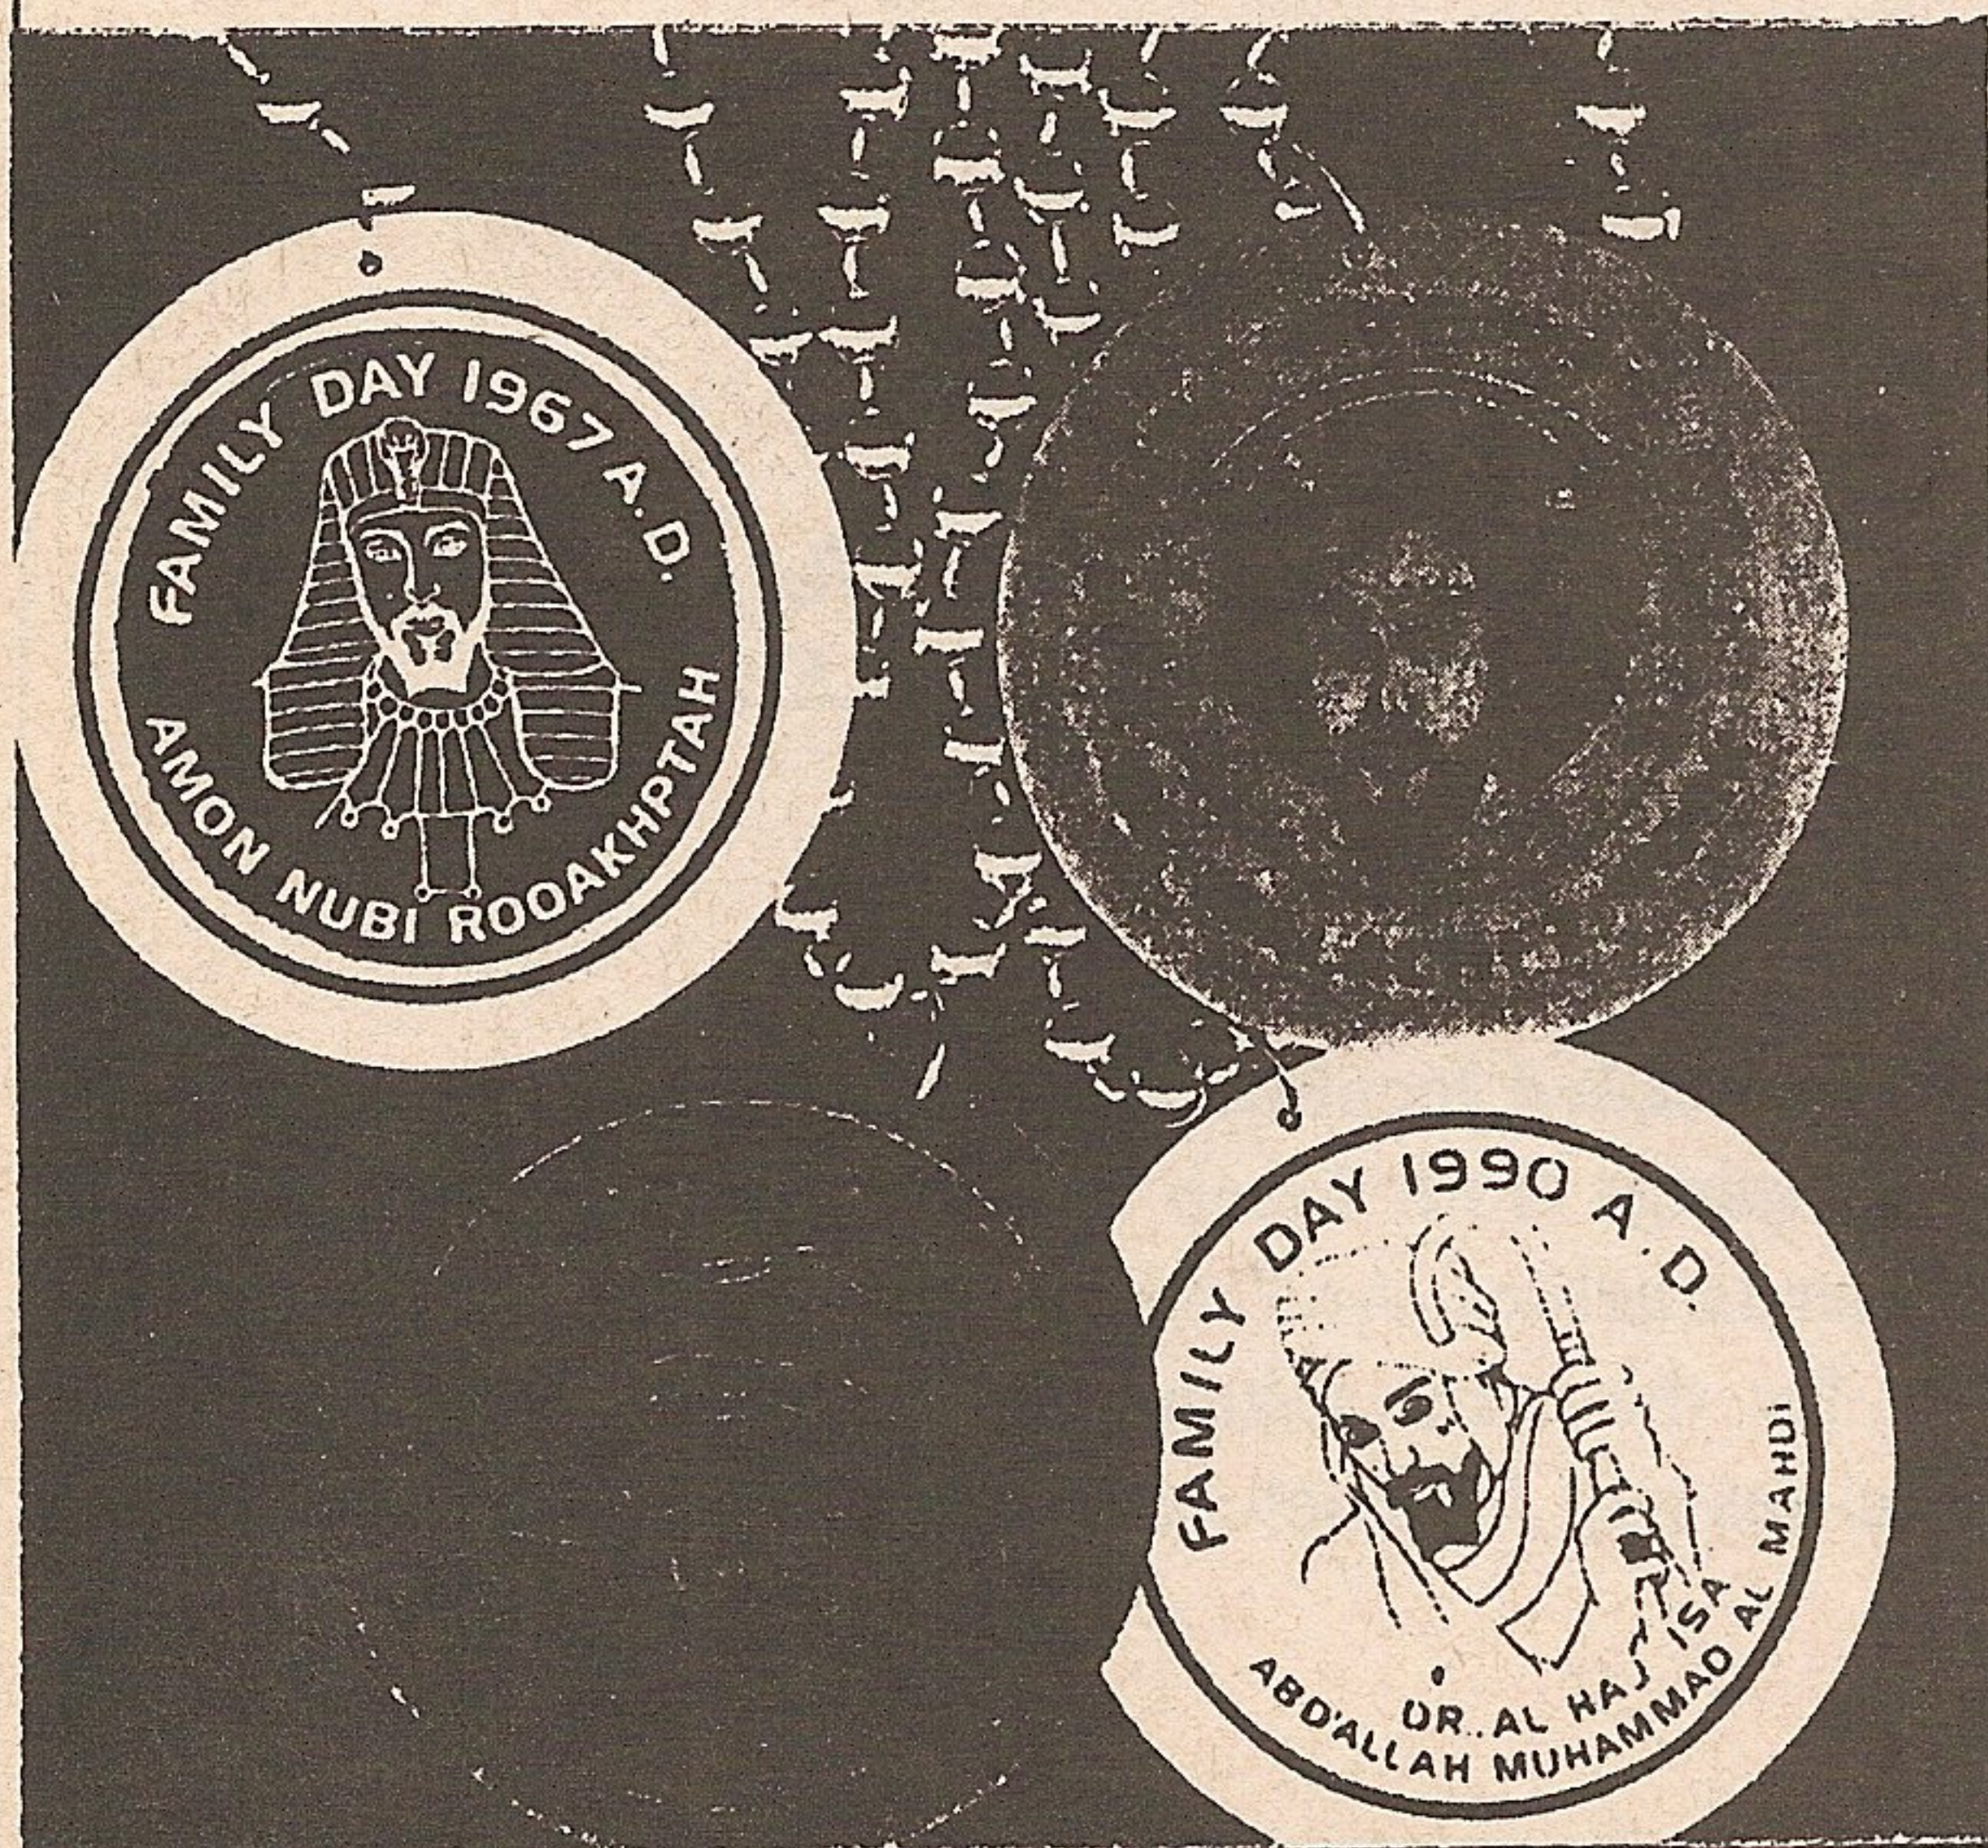

So the Muhammadites are Israel-ites and the Quraysh Tribe fall under the Israel-ites too. They all live under the covenant and in the Qur'aan they're all people of the book (Ahli Al Kitaab) [*Qur'aan 3:64*]. The people of the book or the family of the Scripture is referring to the people to whom the Scriptures before the Qur'aan came, and those who descended from the family of it as Muhammad did. These Scriptures were the Torah, Revelation and Psalms. Proof of it, is that you find Muhammad in the Torah (*Exodus 20:17, 34:24*) and he was an Ishmaelite, which means Ishmaelites are Israelites and are all Ahli Al Kitaab (people of the book), of which Muhammad was also. So as descendants of Noah, Abraham, Isaac, Ishmael and Israel we are all the *People of Promise* as mentioned in Revelation chapters 7 and 14.

## Kingly Crown To Kinky Hair

The original people of this planet Earth had a kingly crown that was taken, and we are taking it back. By crown I mean, Nubians are the only race on the planet Earth given a woolly crown, our hair. Nubians are the 9 ether people of the original people who are called Ether (Ether-Utopia), Ethiopian, Kushites the original Asiatic Watusi (Adam's [Zakar] tribe) and Pygmy (Eve's [Nekaybaw] tribe). By 9 Ether we mean that Nubians have hair that curl into numbers of 9 or  $9^9$ , nine to the ninth power of nine infinite as shown below.

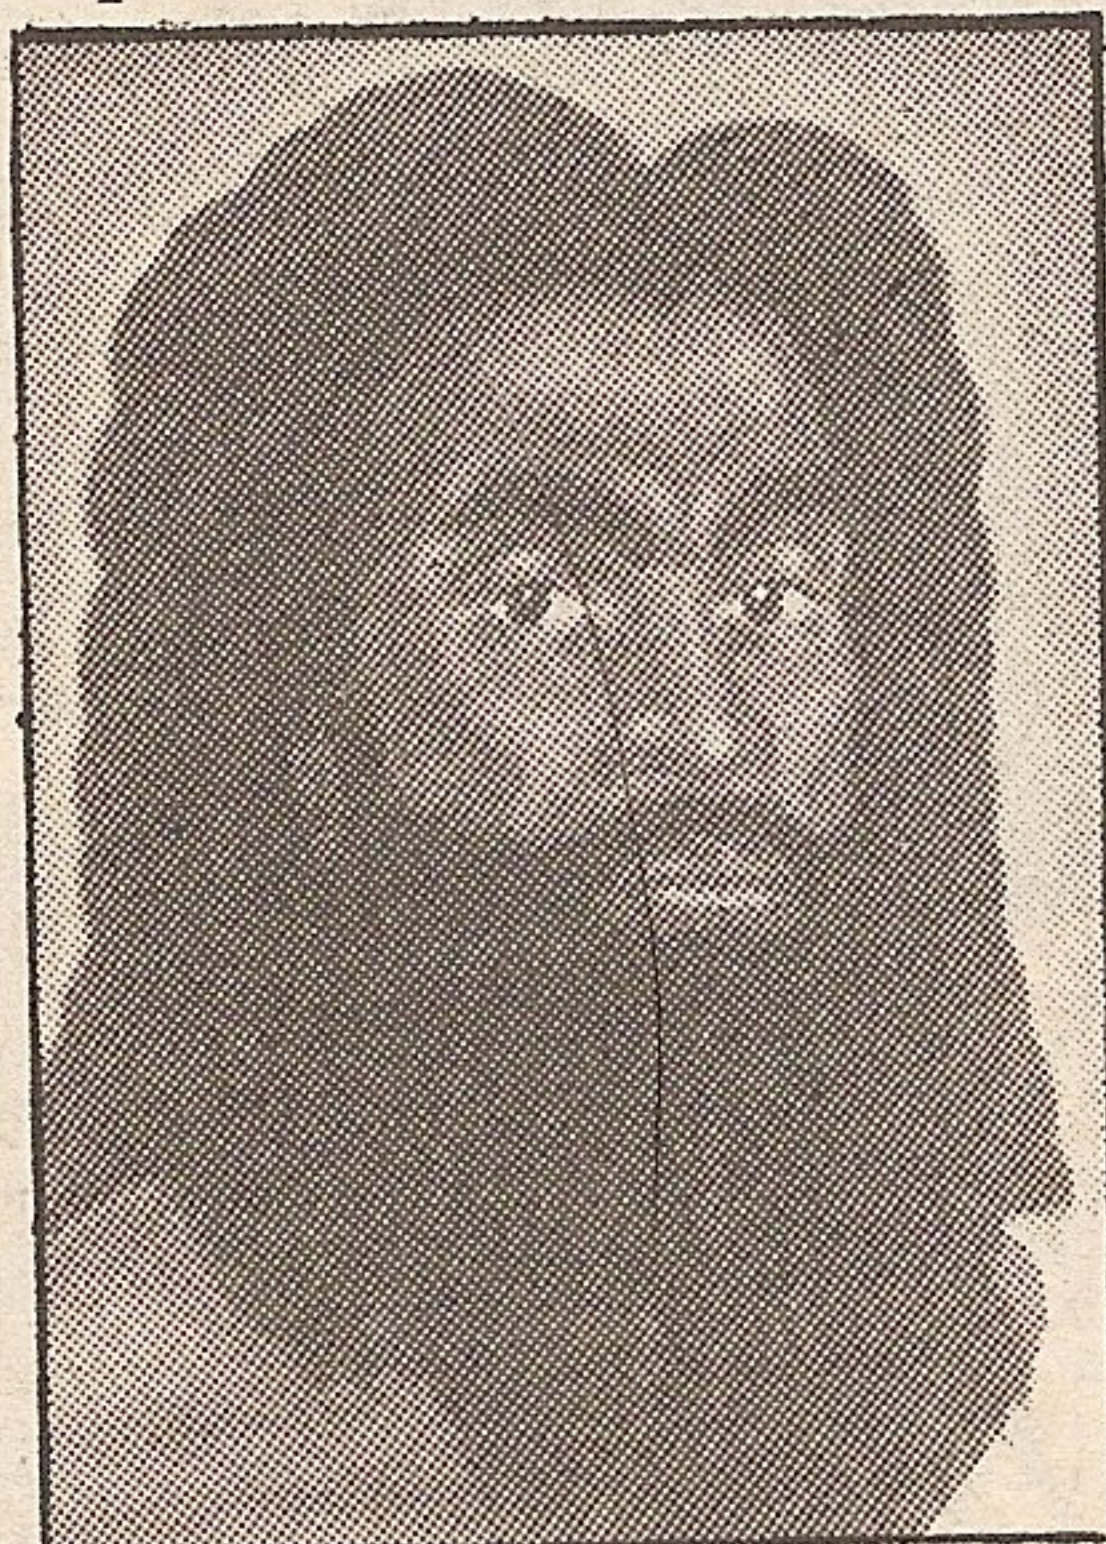

9 ETHER

9 IS THE HIGHEST OF NUMBERS

These are some of the negative descriptive words that are used to describe Nubian hair: kinky, nappy, coarse, brittle, dry, naps, knotty, and wiry. All this is done by Nakhash, (the Whisperer), to make us hate our crown (hair).

One of the ways Nubians lost touch with nature was by processing their crown. Beauty was and still is associated with straight hair in this society. Then they introduced processing of the crown. They gave us straightening combs and then invented chemicals for us, perms with a lye base, jheri curls, marcells. Now they tell us they have come up with a perm without lye and that's just what it is, a "lie."

SHIMSHOWN (SAMSON)

Leave this no lye base perm on your hair and see if it burns your scalp. This is how your healthy crown was destroyed. Your natural hair serves as a receiver of energy that flows throughout the Universe, as it did for Samson, (Judges 16:17). It is our strength.

Judges 16:17

"THAT HE SAMSON MADE IT KNOWN TO DELILAH ALL OF HIS HEART AND SAID TO HER, THERE HAS NOT ASCENDED A RAZOR UPON MY HEAD FOR I AM A NAZARITE TO ELOHEEM FROM MY MOTHERS STOMACH, IF I AM SHAVEN, THEN MY POWERS WILL DEPART FROM ME, AND I WILL WEAKEN AND BECOME LIKE ALL OTHER ADAMITES "EARTHLINGS".

Translated By: Dr. Malachi Z. York

Hair is a sensory organ. Example: Man's eyelashes consisting of sensory organ which causes reflexes in the shutting of the eyelids when a speck of dust hits it. That's why hair is "sha'ar" شعر, which comes from the same root word in Ashuric/Syriac (Arabic) to feel, "sha'ara" شعر. In Aramic (Hebrew), you find the same two words hair, "Sa'ar" שער, comes from the root word "Sa'ara" שער, which also means to feel. The same word for our strength is in our hair.

Your hair is alive. It feels. When you feel pain, you curl your fist up, when a baby is born he or she is in the fetal, curled position. Your hair is curled or twisted because it is alive very much so and when you press, perm or put chemicals in it, it begins to die, you kill it. The fact is, to straighten the hair by any method damages and kills the hair because you are changing its natural state. Straight hair is an abnormality.

Secondly, hairs function is that of insulation against cold. If you look into the names of the processes that we do to our hair you will see "Jheri" which was a term used during World War II. The Japanese people were known as "Jheri's".

Buddha's hair was nappy (curly). Nappy is shaggy, fuzzy, which is only considered the thickness of your crown. Healthy hair has nothing to do with being straight or stringy, it has to do with the protein in the follicles. Yes, your hair is all the adjectives that are mentioned and it is full of life.

BUDDHA

When Nubians go out in the sun our hair draws up and gets kinky (kingly). This is how you get charged with energy from the outer sun called the solar. For Nubians have an inner sun called our solar plexus. This mass of hair is your crown.

HANNIBAL

# HANNIBAL

Over the years, Hannibal has always been given praise as a great black man. The devil even makes him look good by putting the history of Hannibal in school history books.

The problem with history (his-story) in a non-secular country like ours, is that a persons religion is of no importance. They don't care whether a person was a devil worshipper or not. But it's important that we care.

For example, you are taught to consult Webster's dictionary for the definition of words and not care what Websters religion was. They try to make you think that his religious preference doesn't prejudice his opinion, and that is not true.

The truth of the matter is, Hannibal was not somebody we'd like our children to respect. Yes, he was a brown-skinned man, but he was an idol worshipper. He was a worshipper of the deity Baal, and his name even proves it.

"Hanna" (حنة) in Ashuric/Syriac (Arabic) means *"sympathy, pity, favorable aspect, advantage."* In Aramic (Hebrew) "Khannah" (חנה) means *"defense, favored, compassion, mercy."* Khannah stems from the prime root "khanan" meaning: *"properly to bend or stoop in kindness to an inferior; to favor, bestow."*

"Ba'al" (בעל) in Ashuric/Syriac (Arabic) means *"the god, baal, thriving on natural water supply."* A Phoenician deity; *"lord; master; possessor; owner; guardian; husband; Jupiter; the sun..."* Ba'al, was the idol or deity of the Phoenicians and Canaanite nations.

Hannibal was born in Carthage. He was known as the greatest general and statesman of Carthage. Carthage was an ancient north African city in the area now known as Tunis or Tunisia which is the next door neighbor to Libya. The Phoenician name for Carthage is Kart-hadasht. It means New Capital or New City. Carthage grew quickly because of its location on a peninsula (body of land almost entirely surrounded by water) and its two excellent harbors. One harbor, inside the city walls, was large enough to shelter hundreds of military vessels. The city was well protected. A wall of about 40 feet high and 30 feet wide stretched across the peninsula. Another wall enclosed the Byrsa, an inner fortress.

Carthage was probably the first city-state to control an empire. A city-state is a sovereign (ruler and queen) state consisting of an independent city and its surrounding territory. Much of western north Africa, southern Spain, Sardinia, Corsica, and the western half of Sicily came under Carthage's rule. The Carthaginians were more interested in trade than in conquest, but they used military power when they felt it was necessary. Carthage had also become a strong sea power.

As a young man, Hannibal led troops against Spanish tribesmen, and helped increase Carthaginian power in Spain. He became the Carthaginian commander in Spain when he was just 25 years old. Hannibal's excellent military strategy and leadership ability helped him overcome great handicaps and defeat armies much larger than his own. His father, Hamilcar Barca, was also a military leader. Hannibal's father hated the Romans. He made young Hannibal take an oath to always to be an enemy of Rome. The series of wars that Carthage fought with Rome were called the Punic wars. There were 3 Punic wars. The word "punic" is derived from the Latin word for "Phoenician."

In the first Punic war (264-241 B.C.), Rome went to war with Carthage because it considered Carthage a threat to its allies in southern Italy and to the supply of grain from the island of Sicily. Rome won this war and gained Sicily as its first province.

The 2nd Punic war (218-201 B.C.) was when Hannibal came into play. In the 220's B.C., trouble developed between Carthage and Rome over Hannibal's expansion. In 218 B.C., Hannibal decided to strike at Rome by invading Italy from the north, a daring maneuver. Starting from Spain with about 60,000 troops, he crossed the Pyrenees, France, and the Alps, and entered Roman Italy. Snow and cold and fierce mountain tribesmen killed many Carthaginians in the Alps. Hannibal reached the Po Valley in northern Italy with only about 26,000 men and 6,000 horses. *continue on page 7*

## Hannibal *continued from page 7*

He also brought a few elephants because they could sometimes shatter enemy lines, like tanks in modern battle. Hannibal then recruited between 10,000 and 16,000 Gauls into his army. The Gauls, tribesmen from the Po Valley, were also enemies of Rome. This battle was called the Battle of the Alps. It was during this war that Hannibal encountered the Roman general named Scirpio Africanus.

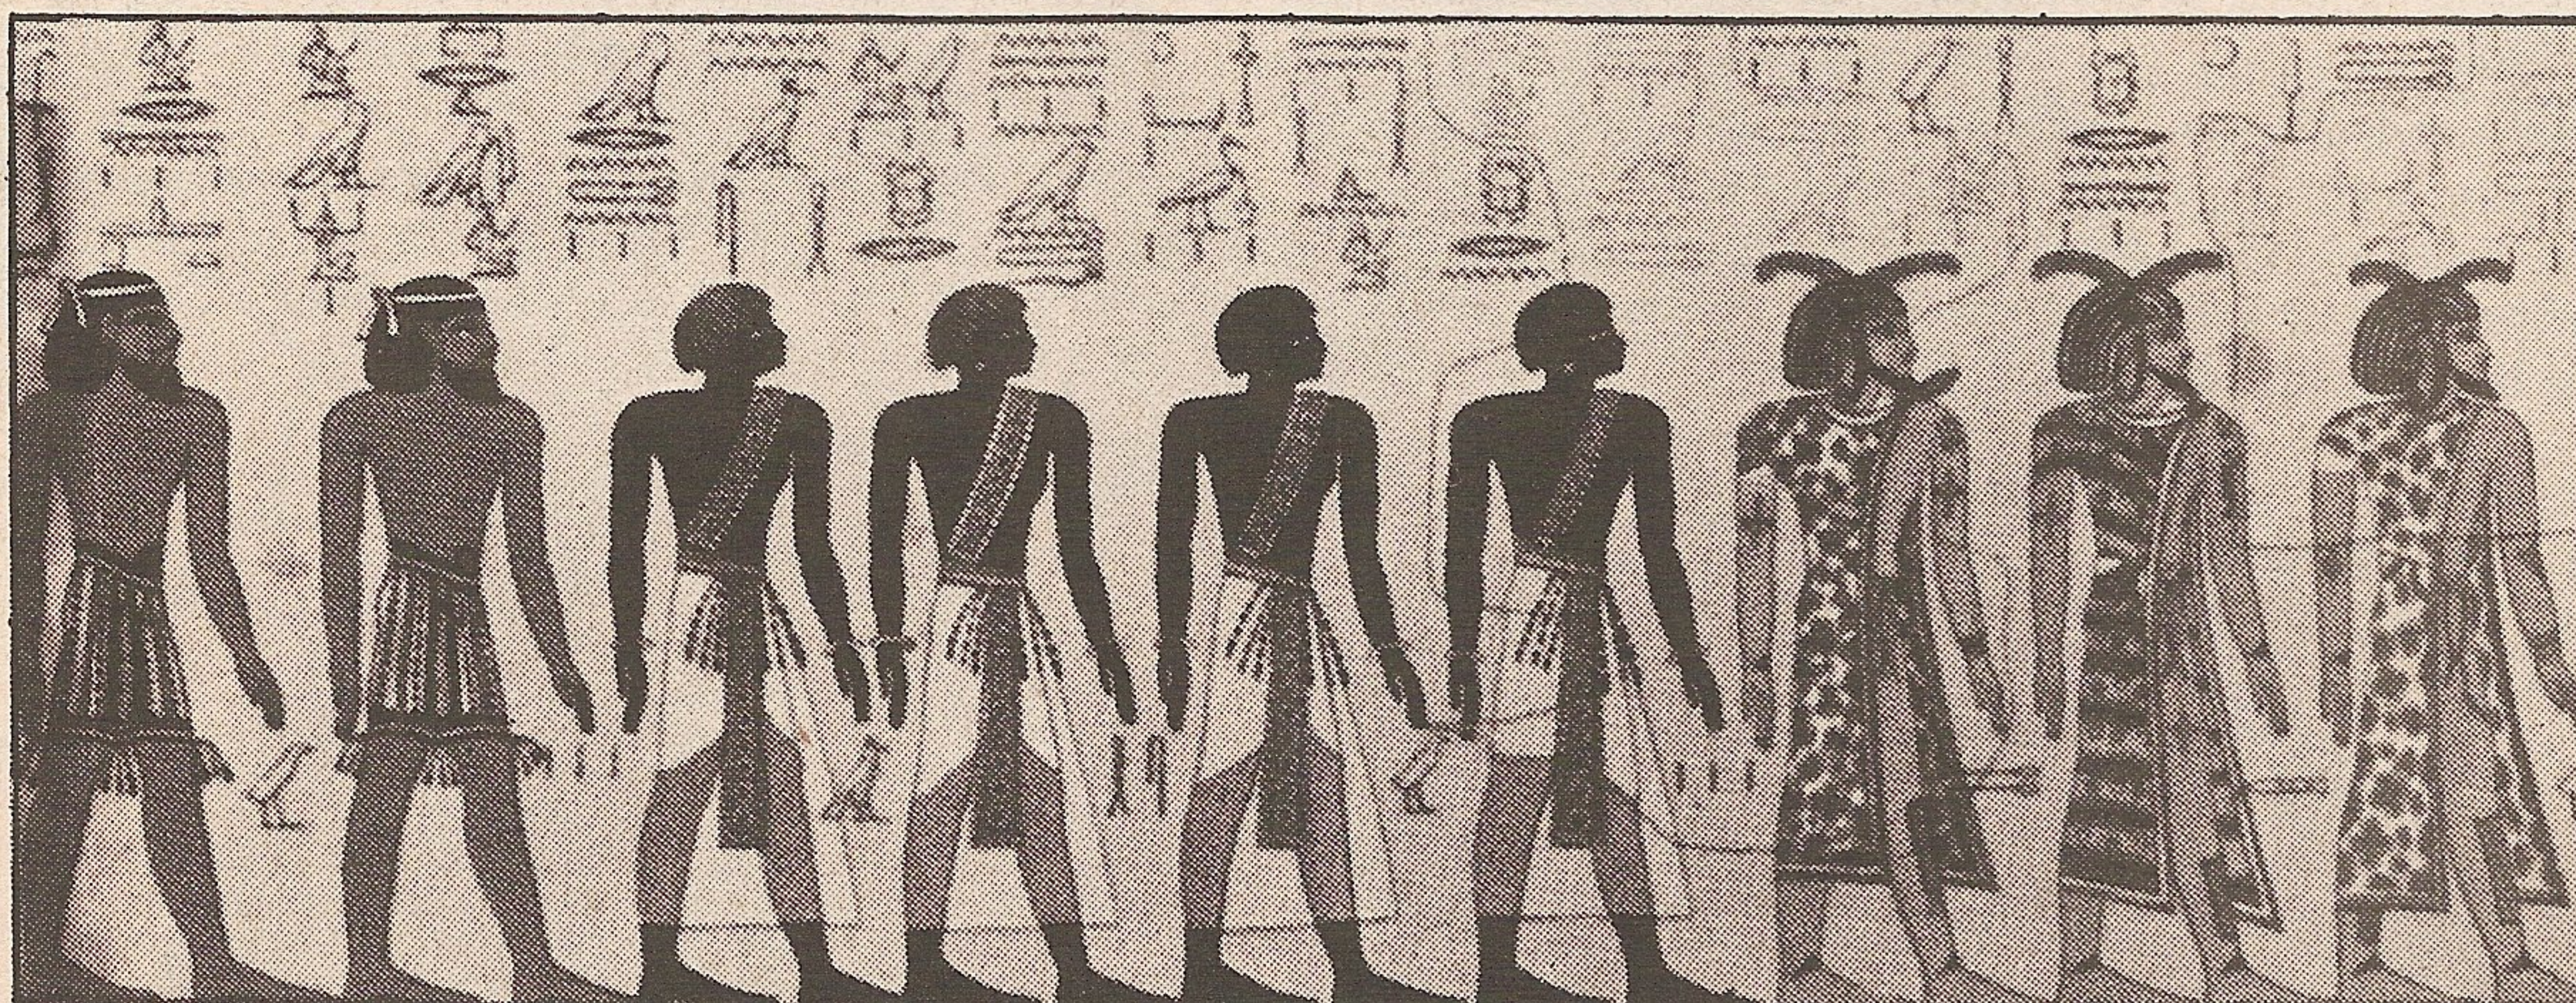

HANNIBAL'S ROUTE

**Just a note:** It was from the names of Scirpio Africanus and an explorer named Leo Africanus that the name Africa was derived from. Scirpio attacked the Carthaginians in Spain, preventing help from being sent to Hannibal. In 205 B.C., the Romans also invaded North Africa. To protect his homeland, Hannibal returned to Carthage. He was defeated by Scirpio in the Battle of Zama in 202 B.C. This was Hannibal's first defeat, and it ended the war.

After the war, Rome allowed Carthage to govern itself. Hannibal headed the government, and Carthage made a rapid recovery under his leadership. But he fled eastward in 195 B.C., after he heard that the Romans were going to demand his surrender. Hannibal then fled to Bithynia, an ancient country in what is now Turkey. When the Romans did demand his surrender, Hannibal committed suicide by poisoning himself. In the 3rd Punic War (149-146 B.C.) Rome defeated Carthage. The Romans burned Carthage to the ground and sold its survivors into slavery. It became a Roman province.

So as you can see, Hannibal not only fought against his own people, because the Romans were Nubians at this time, but he lost the battle too! So really he's not a symbol of power and strength, he's a symbol of failure and pagan worship. That is the very reason why the devil tries to make him look good.

Hannibal comes from the descendancy of Phut (*Genesis 10:6*) who is Misrayim's brother. Another word for Mitsrayim is Egypt or Egyptos which means "ones with burnt faces." I just want to take this time to let you know, that this title (burnt faces) was not referring to the natural Sudanese or Aswan inhabitants of that time who were brown-skinned Nubians. It was talking about the people of the Hyksos dynasty who were light-skinned Nubians.

*LIKE PURE WOOL, HIS CHAIR WAS LIT UP LIKE FIRE,  
AND HIS WHEELS WERE LIKE BURNING FIRE."*

Translated By: **Dr. Malachi Z. York**

To show you how other people imitate us, the Russians make fur hats (Persian wool - called Persian Lamb) that resemble our crown. Also, royalty wore crowns made of red velvet. The middle part of the crown; the puffy part, is representative of the Nubian's crown underneath a cap. If you look at the animal kingdom you'll see that only sheep have hair like ours. That is the only animal on the whole entire planet Earth that has woolly hair; kingly, kinky and it is a docile creature. Sheep are symbolically used throughout the Scriptures and that is why we use the lamb (baby sheep). The lamb represents Nubians. Khaaruwf خاروف is the word for lamb in Ashuric/Syriac (Arabic) and it means fair.

### Revelation 1:14

*AND THE HAIR OF HIS HEAD WAS WHITE LIKE WOOL, AND IT WAS LIKE THE COLOUR OF SNOW;  
AND HIS EYES WERE AS INFLAMED LIKE FIRE;*

Translated By: **Dr. Malachi Z. York**

You don't look like the humans you once were. Hair covers the sensitive parts such as the head, the faces of men, the armpits, the chest of men, and the genitals. These are where the major glands are located. People of Africa are known only to have hair that covers the head because they are under the sun constantly and don't need it. Hair covers the sensitive spots as I mentioned before; places like your head and pelvic area.

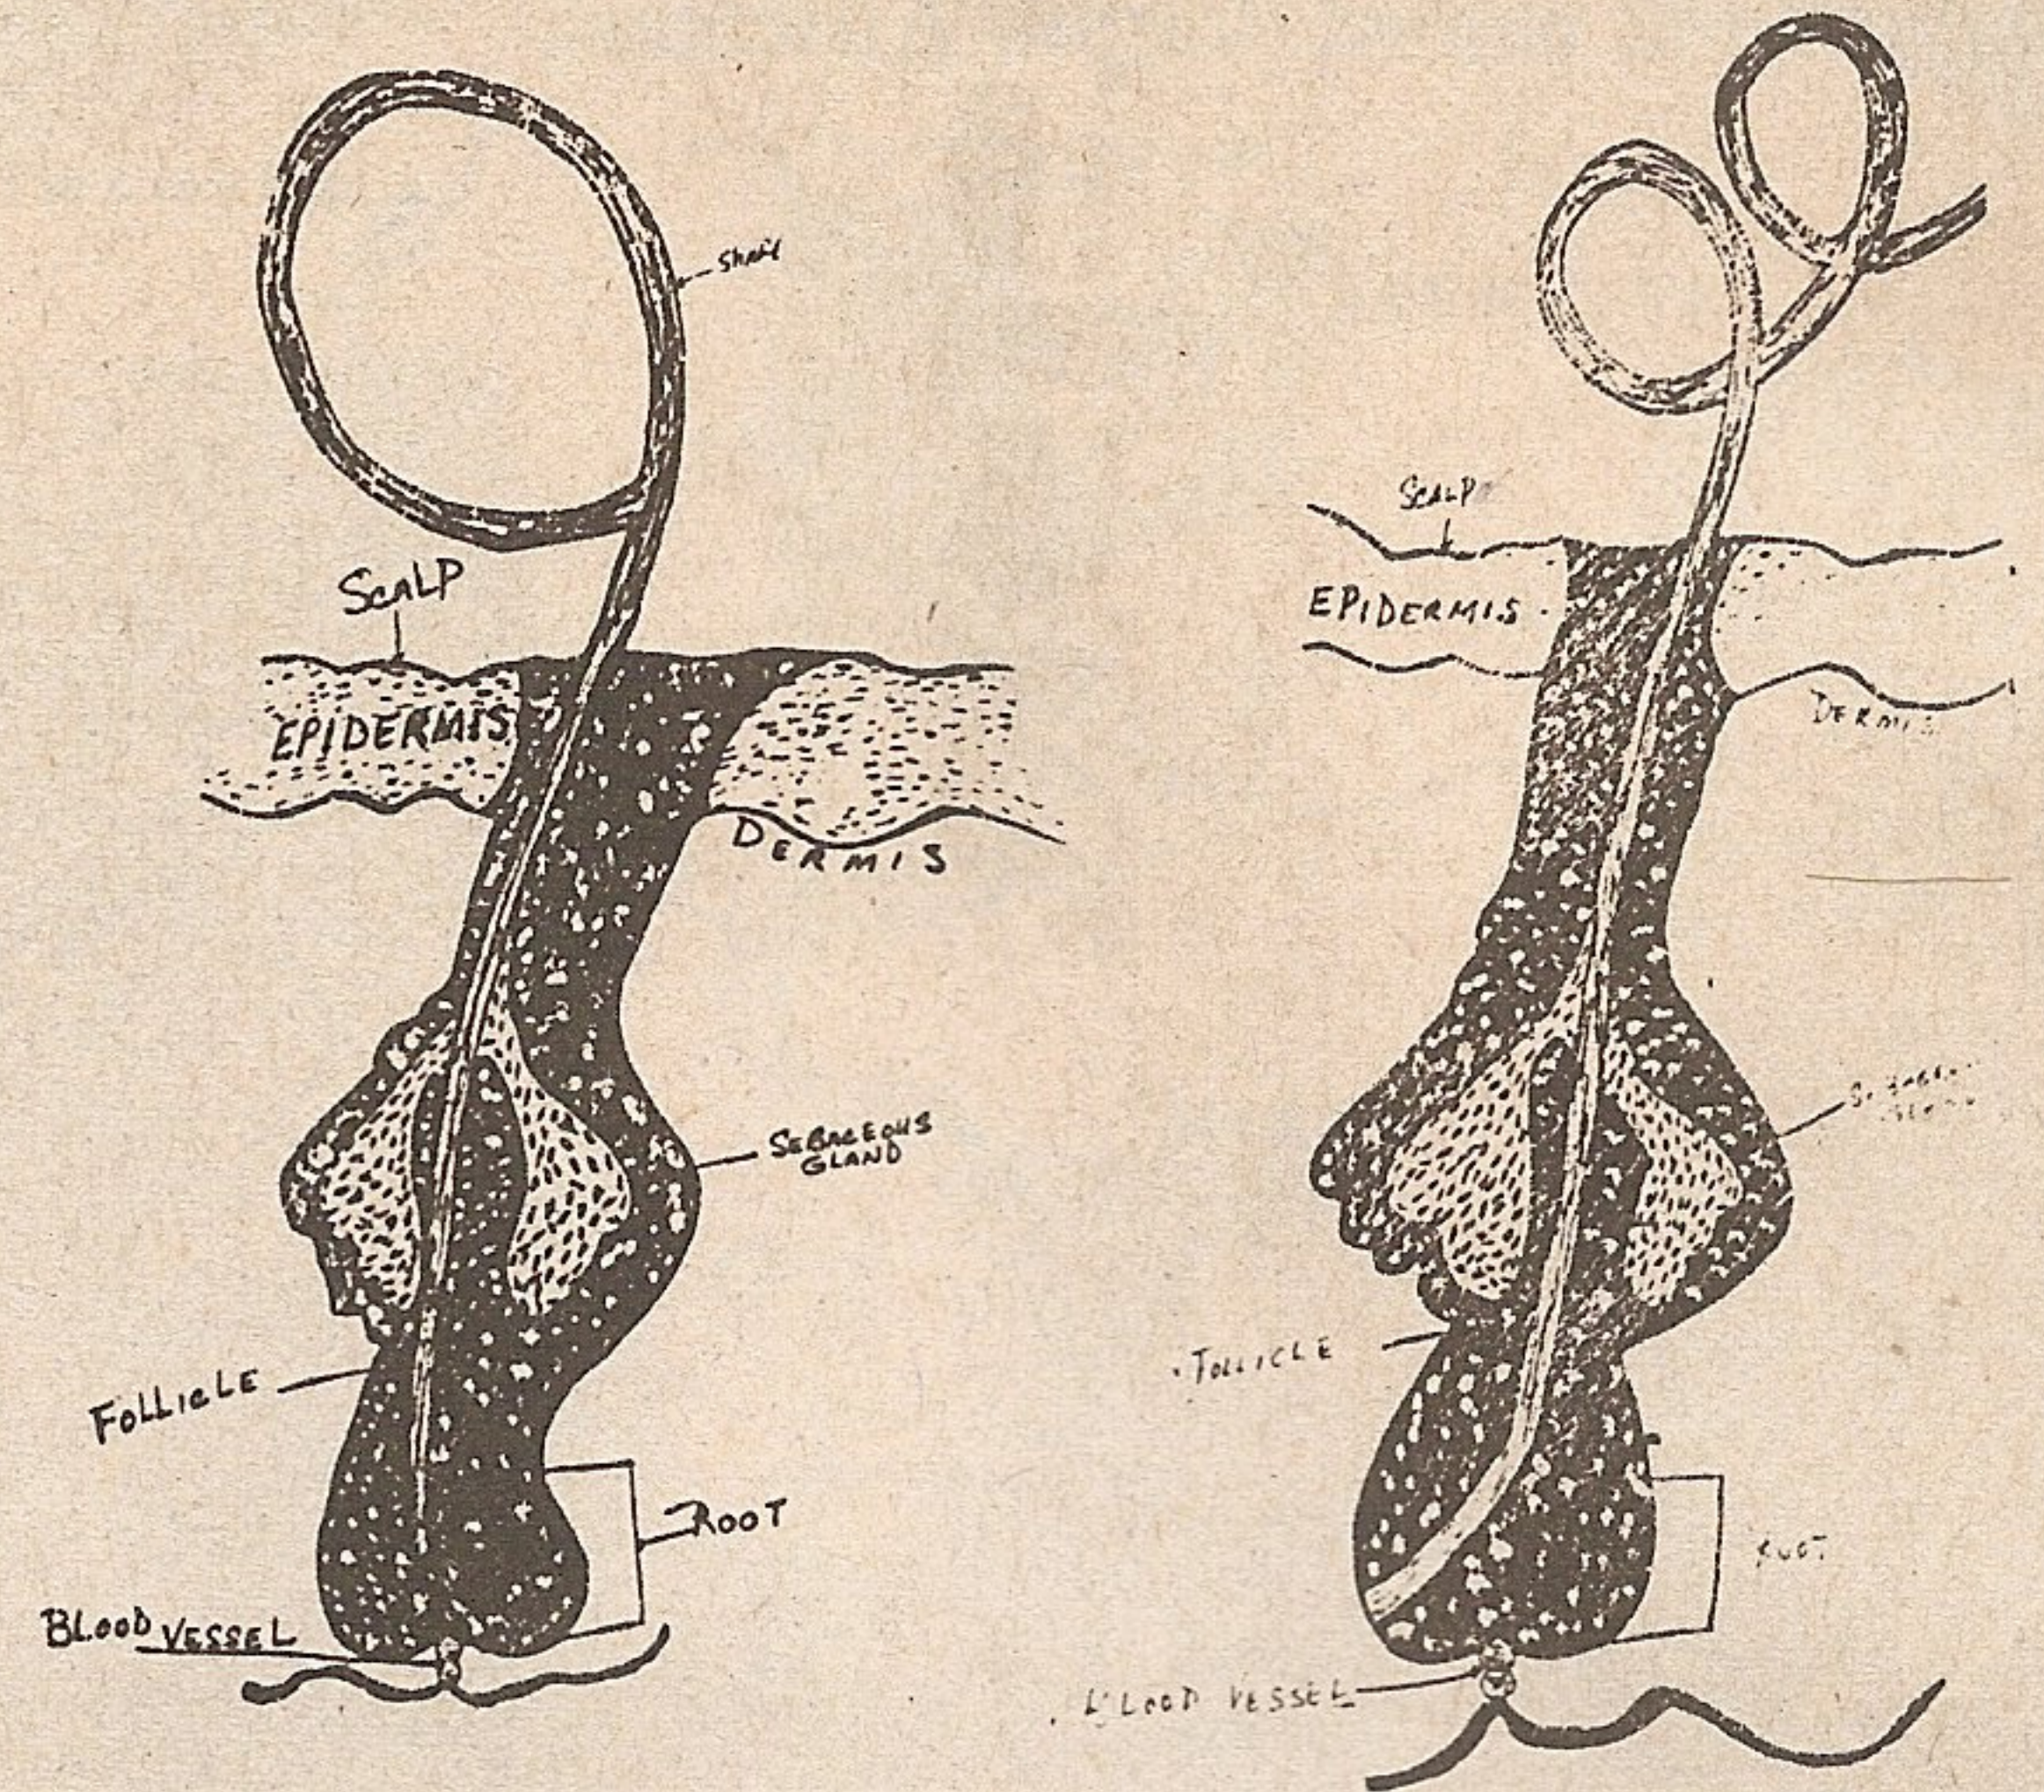

If you have ever looked closely at a newborn baby, you probably noticed its soft straight hair. This hair is called "lanugo," from the Latin word meaning "down or woolliness" all over the body. Coarser hair soon replaces the lanugo of the scalp and eyebrows, but hair on the rest of the body generally stays delicate and down like or weak. Hair grows from a cluster of cells at the bottom of the follicles. It is not true that cutting or shaving makes the hair grow faster or thicker, or coarser. When your hair grows, oil or a sebaceous gland also grows. Their tiny ducts open into hair follicles so that their secretion, fats, lubricate the hair as well as the skin. The natural oils helps the hair and skin preserve the normal water contents of the body by hindering water loss.

There are 200,000 hairs on the scalp which grow about two millimeters a week. Hair contains carbon, oxygen, nitrogen, hydrogen, and sulfur in varying amounts. There are four types of hair: Kinky, Curly, Wavy, and Straight.

### 1-2. KINKY AND CURLY HAIR

Kinky, kingly, curly, woolly hair has curved follicles with concavity curled upward like a bowl that are directed up toward the surface. Kinky and curly hair are shaped like two twisted ribbons. The hair twist themselves to form loops and

ringlets. This gives the shafts the appearance of a spring yet, in reality you are looking at the number 9 for the nine Ether.

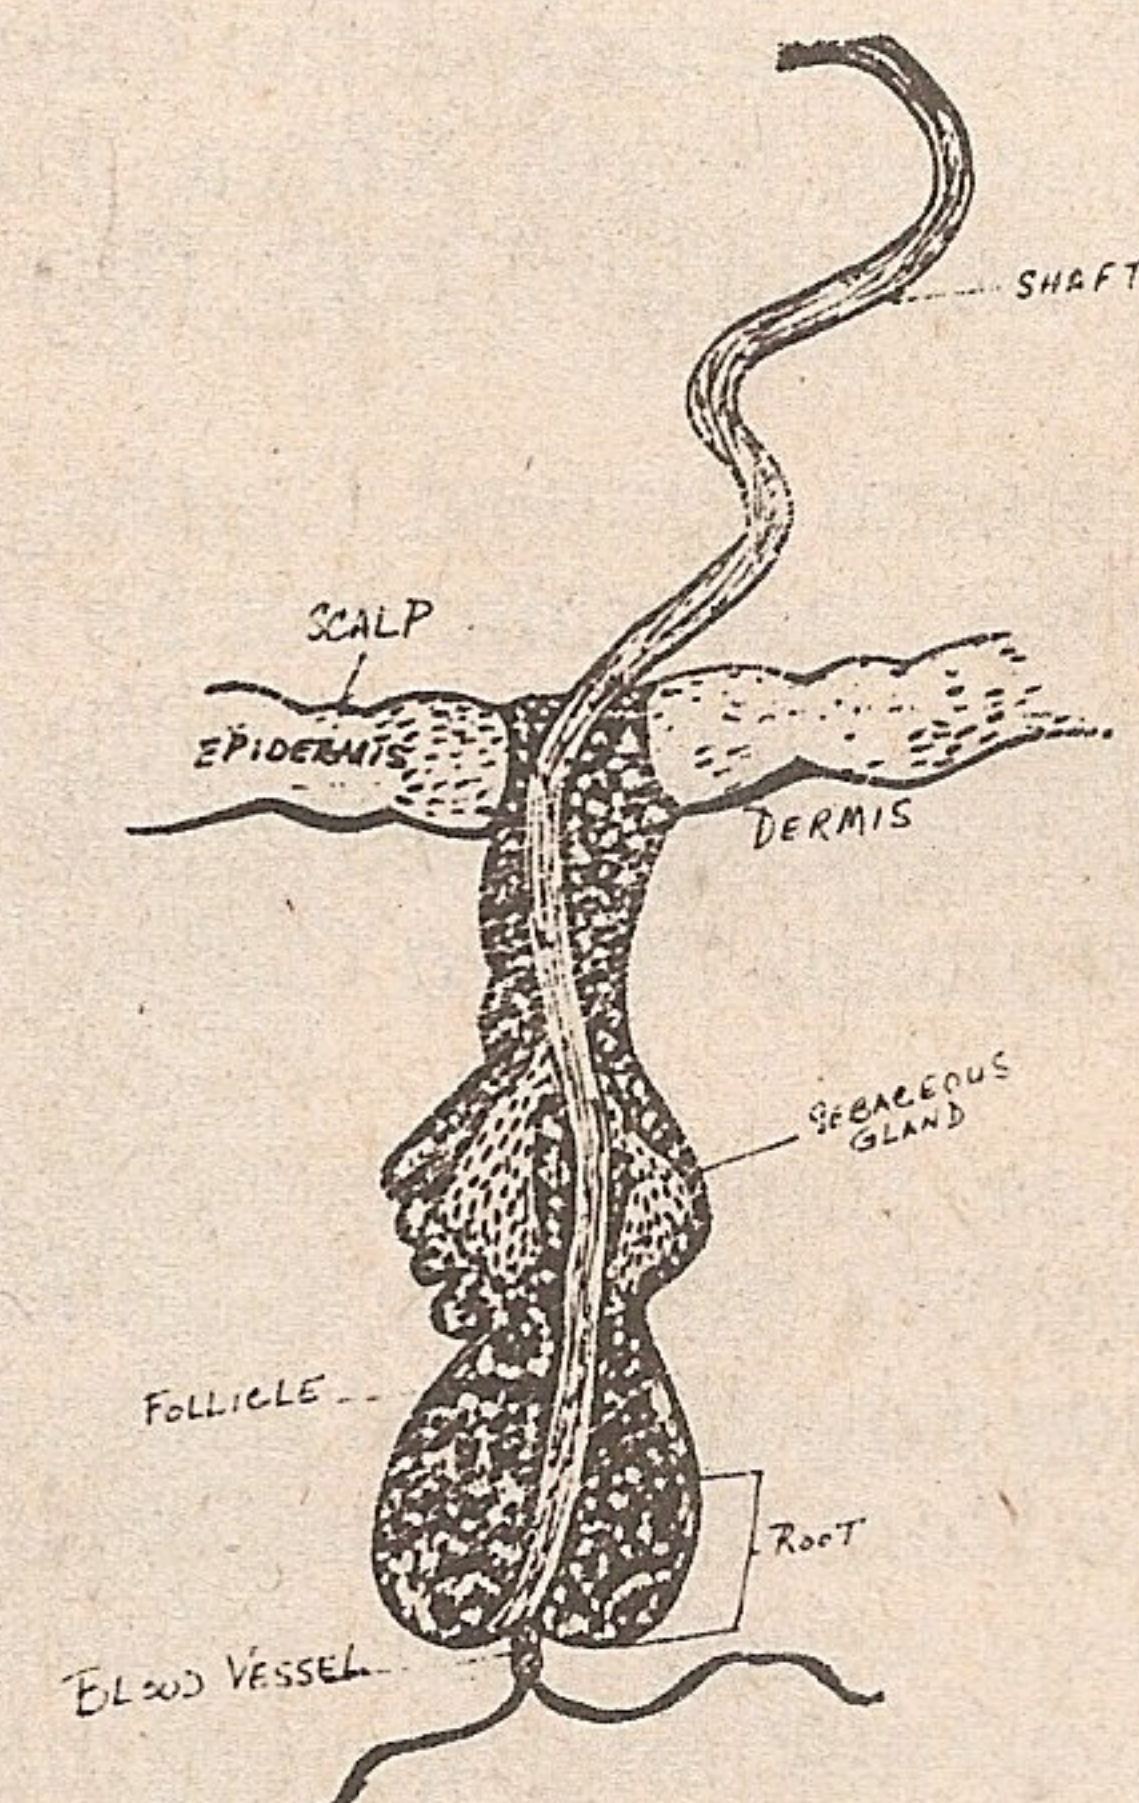

1. Kinky = 9 Ether

2. Curly = 8 Ether

### 3. Wavy Hair

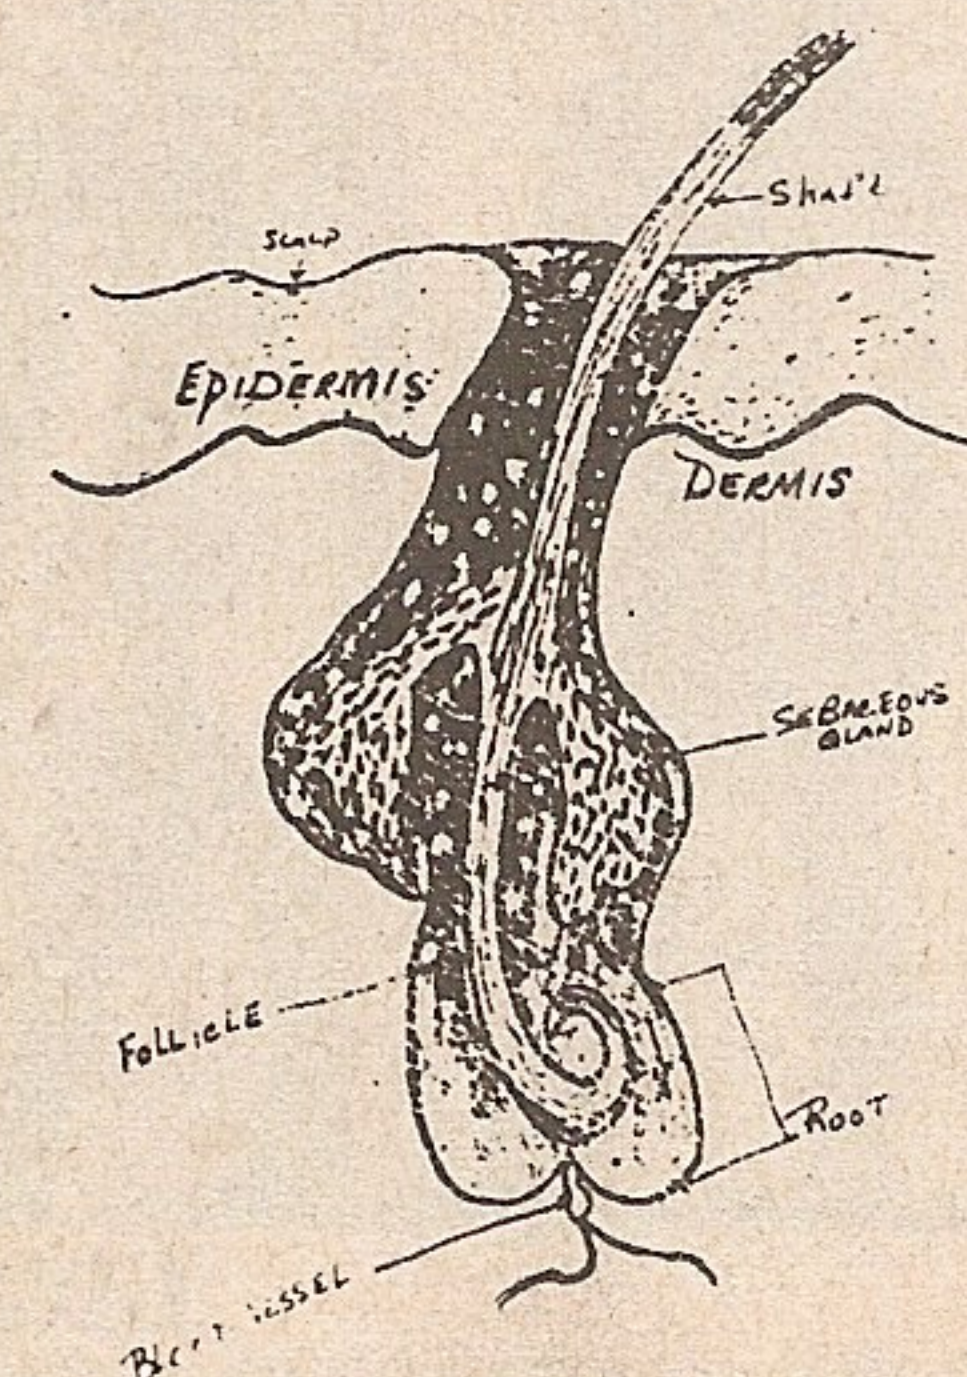

Follicles of wavy hair are in a slanted position. The hair follicles may also be slightly curved.

3. Wavy = 7 Ether

### 4. Straight Hair

The follicles of long straight hair are crosswise and the hairs emerge in a slanting direction on the surface of the skin. The number of straight hair is 6, the number of the beast or the goat.

## Kingly Crown To Kinky Hair *continued from page 8*

At birth a baby's hair is usually straight, however, as the child grows his hair becomes firm and kingly. This is due to the protein, keratin contained in the hair. Protein gives the hair strength and is sensitive to electrical impulses. If the hair remains straight, it is weak and lacks protein; because of the lack of protein, it literally flops and it grows in the same manner. To keep your kingly crown clean you should use a soap, shampoo that is natural. The root of any shampoo is soap and it usually contains pig hoofs, placentas, acids, and a flavor scent for smell. Stay away from these shampoos. The shampoo should not have all these additives. Our shampoo contains, water; sodium lauryl sulfate; olive oil; lecithin; aloe vera; glyceryl stearate; methyl paraben; misk oil. There are also several natural oils that can be used on your hair such as almond oil, aloe vera, and olive oil. Also, to see if your shampoo is really working, put one of these oils on your hand. Wash your hand and if the oil is not washed away, the shampoo isn't working.

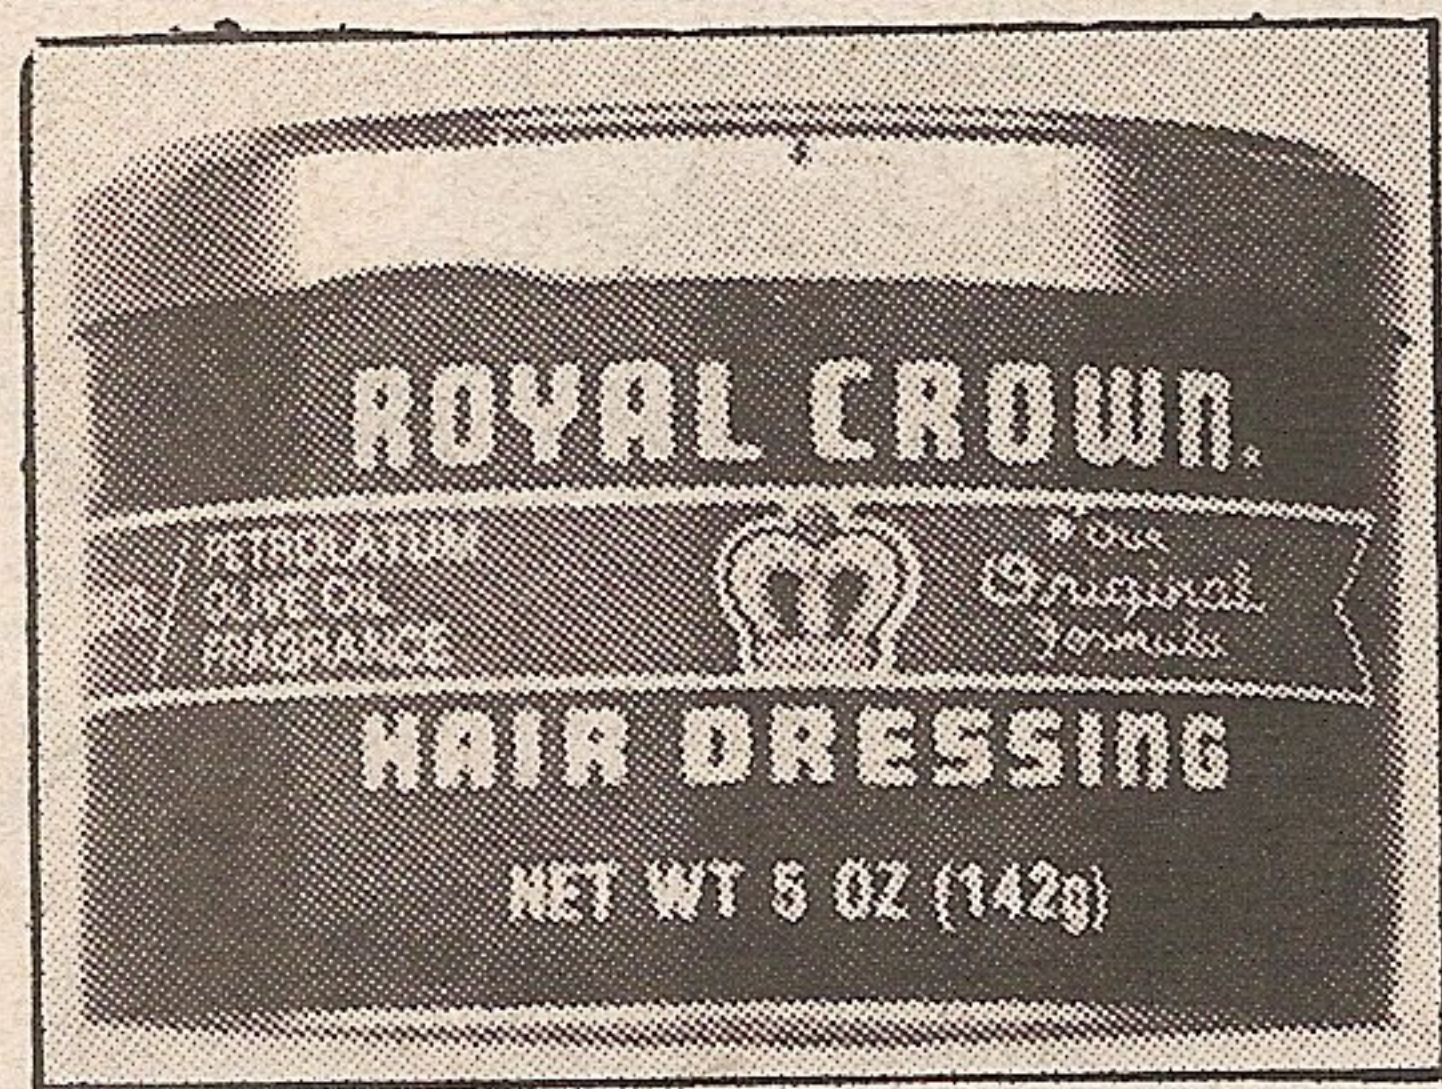

I'm sure you've thought that your kingly-crown was constantly falling out because whenever you comb your hair it breaks. This is because our hair has no anchor at the root, (Refer to picture of Ether 9). When the comb goes through our hair stretches and that causes it to break. When people who have straight hair comb their hair, it goes straight through the comb, because they have an anchor at the root, (Refer to picture of Ether 6). It goes through the comb easily because its limp and lifeless.

As you see our largest jewel, our crown, was taken away. It's time to take back the crown and wear it proudly. Stop! Don't straighten your hair anymore. No more perms, curls, or straightening combs. Let your Kingly Crown grow and get back in tune with nature.

### Songs Of Songs 7:5

*YOUR HEAD UPON YOU IS LIKE CARMEL, AND THE HAIR OF YOUR HEAD IS LIKE THE COLOR PURPLE; THE RULER IS BOUND IN THE GALLERIES.*

Yes, you hate the texture of your hair. If your great grand parents did not have to pick cotton, which is the texture of your hair, you would not hate it so much. That was the first trick of the Evil Ones. Is it true Blondes have more fun? No it's not or they would not have to go to our countries for vacation to have that fun.

**SOMEWHERE IN OUR GRANDMOTHERS AND MOTHERS SUB-CONSCIOUS MIND THEY KNEW ABOUT OUR ROYAL CROWN!**

## DID WE GIVE UP THE CRESCENT?

In our previous article we said we don't use the crescent because we were in the process of moving south and we did not want to be identified with Muslims at all. Having since been there you can plainly see that the star and crescent is still going strong.

Our symbol, the Magen (Shield) of Abraham son of Terah and Nuna, is the same Magen of Ruler David son of Jesse and Hilmah (*Psalms 3:3*), and Ruler Solomon son of David and Bathsheba, who followed Milla Ibrahim (the Rite of Abraham (*Qur'aan 16:123; 2:130, 135; 3:68; 4:125*)).

### Qur'aan 3:68

*"SURELY, THE FIRST OF NAAS, TO BE CONSIDERED MOST WORTHY BY ABRAHAM ARE THOSE WHO FOLLOW HIM THE RELIGION 'REPLENISHING OF ABRAHAM; AND THIS NEWSBEARER, MAN OF PROPHECY, THE NEWSBEARER MUHAMMAD AND THOSE WHO HAVE FAITH; AND THE SOURCE, ALLAH IS THE GUARDIAN OF THOSE WHO HAVE FAITH; OF THE FAITHFUL ONES."*

The Magen (Shield) of Ruler David was first called the Magen (Shield) of Abraham.

### Genesis 15:1

*"AFTER THE ELOH DID THESE THINGS, THE SAYING OF YAHUWA CAME TO ABRAM IN HIS VISION, YAHUWA MADE HIMSELF HEARD, SAYING, FEAR NOT, ABRAM: 'I AM YOUR MOGAN (SHIELD), UR REWARD IS EXCEEDINGLY GREAT."*

A signet is defined by the Edward William Lane Arabic and English Lexicon as "a seal or stamp; properly meant to cover a thing and securing one's self from a thing entering it". The Syriac (Arabic) word for signet is "Khaatim" خاتم and the word for seal is "Taabi" تابع (*Genesis 38:18; Jeremiah 22:24*). This Magen (Shield) of Abraham is the protection of Yahuwa. It is the same sacred symbol used by all of our prophets. It guards against evil and keeps evil beings from entering you. In this day and time, it also protects you against the mark of the beast (666), (*Revelation 13:18*).

The symbol we use now and the six-pointed star and crescent are basically the same thing, the Magen (Shield) of Abraham. The six pointed star represents the two covenants Yahuwa bestowed on Abraham's sons Ishmael (*Genesis 17:13*) and Isaac (*Genesis 15:18*). The Huwa symbol on our symbol is the name of Yahuwa.

The upright crescent symbol (*Isaiah 3:18*) placed under the six-pointed star was used by the Ishmaelites to represent that a Hebrew is one who is always upright before Yahuwa. The six-pointed star and crescent is the universal symbol representing the reunion of Abraham's two sons Ishmael and Isaac, (*Genesis 25:9*).

We did not give up the crescent. And as we previously stated the star and crescent is still going on strong.

## WHEN MAN BEGAN TO PRAY

Prayer began after the birth of Seth's (which means replacement) son Enos, which means "*mortal being, a human being*". How do we know this; because in *Genesis 4:26* it states:

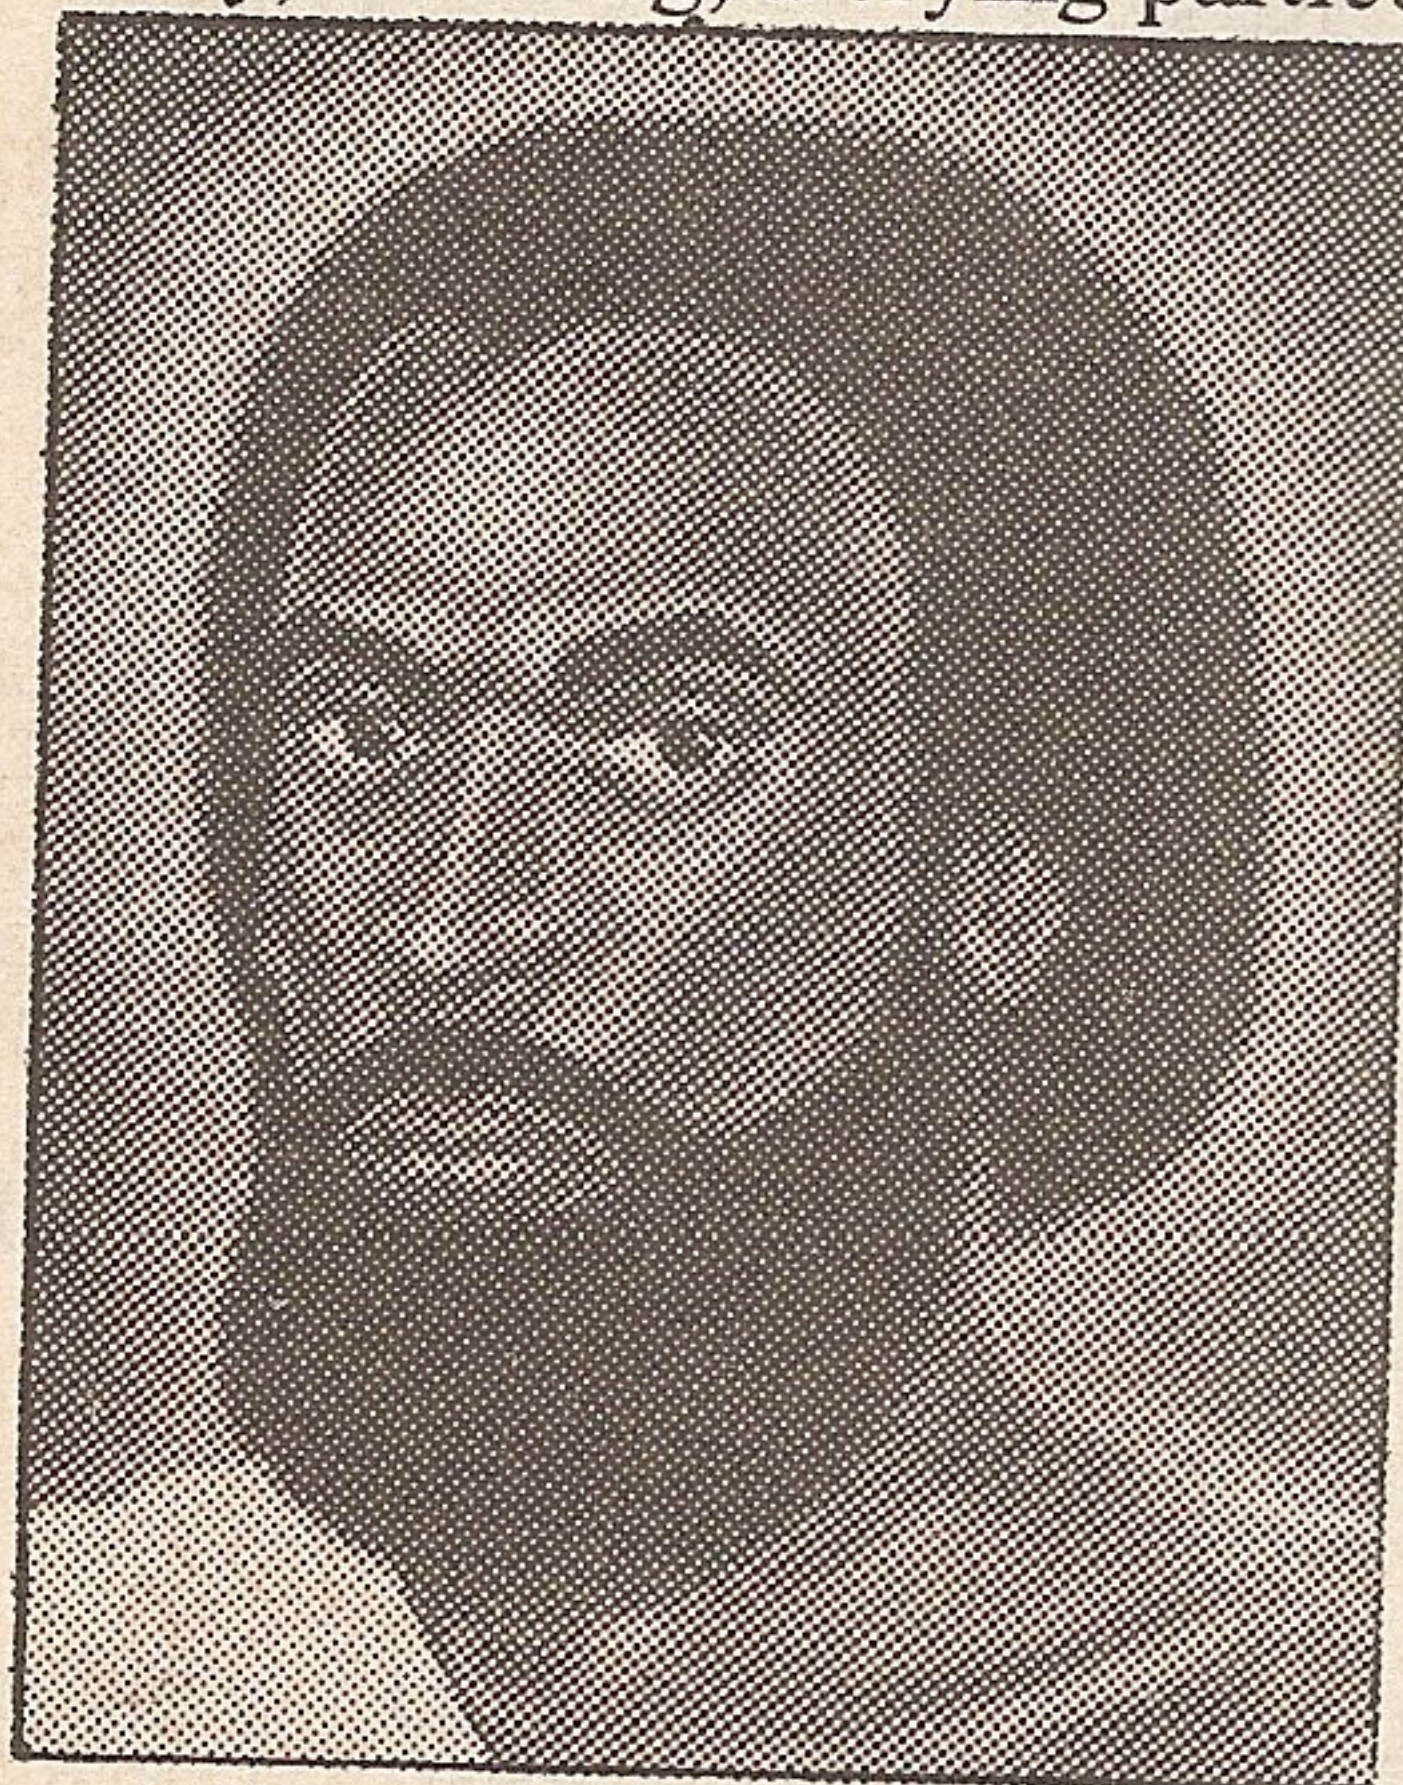

Genesis 4:26

"WA (AND) TO SHETH ("WHO WAS COMPENSATION"), TO HIM GAM (ALSO) WAS YAW-LAD' (BORN) A BANE (CHILD); WA (AND) HE QAW-RAW' (CALLED) HIS SHAME (NAME) EN-OHSH' ("A HUMAN BEING", ENOS): AWZ (THAT, THEN AT THIS POINT IN TIME) KHAW-LAL' ("BEGAN, TO DEFILE HIS OWN SELF", AND FELL FROM THE ELOHEEM TO HUMAN BEING) QAW-RAW' (HAVING TO CALL IN WORSHIP) UPON SHAME (THE NAME) OF YAHUWA."

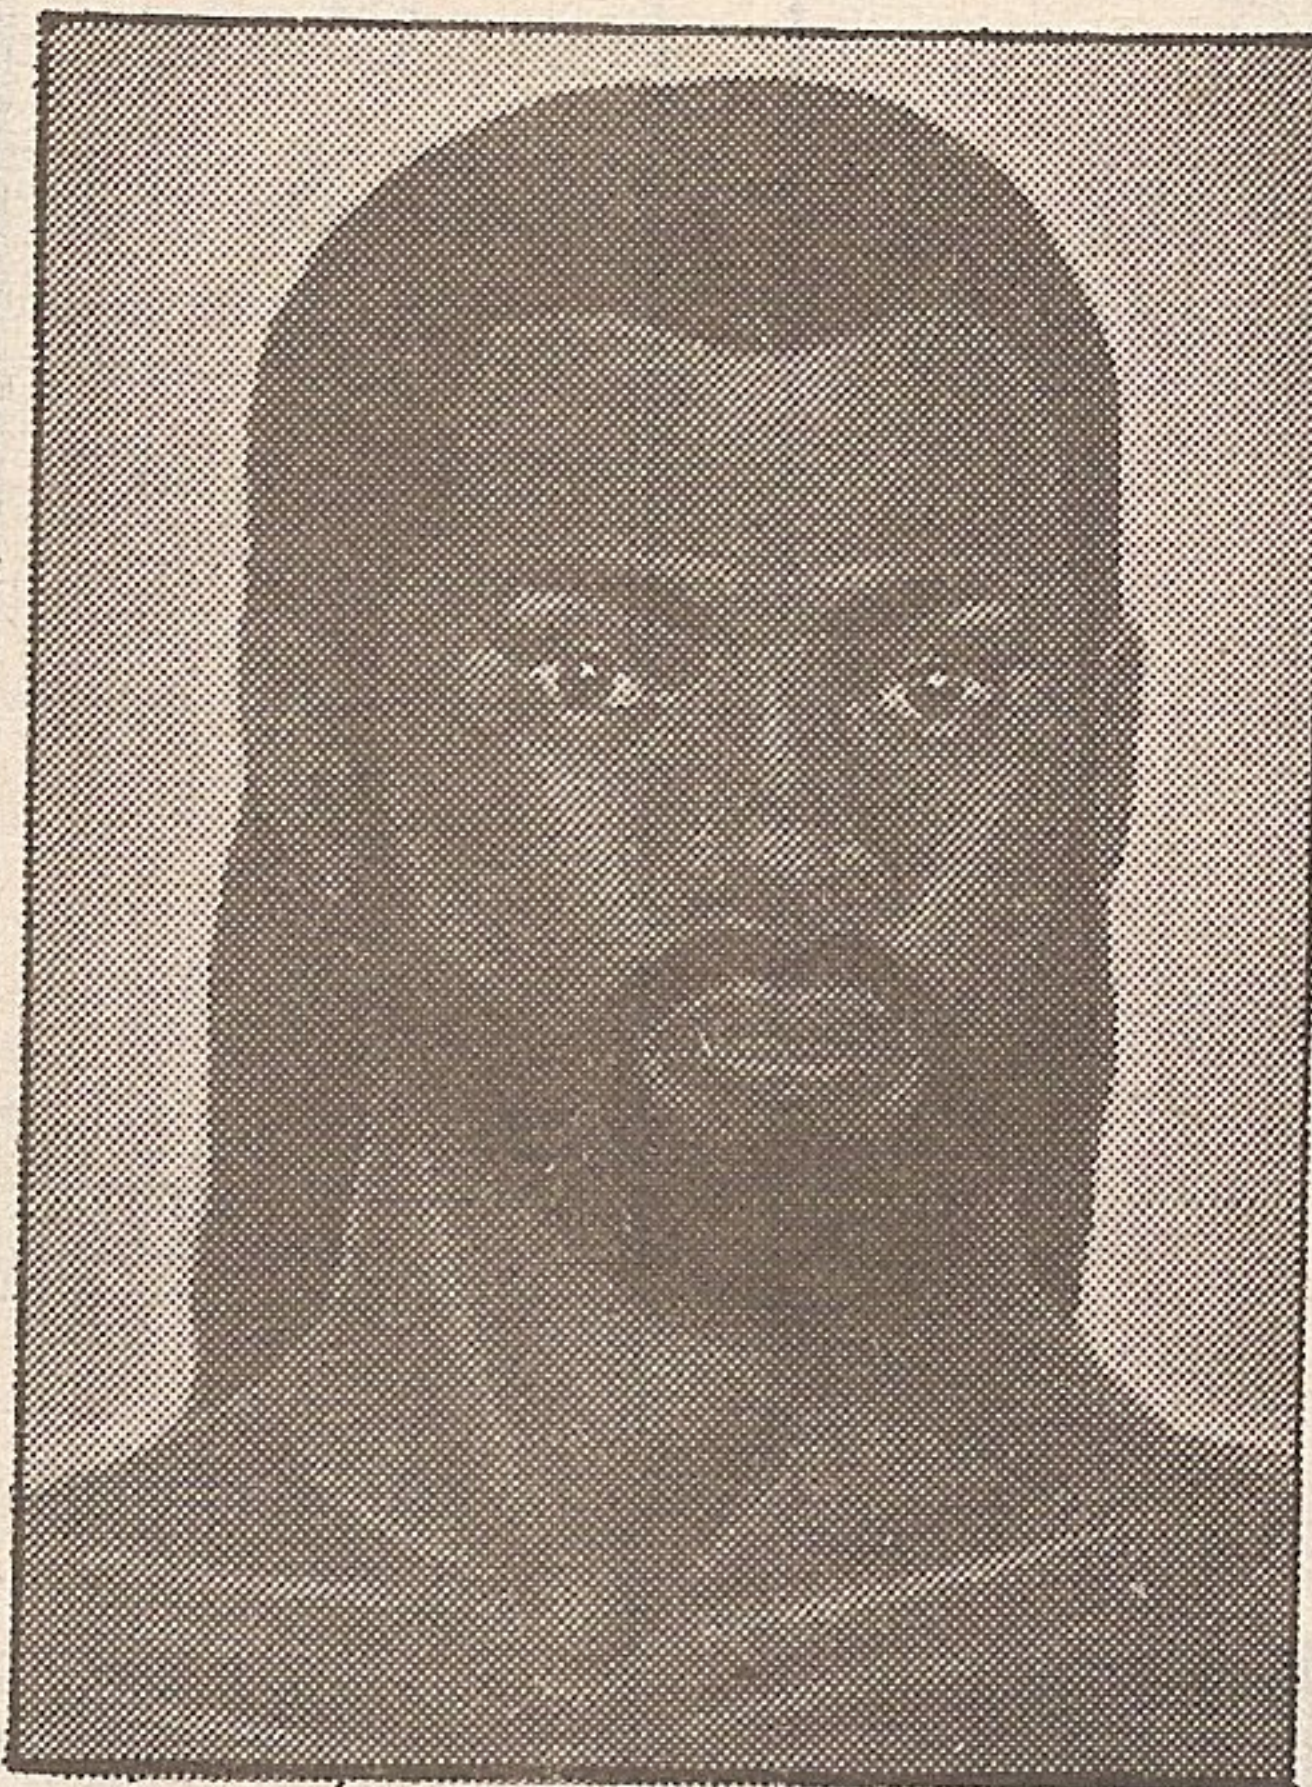

Translated by: Dr. Malachi Z. York

As you can see it says "*then, at this point in time began.*" There are two words here that makes this point very clear; "*then*" (awz, אַז) and "*began*" (khawlal, חָלַל)." We all know that "*then*" means "*next in order of time*" and "*to begin*" means to bring into existence. Certain words are specifically used so that you will not be with any doubt as to the point of time mortals started calling on Yahuwa or setting up prayer.

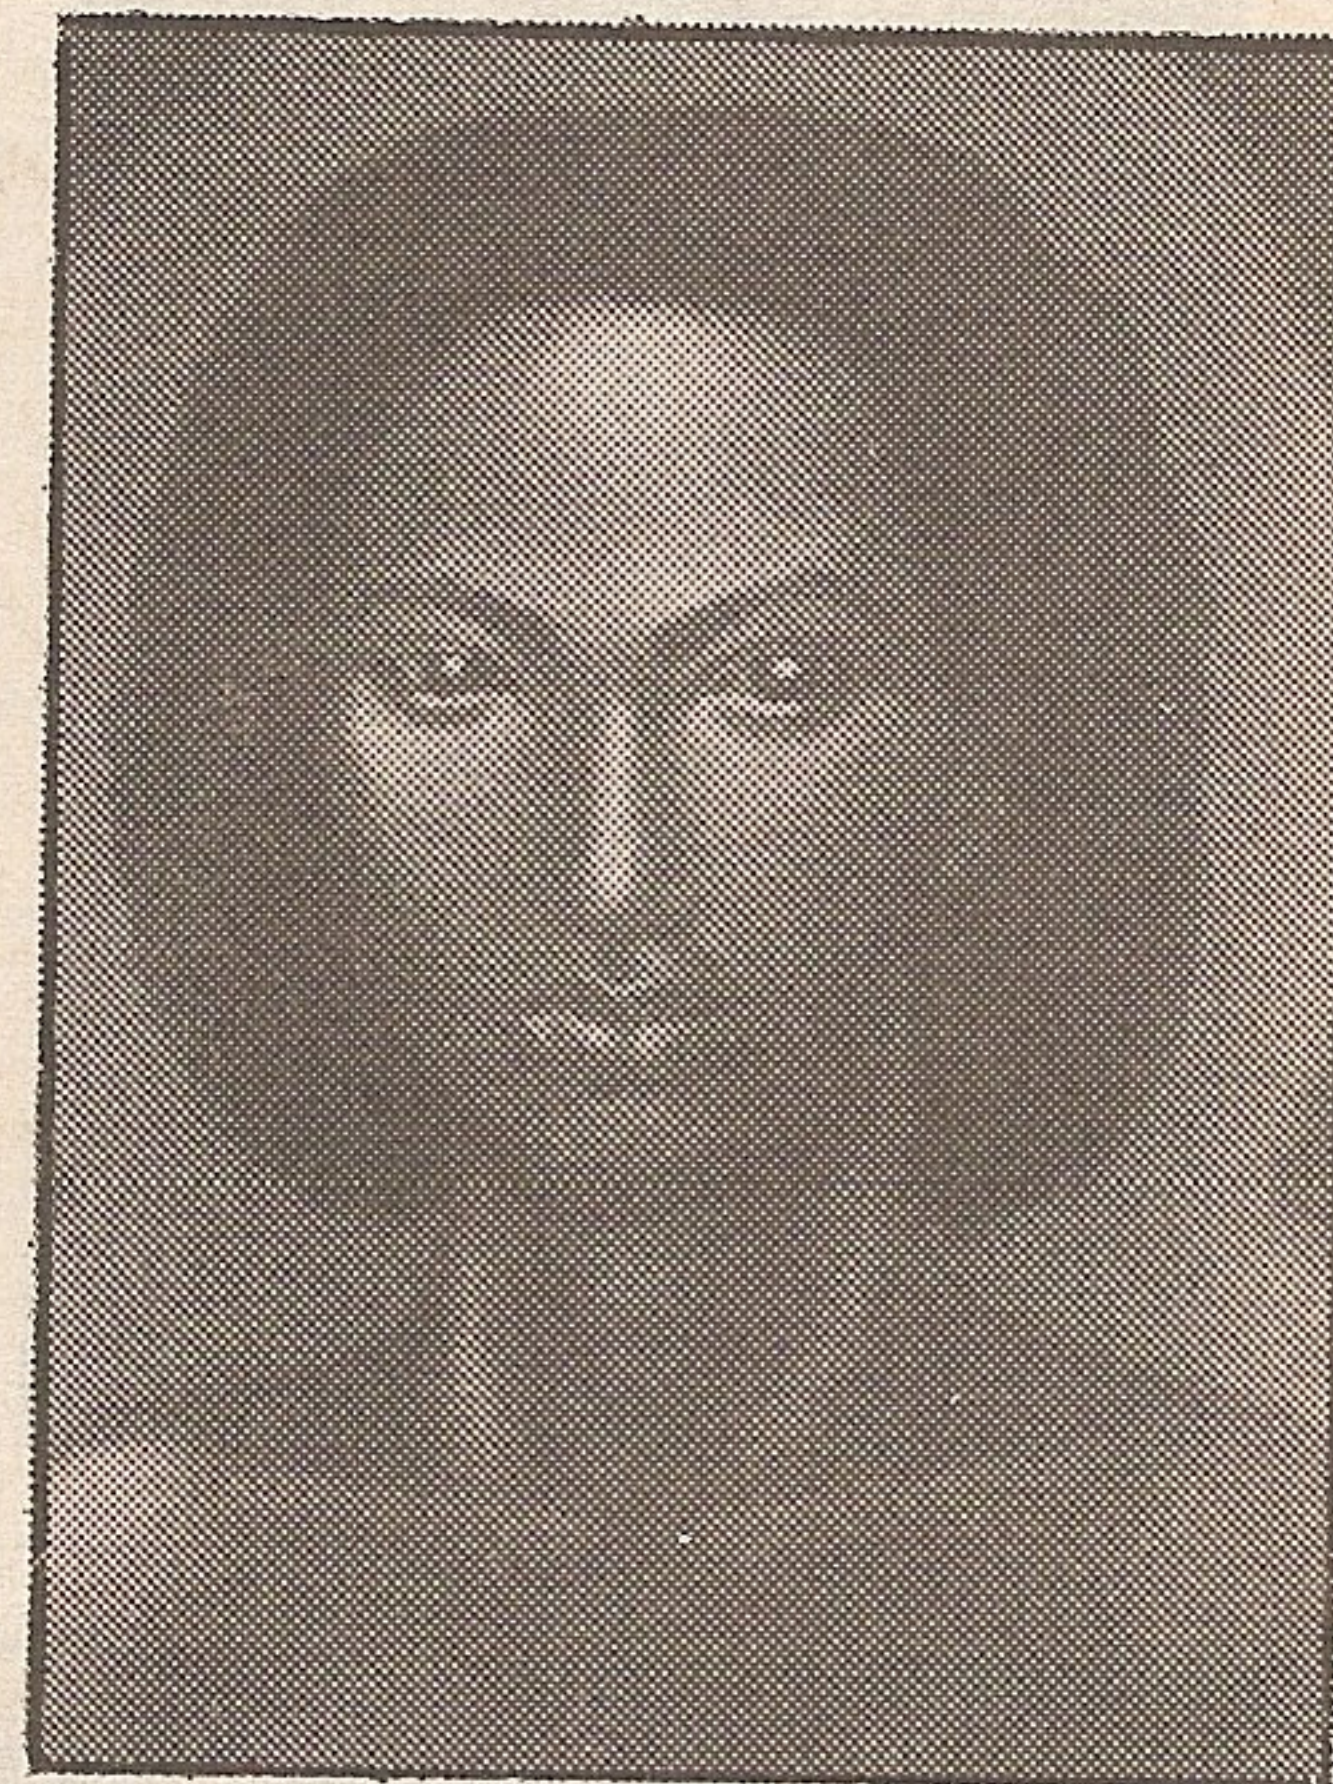

From the time of Enos son of Seth and Aqlimiah, mortals have been calling and crying on the name of Yahuwa which can be seen throughout the Scriptures. This is the actual prayer, not the positions of prayer. The word that is used to describe this is "*dua'a*" (دعاء) in Ashuric/Syriac (Arabic) which means: prayer or supplication, to a deity; a calling, a crying particularly for aid.

SETH

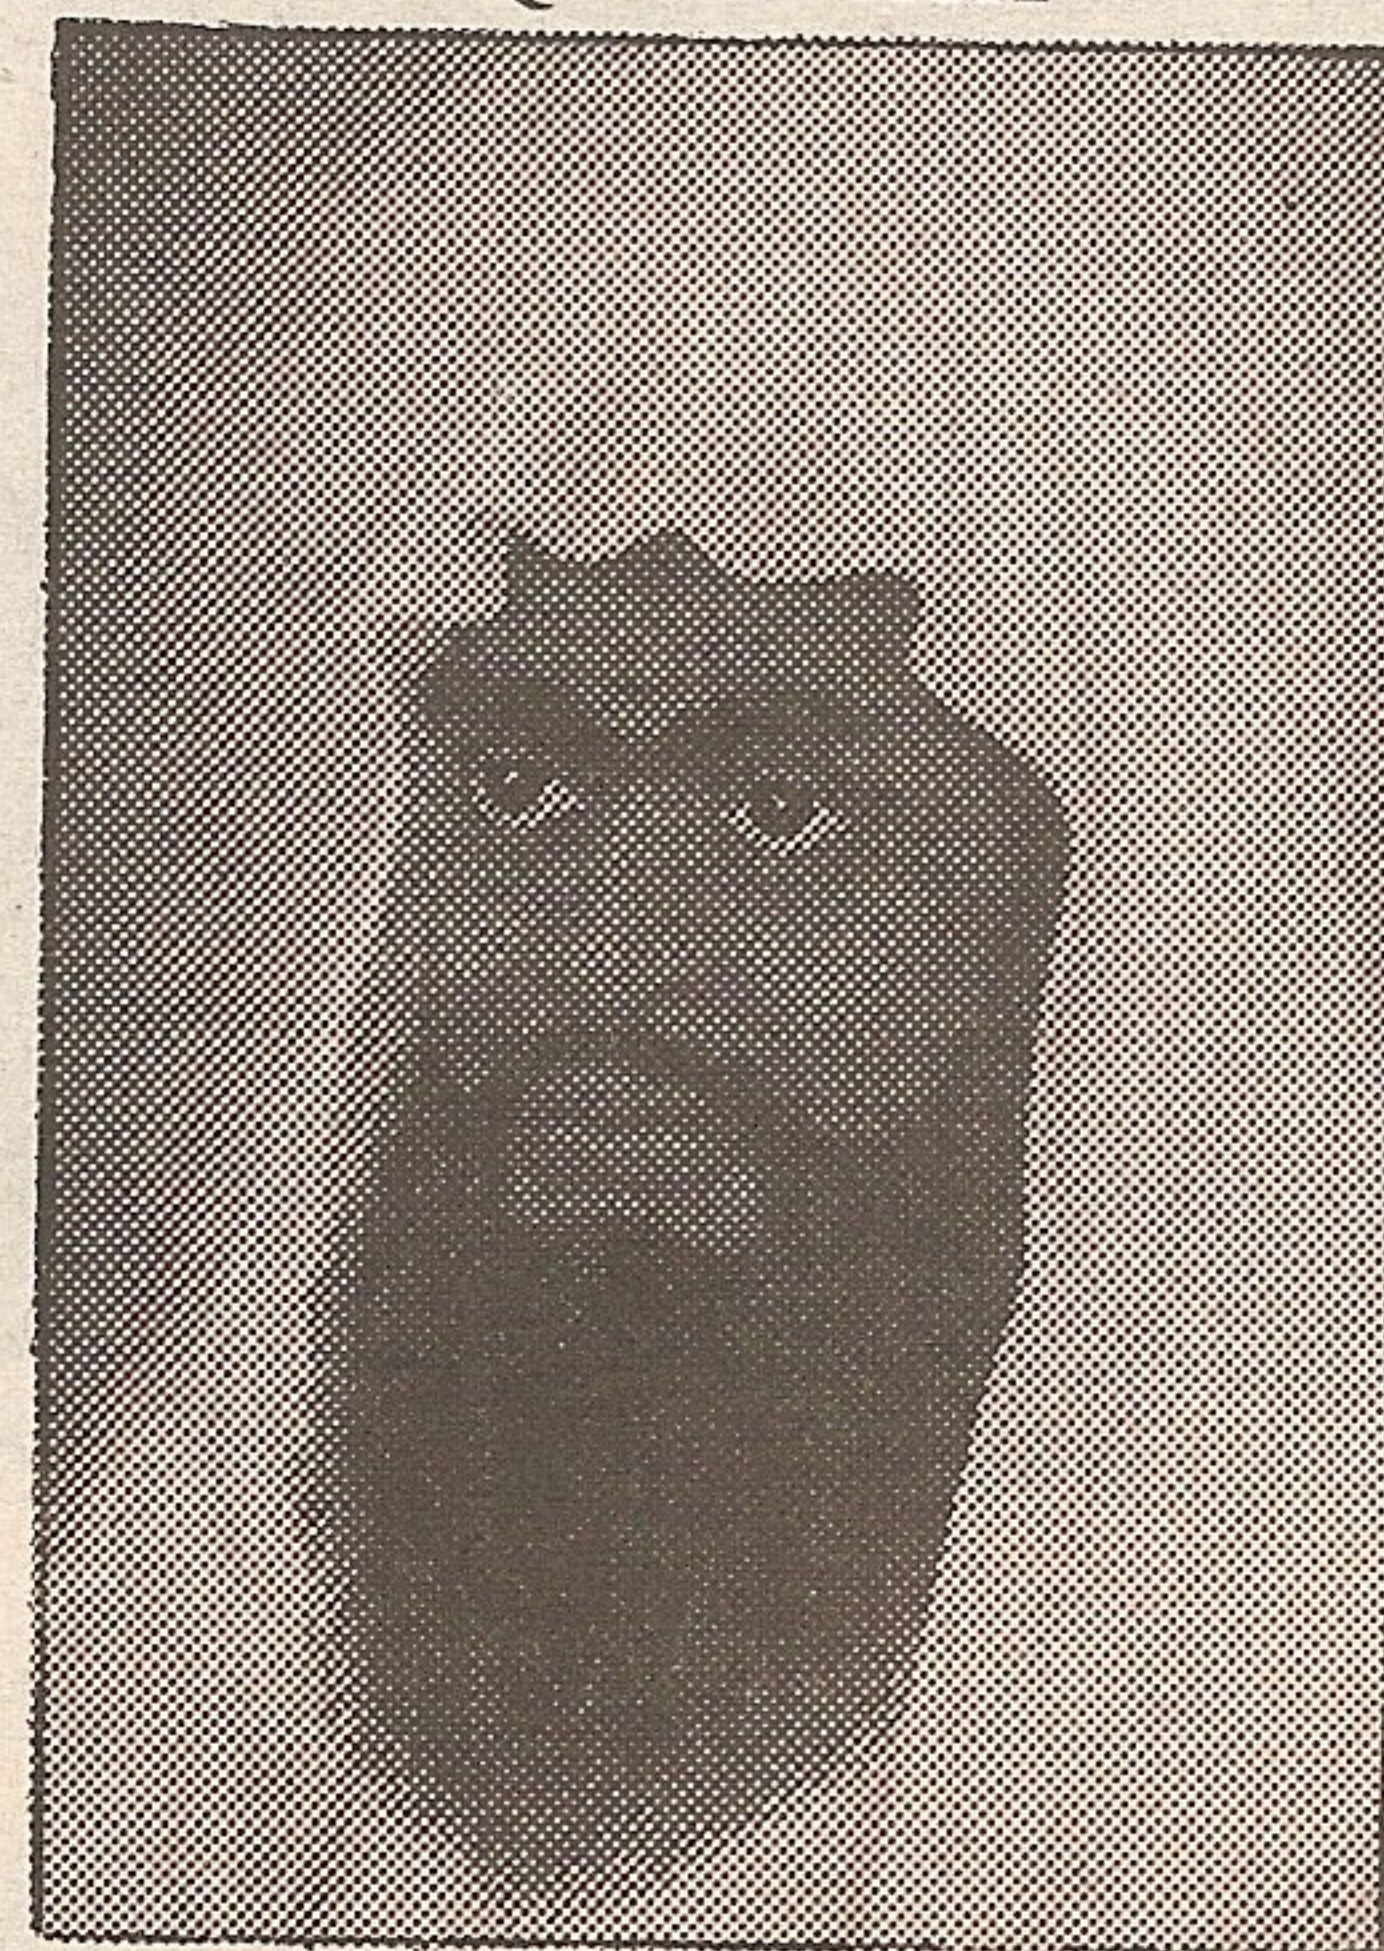

ENOS

AQLIMIYAH

*Qara* (קָרָא) is used in Aramic (Hebrew) for the same expression. The first name called on by mortals was "*Yahuwa*". *YHWH* (יהוה) is *YAHUWA* (ياهو or يهوه) or as we say it *HU* ( הוּ ). *HU* stands for the Most High's name and is the force of creative will. *HU* is also one of the names used in ancient Egypt which is the same name the Egyptians were told when they questioned Moses son of Amram and Jochebed as to who sent him (*Exodus 3:14*). Now, you want to know what man did about prayer prior to that time? Before the time of Enos son of Seth son of Adam there was no prayer. You were the gods or *Eloheem* (אלהים). You maintained and replenished or refilled the planet Earth for it was filled before Adam, you named the birds of the air, the fish of the sea and the animals of the field.

## IMAAM SIRAJ WAHHAJ WAKE'S UP

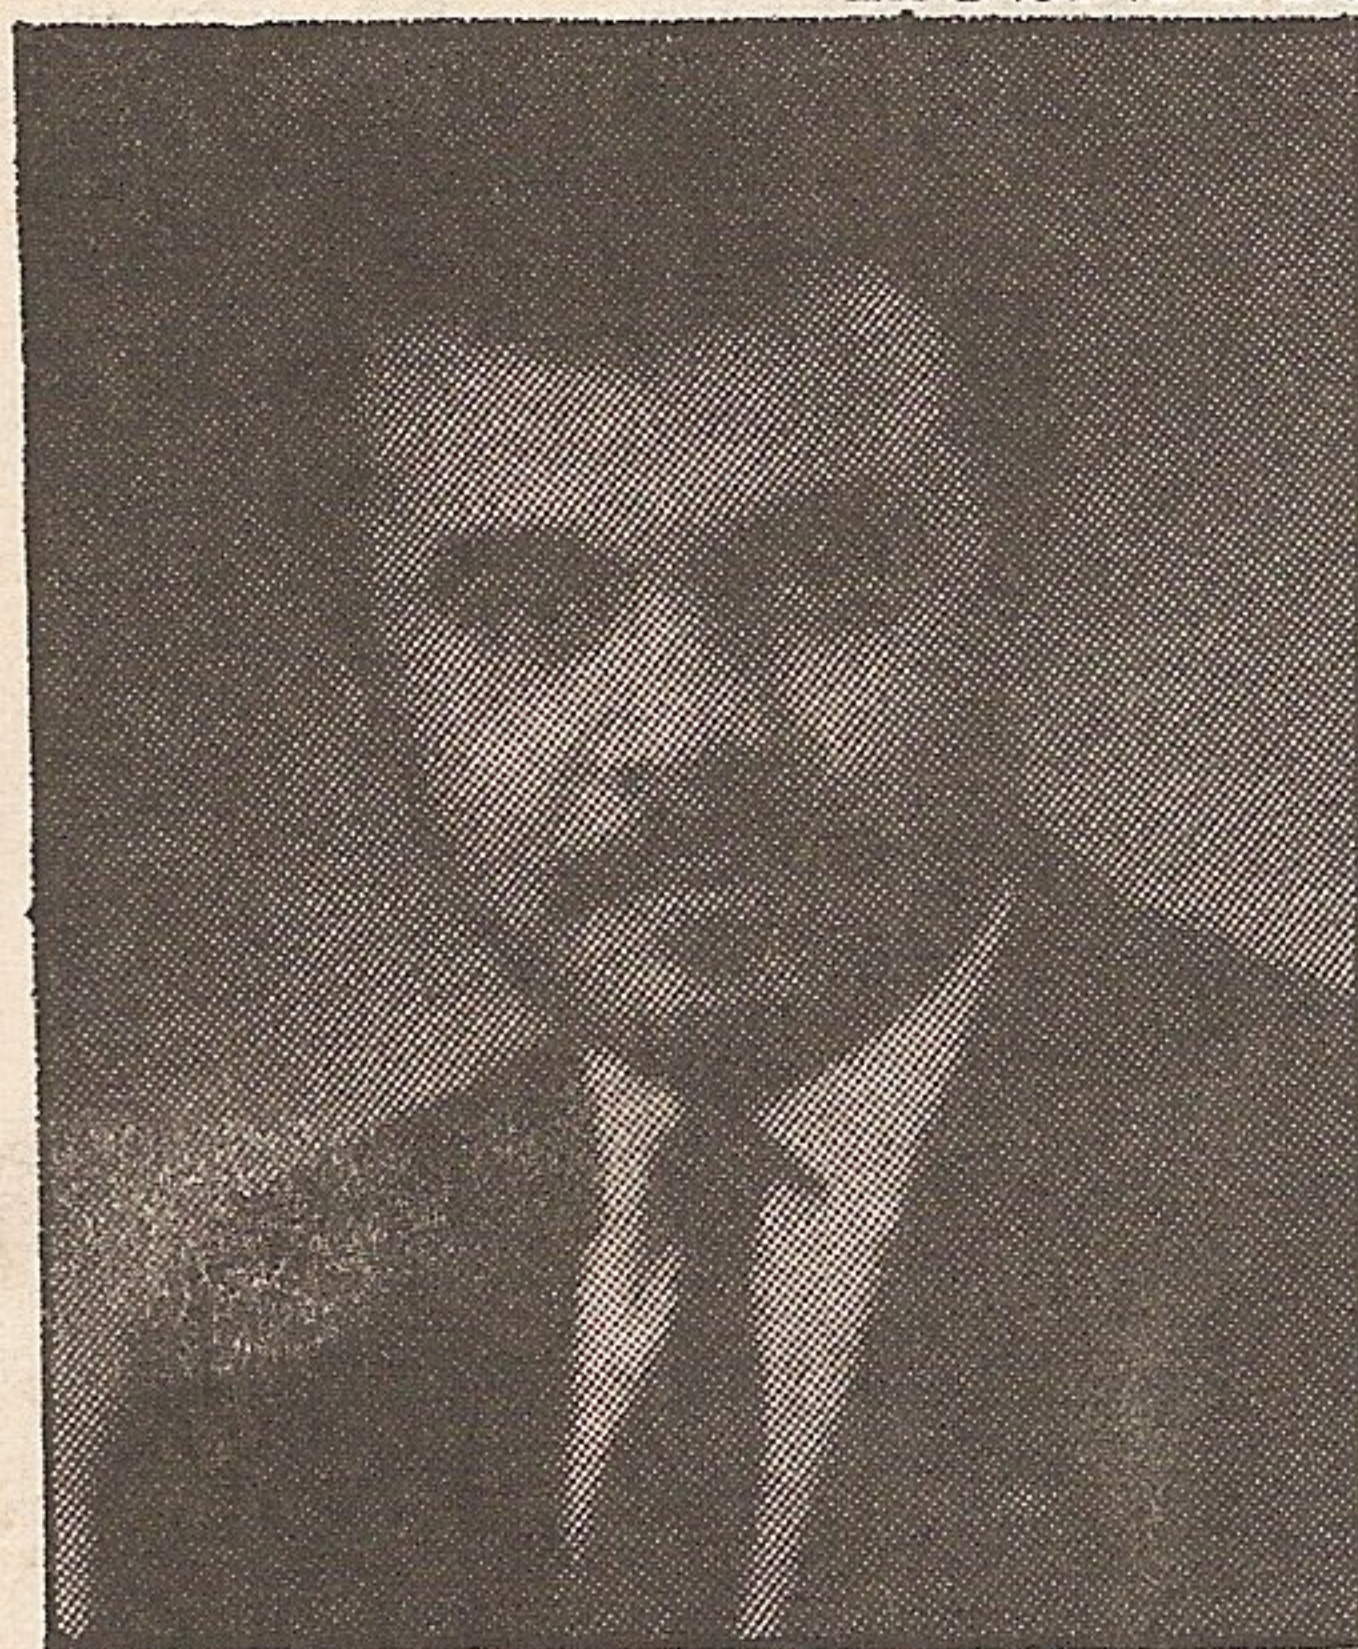

In 1992 our brother Siraj Wahhaj was beginning to wake up to the light from being under the influence of the Arabs and following their orders and teaching his congregation their ways of life for so many years he is finally realizing what their plan is, and this article is just a reminder to him and all Sunni Orthodox Muslims who were and are under their influence.

Siraj Wahhaj bore witness to the reality that the Wahhabi sect of Saudi Arabia he was giving his life to, such as: Prince Bandar, Rabitat-Al-Alam-Al-Islami, Hosni Mubarrak, King Fahd, etc., are nothing but devils working with devils in high places and are the biggest of hypocrites. I stated this in "360 QUESTIONS TO ASK ORTHODOX SUNNI MUSLIMS, INTRODUCTION, Scroll #198, page J.

*"WE ARE FIGHTING AGAINST SECRECY AND WICKEDNESS IN HIGH PLACES. DO YOU OVERSTAND THAT? WE ARE TALKING ABOUT ARAB GOVERNMENTS THAT WORK WITH THE DEVIL AND THE FAKE CHRISTIAN WORLD WILL COME TO THEIR AID IF THEY NEED THEM."*

HOSNI MUBARRAK

PRINCE BANDAR

KING FAHD

Also *Qur'aan* 9:97 states,

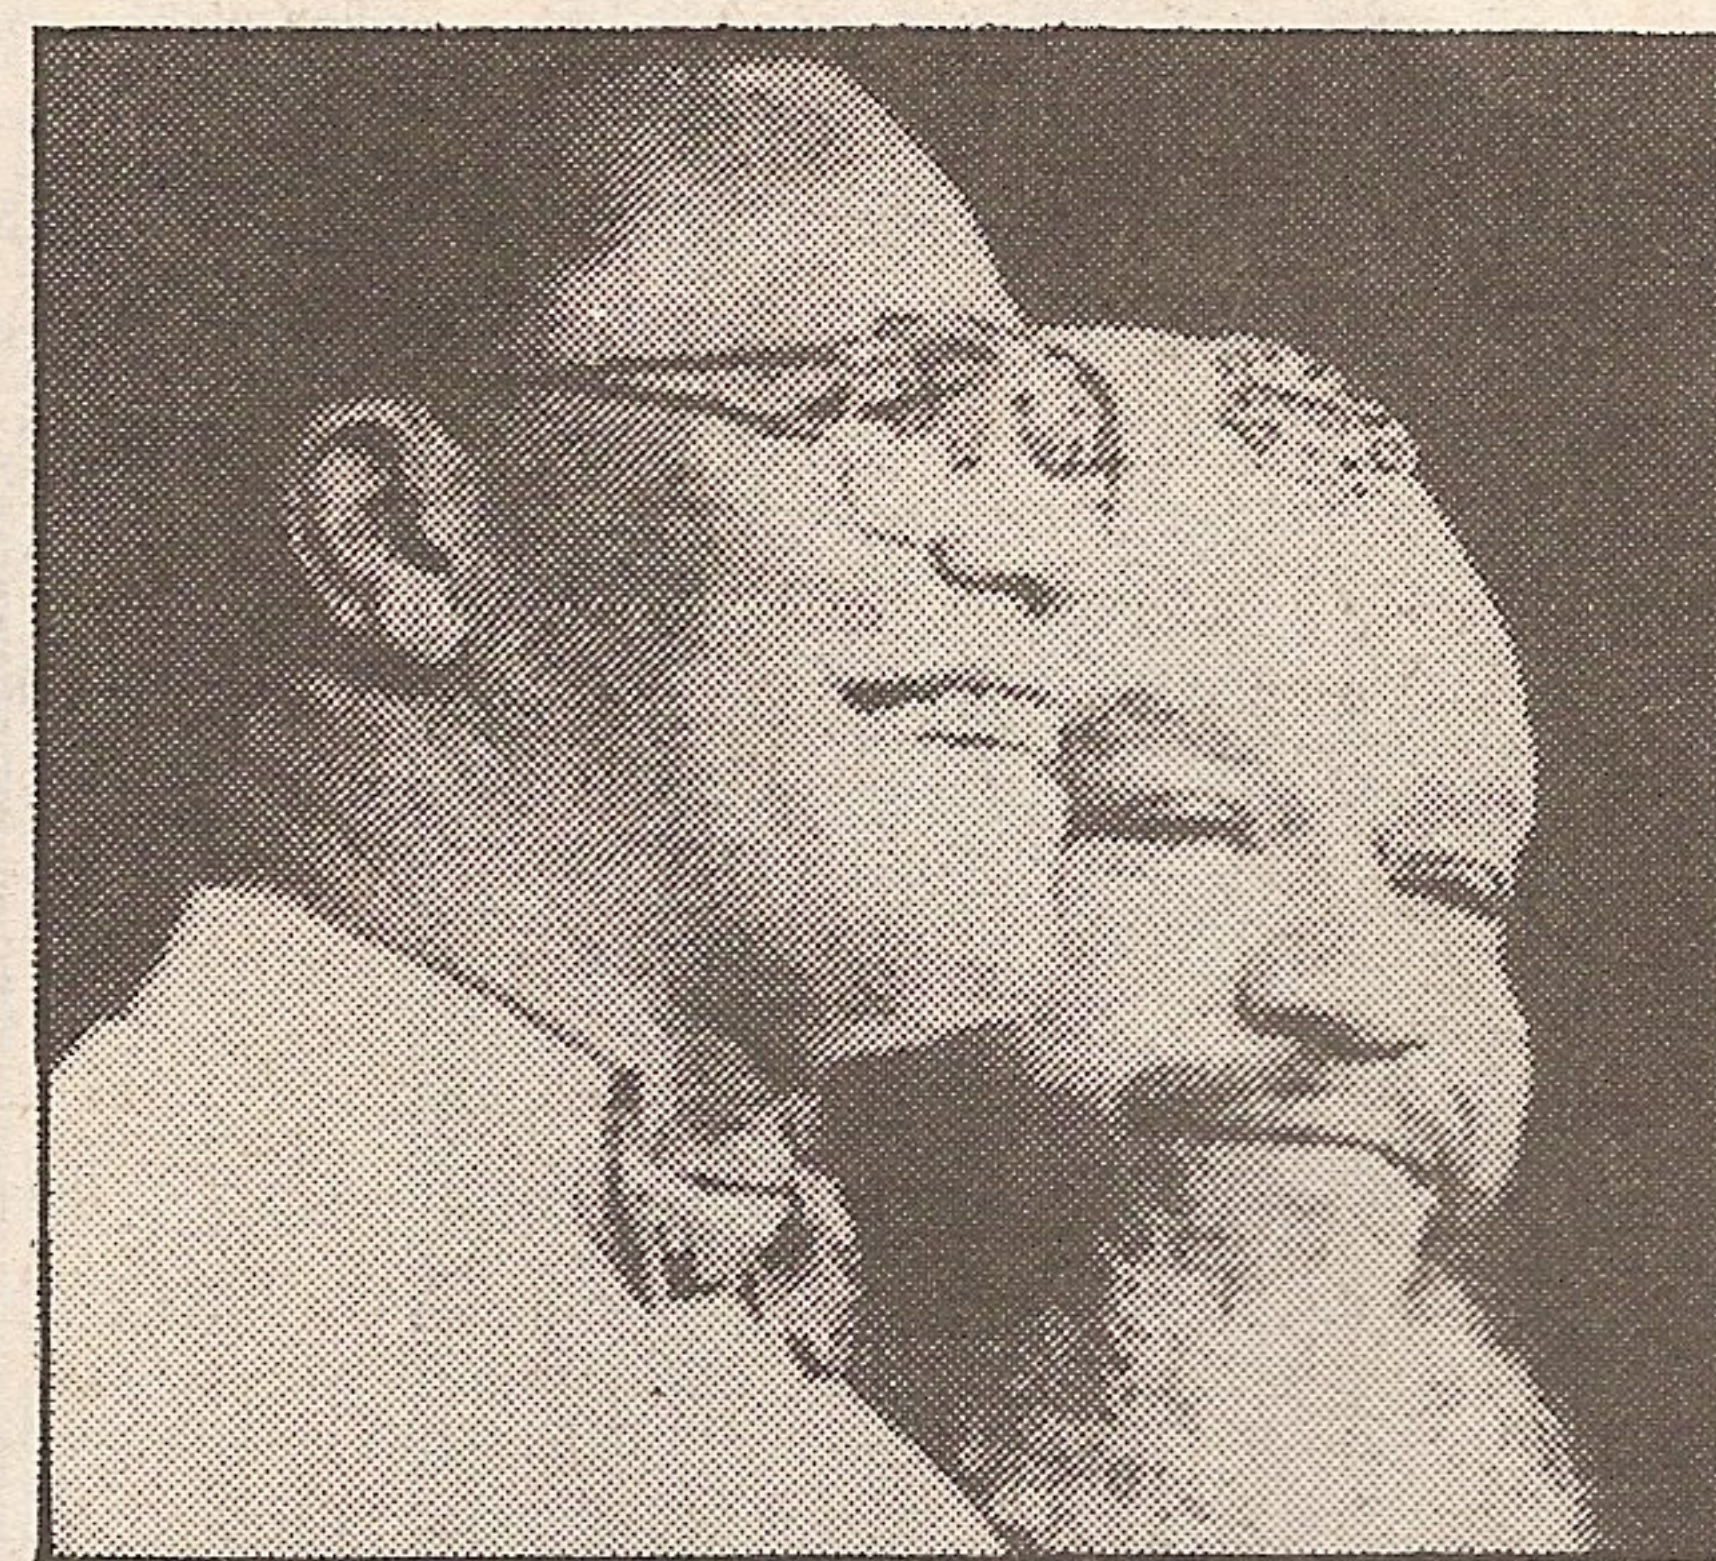

*THE DESERT ARABS ARE THE MOST SEVERE, CONCEALERS OF THE FACTS, AND THE THEMOST HYPOCRITICAL, THE WORST, THEY DON'T KNOW THE*

*LIMITS OF WHAT WAS SENT DOWN BY THE SOURCE, EL ELOH UPON HIS RASUWL, 'ONE SENT,' MUHAMMAD, AND THE SOURCE, EL ELOH IS THE KNOWER, THE WISE."*

In one of Siraj Wahhaj's lectures, entitled "Who Are Your Advisors," he states,

*"..SOME OF THESE LEADERS WON'T LISTEN TO THE PEOPLE IN FACT THEY WILL KILL THE PEOPLE IF THE PEOPLE TRIED TO GIVE THEM GOOD ADVICE. WE HAVE MANY CASES OF THAT ALL ACROSS THE MUSLIM WORLD."*

The Wahhabi sect of Saudi Arabia is very shrewd and will turn on everyone eventually. They have already denied Bilaal Phillips as an associate of theirs and they will do the same to Siraj Wahhaj. They will try to eliminate Siraj Wahhaj because he is in their "so-called Islamic sect" and are turning against what they want him to teach. They have used him to bad mouth all the black organizations such as: Farrakhan, Yahweh Ben Yahweh, etc., but he could not topple the main man (me) who they really want eliminated. As you saw Siraj Wahhaj, your time was up and you brought it all on yourself.

LOUIS FARRAKHAN & YAHWEH BEN YAHWEH

In that same lecture Siraj Wahhaj also states,

*"I KNOW I'M MAKING ENEMIES ALL OVER THE COUNTRY, ALL OVER THE WORLD, I KNOW THAT. EVERYTIME I OPEN MY MOUTH AND SPEAK THE TRUTH I'M MAKING ENEMIES. I RECOGNIZE THAT."*

In the following pamphlets; "Rebuttal To The Slanderers" edition #197, "The Book Of The 5 Percenters" edition #195, and "360 Questions To Ask The Orthodox Sunni Muslim" Scroll 198, I stated many times that if you try to go against their (the Wahhabi sect of Saudi Arabia) indoctrination, they will kill you.

*360 QUESTIONS TO ASK THE ORTHODOX SUNNI MUSLIM PAMPHLET ED. #198. - "YOU BETTER BELIEVE, THEY HAVE IT ALL FIGURED OUT! EGYPTIAN HIT MEN ARE COMING OVER HERE WITH A SWORD AND A VOW TO KILL ANYONE WHO DOES NOT COMPLY WITH THEIR DOCTRINE OF MAINSTREAM ISLAM."*

(continued on page 16)

When Man Began To Pray continued from page 11

You knew who the Most High was, who you were as Eloheem, and your responsibility on the planet Earth. You had the knowledge to know right from wrong, what you called **Right Knowledge**. Yahuwa of the Eloheem says you were as one of them (He and His Angelic Host) knowing agreeable and disagreeable. This is in Genesis:

**Genesis 3:22**

"YAHUWA OF THE ELOHEEM SAID TO THE ELOHEEM ANUNNAQI; SERAPHEEMS AND CHERUBEEMS, "LOOK AT ADAM, HE HAS BECOME JUST LIKE US, HE KNOWS WILL, HAVING THE ABILITY TO MAKE DECISIONS BETWEEN THAT WHICH IS AGREEABLE AND DISAGREEABLE: USING HIS FOUR HIGHER SENSES: PSYCHOMETRY, CLAIRVOYANCE, INTUITION, TELEPATHY; HE IS FREE TO THINK FOR HIMSELF WITHOUT THE COMMANDS OF THE ELOHEEM AND NOW AT THIS POINT WE MUST BE AWARE OR HE WILL TAKE, AND EAT ALSO OF THE TREE OF DIVINE LIFE, READ THE SCROLL OF ALL, AND LIVE FOREVER, SO LETS REMOVE HIS BARATHARY GLAND AND MAIM HIM AND HIS SEED AFTER HIM WITH THE SPELL OF KINGU LEVIATHAN."

This was a result of eating the forbidden fruit and becoming as the Eloheem as stated in *Genesis 3:5*

יום YOME (IN THE) DAY	כי KEE THAT	ידע YAW-DAH' KNOWS	אלהים ELOHEEM THESE BEINGS
אלהים ELOHEEM (JUST LIKE) THESE BEINGS	פקח FAW-KAKH' (WILL BE) OPENED	עין AH'-YIN (YOUR) EYES	אכל AW-KAL' (YOU) EAT
	רע RAH DISAGREE- ABLE THINGS	ו WA AND	טוב TOBE (KNOWING) AGREEABLE THINGS

"THE SERAPHEEM, THE AGREEABLE ELOHEEM ANUNNAQI, KNOW THAT WHEN YOU EAT IT, YOUR EYES WILL BE OPENED, AND YOU WILL BE JUST AS POWERFUL AS THEY ARE, YET HAVING THE WILL POWER OF KNOWING AND FEELING BOTH AGREEABLE THINGS AND DISAGREEABLE THINGS."

Translated by: **Dr. Malachi Z. York**

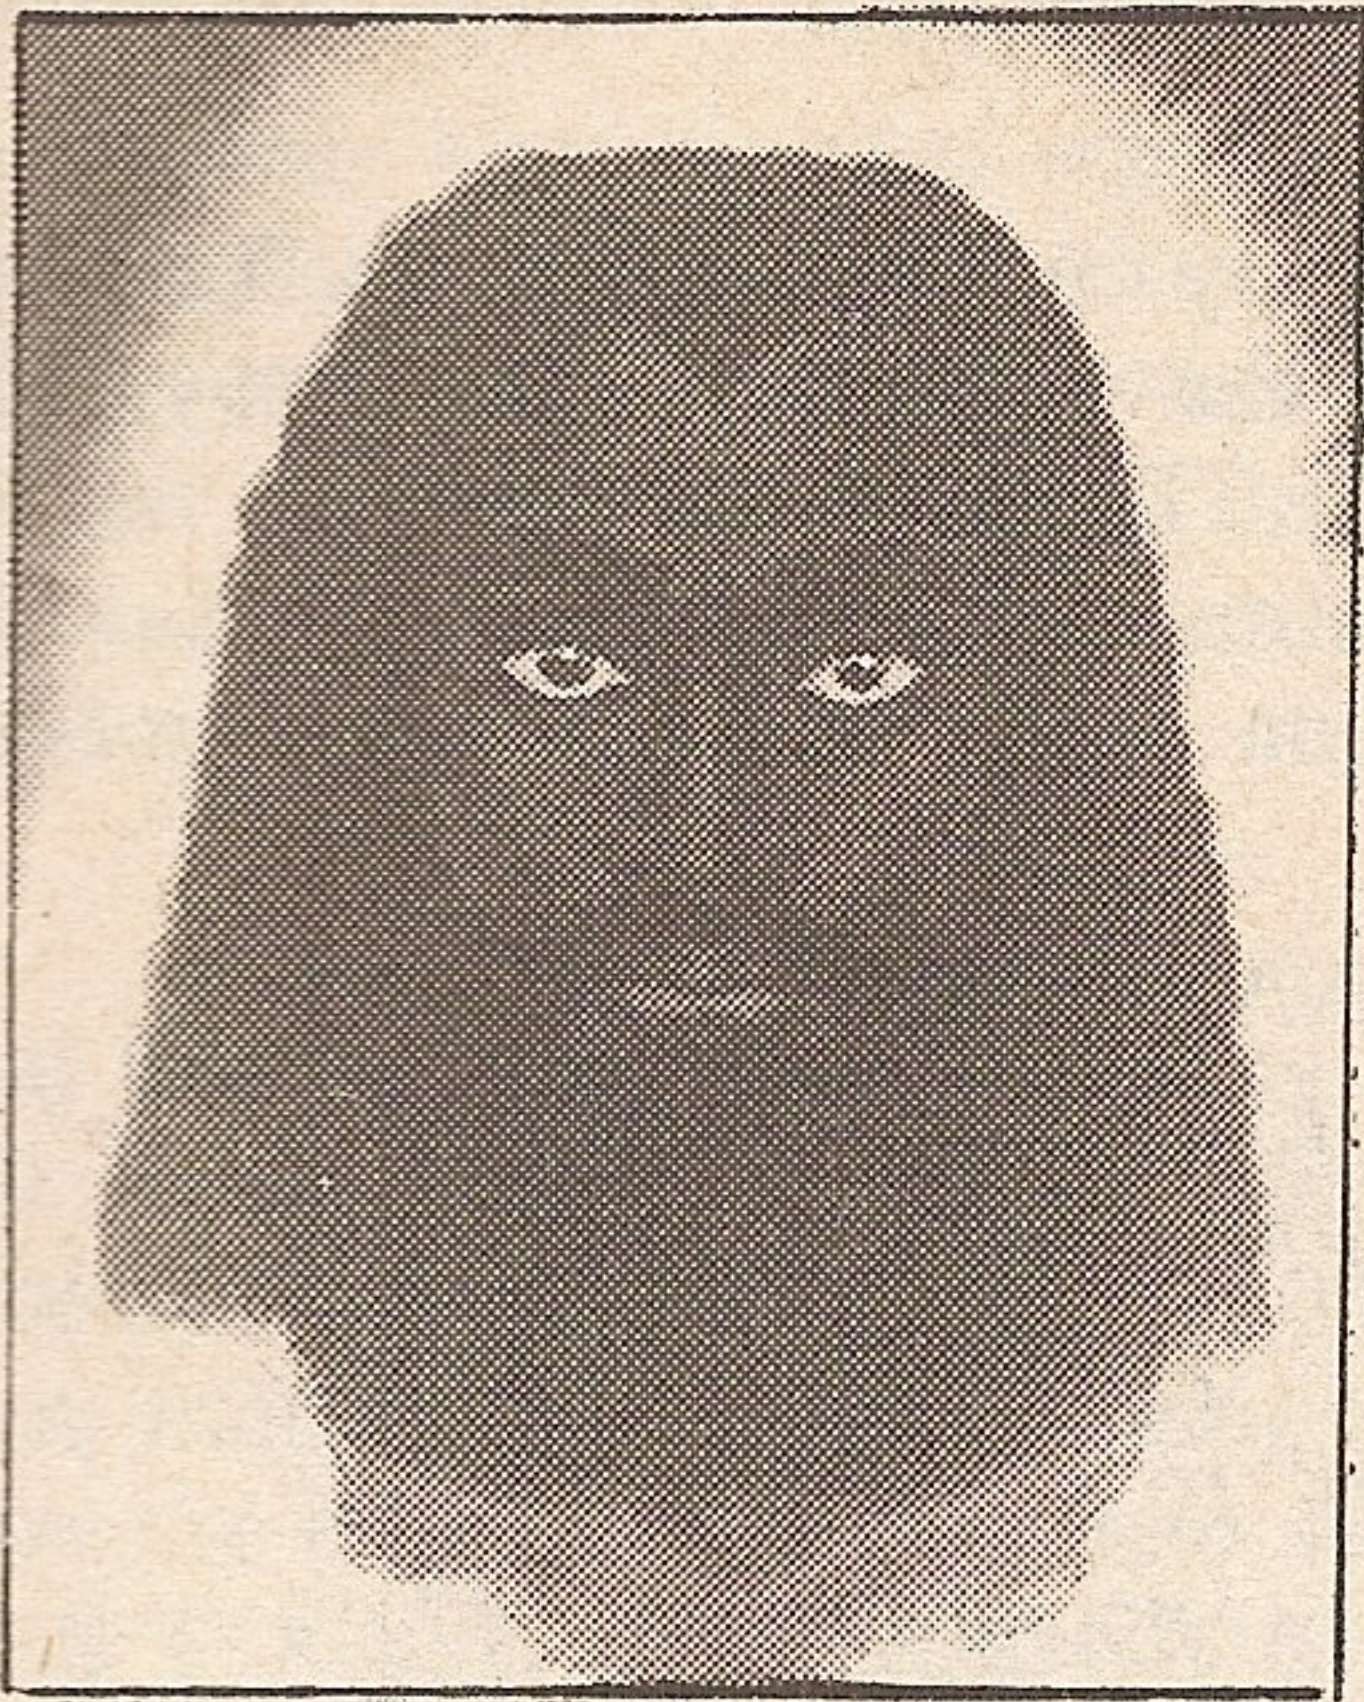

This tells you how and when you became Eloheem and what you had that made you like them; having the knowledge of right and wrong, agreeable and disagreeable. But now you lost that gift and must regain it by asking in prayer. Before that time there was no need to call upon Yahuwa because the knowledge was already within us.

However, man slowly began to transgress and lose that knowledge and Holiness as Eloheem, forgetting the existence of El Eloh and started worshipping the stars and idols. Corruption and violence began to overcome the planet Earth. Remember the first murder had already occurred with Cain, and as time went on, it got progressively worse.

Hence, mortals began to seek the assistance and comfort of Yahuwa of the Eloheem. How? Through prayer. Mortals then had developed a constant need to call out to the Most High, be it in adoration, confession, praise, or supplication which was when prayer first began.

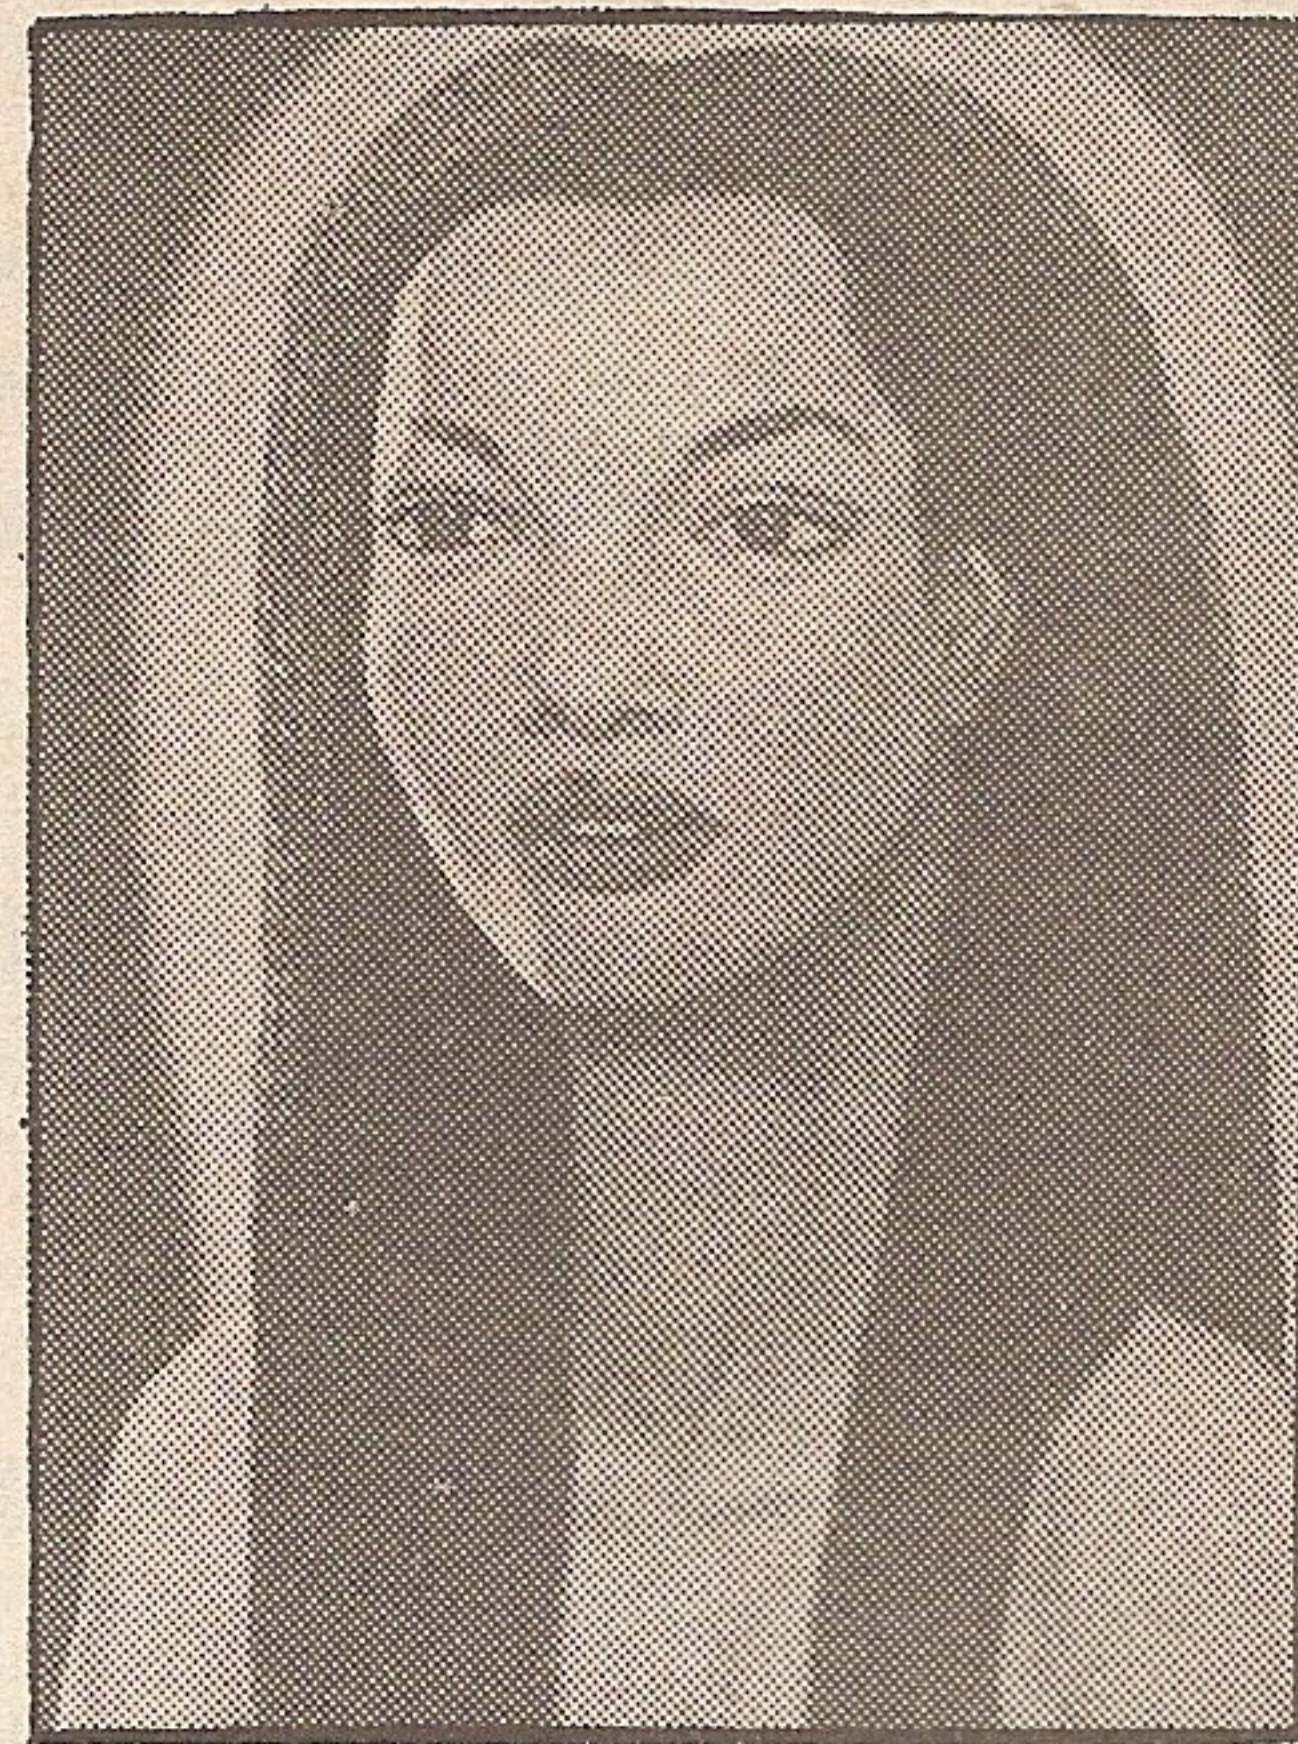

continue on next page

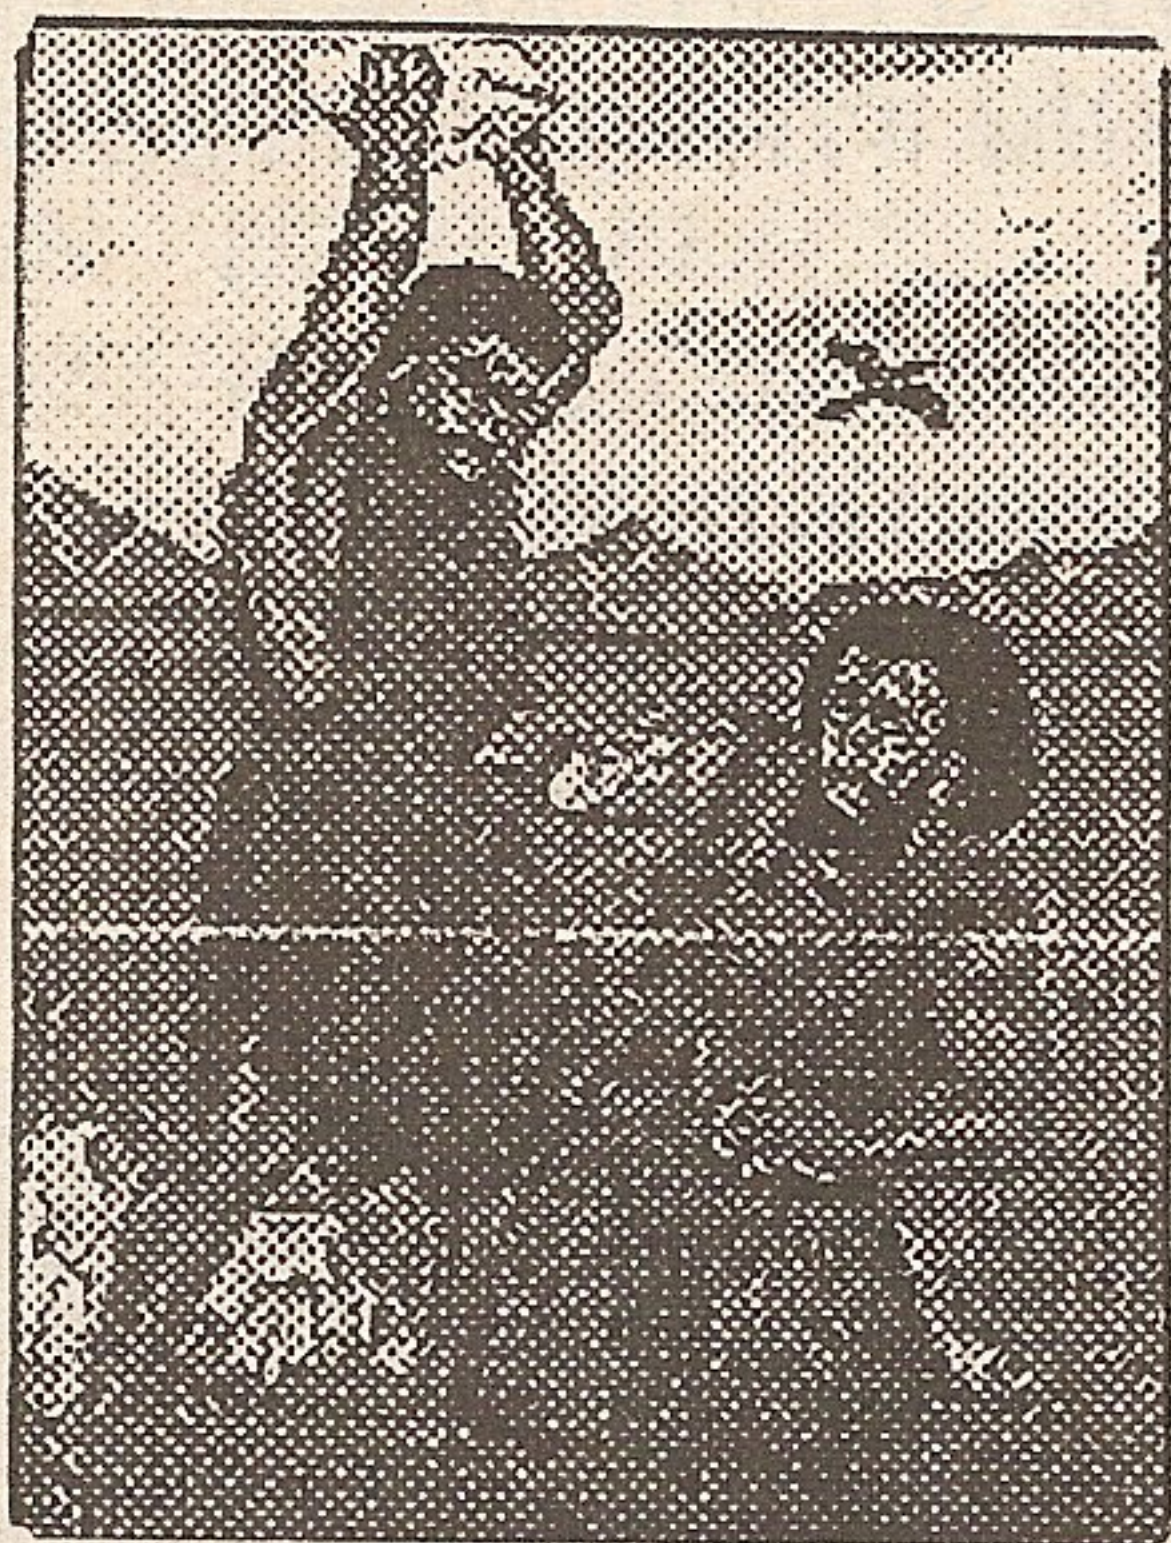

ADAM

Seth was the third son of Adam and Hawwah (*Genesis 4:25*) and was a replacement for Abel, which means "*breath*" who was killed by Cain his brother. Seth was the last of the Eloheem until the Sons of the Eloheem Anunnaqi (the agreeable Eloheem) came down and mated with the daughters of men (*Genesis 6:4*), which was after the Nephilians or disagreeable Eloheem came to the planet Earth (*Genesis 6:1-2*).

HAWWAH

CAIN MURDERING  
HIS BROTHER ABEL

Seth's son Enos was the first mortal to be born on the planet Earth. Their names are attributed to their lives. "Abel" means "*vapor or breath*". This is the spirit of life meaning his life was meant to be short. "Cain" means "*acquired*". Cain inherited the nature of the Nakhash, the Whisperer. Thus resulted in him killing his brother Abel. "Seth" means "*replacement*". Seth was a replacement for Abel. That's why it says in *Genesis 4:1* "I have begotten a man (*ish, איש*) with the help of Yahuwa." "Enos" means "*mortal man*" and tells us he was the first mortal. So prayer didn't begin with Abraham, it didn't begin with Jesus and it didn't begin with Muhammad. Prayer first began in the time of Seth as recorded in *Genesis. 4:26*

Because they were so light-skinned, the sun would actually burn their faces red. As a matter of fact, that area was not called Egypt before the Hyksos dynasty, it was known as Mitsrayim, however, when the light skinned people of Hyksos came along, the name Egypt or Egyptos was applied to them almost in the same way as the name "buckwheat" is applied to dark-skinned Nubians today.

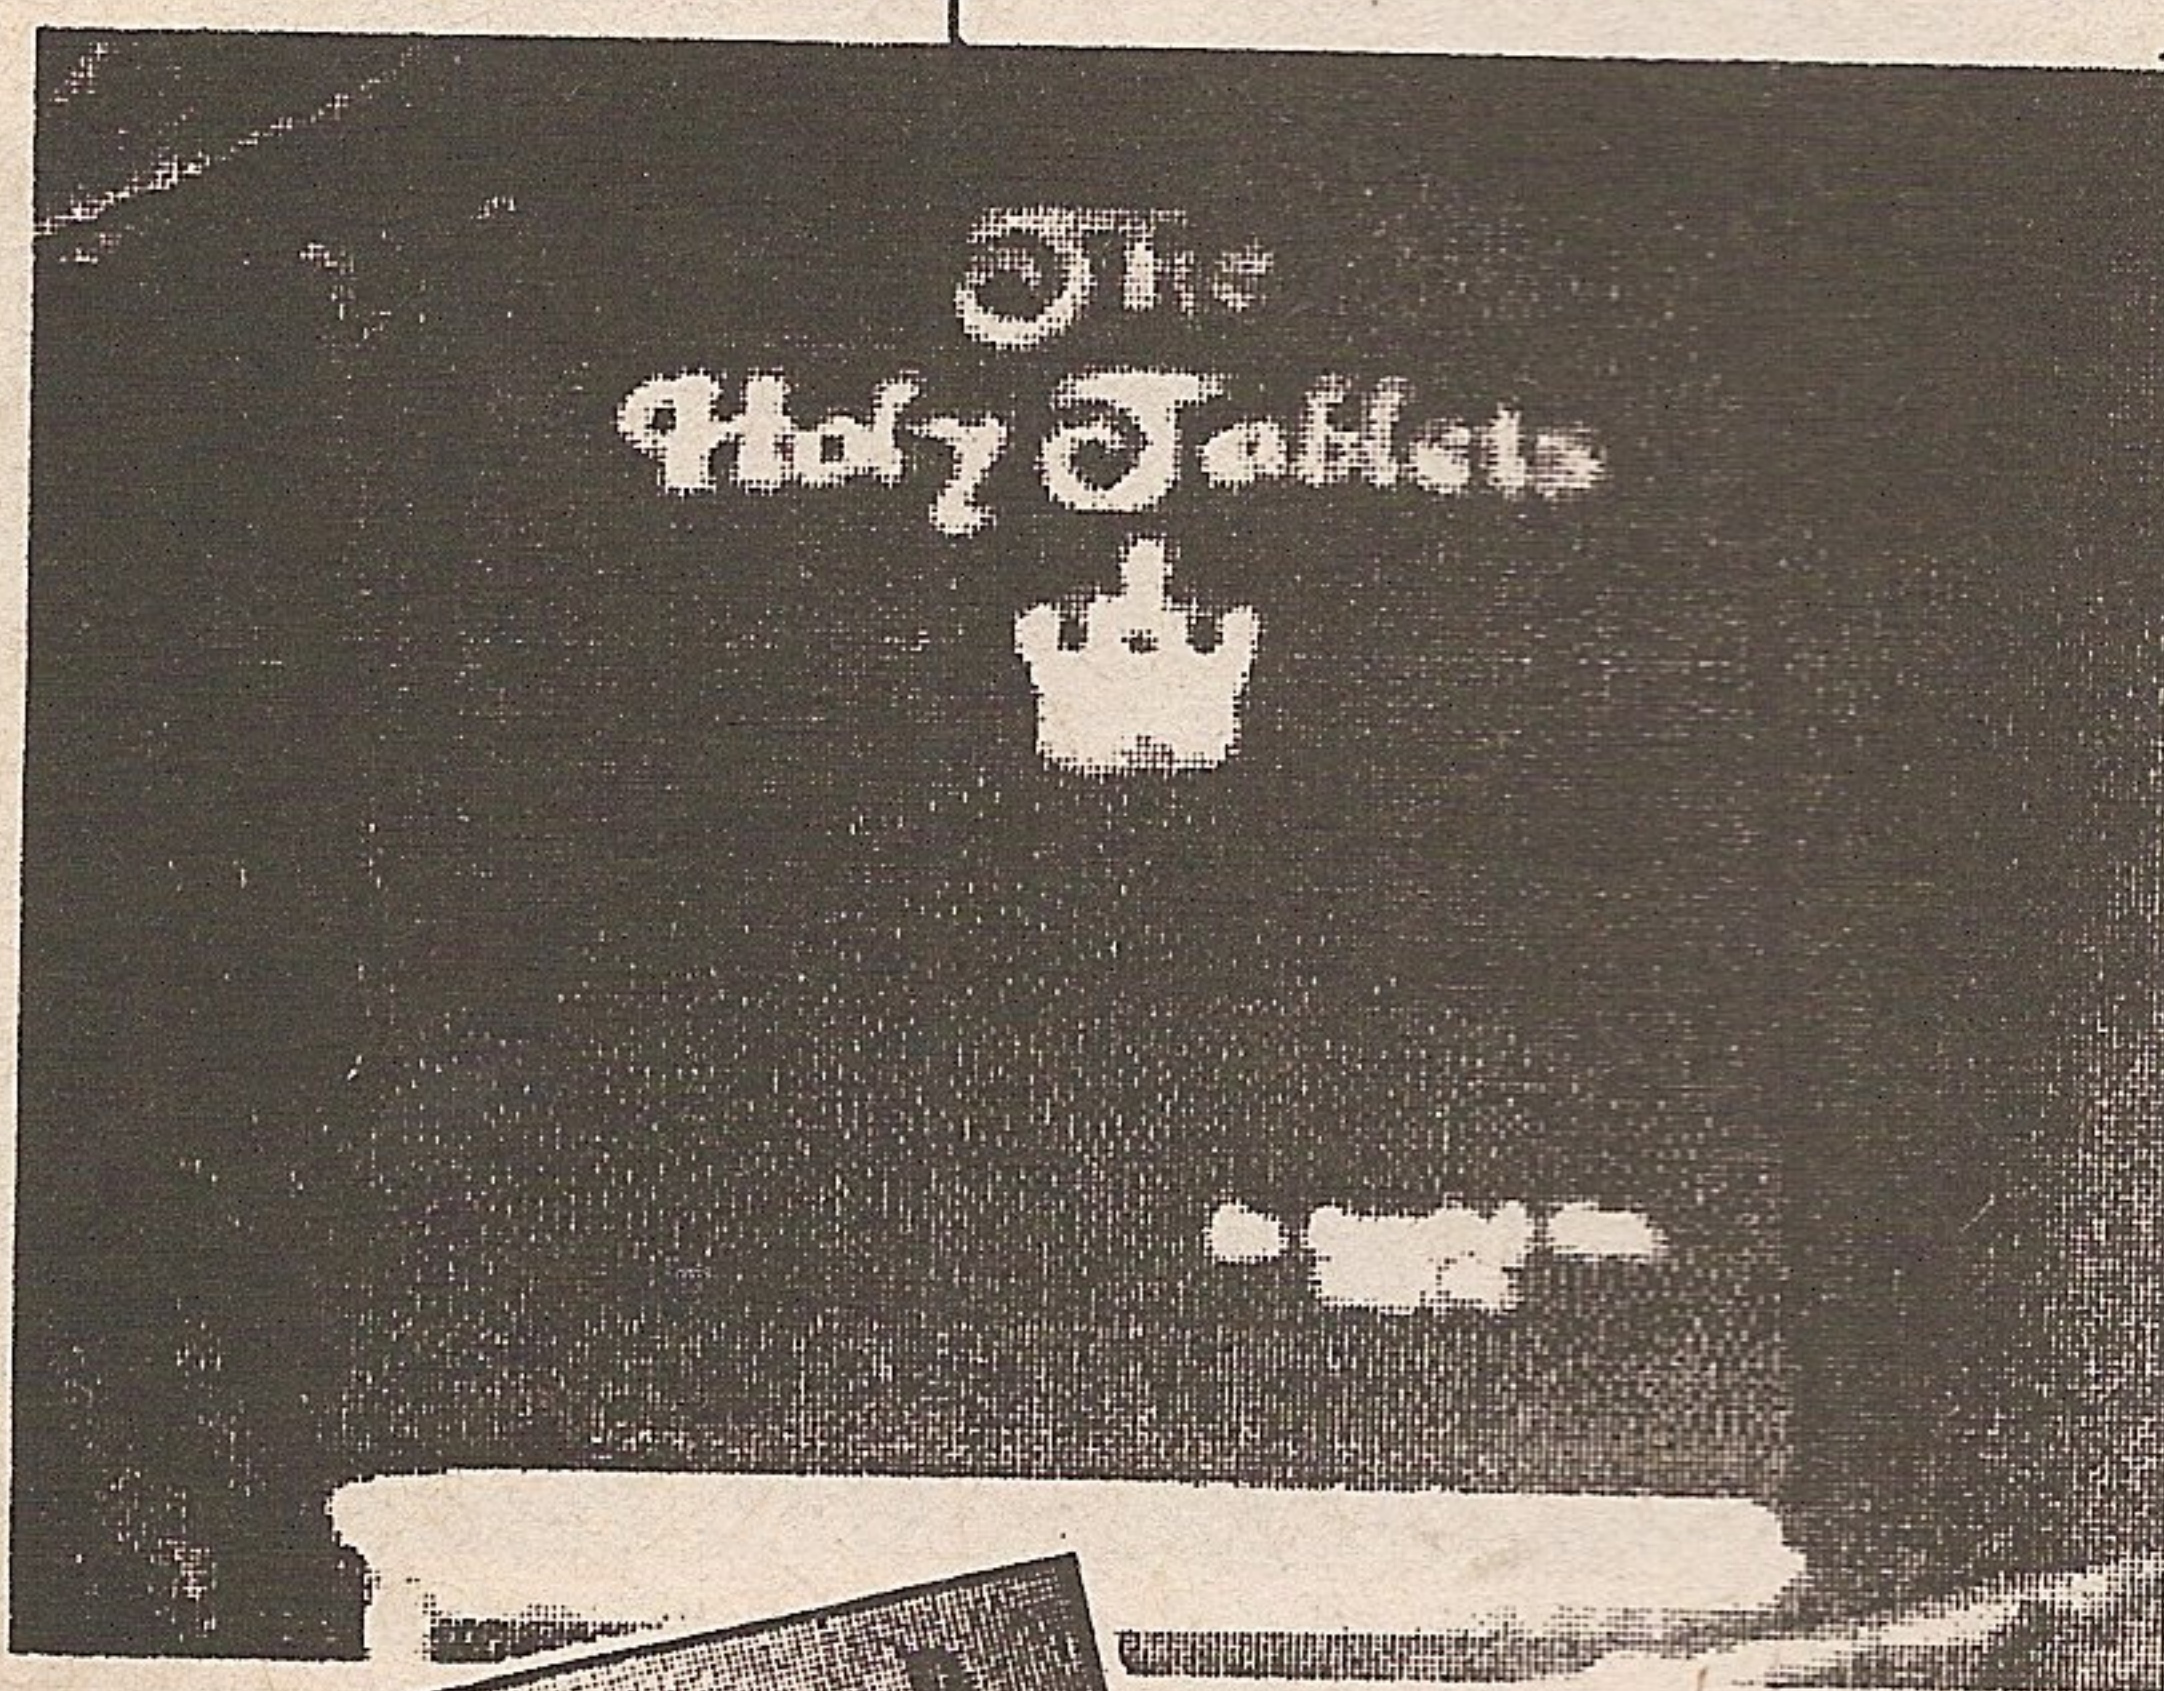

THE GREAT LIBYAN PHARAOH SHISHEK

Mizraim and Phut are the sons of Ham and Halima. Mizrayim was the father of all the families of northeast Africa. His first son, Ludim which means "strife," lived with Phut his uncle (Mizraim's brother), and his wife Lib, which is where the name Libya is derived from. The first settlers of Libya were the children of Phut. These people occupied the land area of northern Africa, west of Egypt. Then other Libyan peoples migrated from Egypt through the sons Ludim and Lehabim.

Mizrayim's offspring (*Genesis 10:13*) migrated to the continent of Africa and established a central government north of Nubia and east of Libya. Traces of Phut descendants are also found across the continent of Africa from Somalia to Senegal. As I mentioned earlier, Libya is the next door neighbor to Tunis where Hannibal ruled. From the Libyans who descended from Phut, came the great Pharaoh Shishak I son of Nemrat. He was also known as Pharaoh Sheshonq I. He served as a powerful military commander of Egypt. The mighty and powerful Pharaoh Shishak reigned at the same time with the great Ruler Solomon.

## Imaam Siraj Wahhaj Wakes Up

*continued from page 12*

REBUTTAL TO THE SLANDERERS PAMPHLET ED. #197, PAGE 114 - "FROM WHAT I CAN SEE THIS WHOLE THING IS A WAHHABI PLOT TO OVERTHROW ALL BLACK LEADERSHIP IN AMERICA...THEY'RE GOING TO ATTACK ...ANY PLACE WHERE THERE IS BLACK LEADERSHIP BECAUSE THAT IS THEIR TRUE PURPOSE...THEIR ULTIMATE GOAL IS TO DESTROY BLACK LEADERSHIP AND NOT ALLOW AL ISLAAM TO SPREAD IN AMERICA."

THE BOOK OF THE 5 PERCENTERS, PAGE 1 - "...PART OF THE WORLD WIDE PLOT MADE BY THE WAHHABI SECT OF SAUDI ARABIA; TO KILL ALL POTENTIAL BLACK (NUBIAN) LEADERS AND DESTROY ALL MUSLIM ORGANIZATIONS WHICH WERE NOT AFFILIATED WITH THEM."

The mistake Siraj Wahhaj made is when he opened himself up for criticism and said everyone can come and give him Nasiyha (good advice). By doing this he is setting himself up because the Saudi Arabians are now going to send Arabs in to attack him and the first thing they will attack is his Arabic because he is not fluent and they base everything on Arabic. His understudy Muhammad Abdul Malik knew more Arabic than him but he left masjid Taqwa and was sighted at the African Islaamic Mission's last Iyd dancing to African drums.

Siraj Wahhaj gave a lecture in Toronto, Canada and received a letter from an official in the Rabitat-Al-Alam-Al-Islami, office, the Muslim World League, because he was talking about King Fahd, Hosni Mubaarak, Prince Bandar, etc. The letter stated that he did the wrong thing. In his lecture he says,

"...THEY DIDN'T LIKE THAT. WHY YOU WANT TO TALK ABOUT KING FAHD? WE WANT TO TALK ABOUT KING FAHD BECAUSE WE HAVE TO TALK ABOUT KING FAHD. MUSLIMS HAVE A RIGHT TO CRITICIZE THEIR LEADERS AND TO GIVE NASIYHA (GOOD ADVICE). WE HAVE TO HAVE CONSULTATION."

This is just to show that the Wahhabi sect of Saudi Arabia thought he was their puppet and they had him under their rulership, but back in the genes of Siraj Wahhaj is Jeffrey 13X an ex-follower of the Messenger Elijah Muhammad and latent in him is the "you can't tell me what to do" attitude, so eventually he got tired of listening to you Arabs.

Clarence 13 X  
Founder Of The  
5% Nation

Mes. Elijah Muhammad  
Founder Of The  
Nation Of Islam

Also, in the same lecture, Siraj Wahhaj is informing his congregation that the Muslim World League is creating a new Islaam.

Dictated from Siraj Wahhaj lecture:

"BROTHERS AND SISTERS; MUSLIMS ARE GROWING IN A WAY IN SOME EUROPEAN COUNTRIES. EVERY ONE OUT OF TEN PEOPLE (ARE) MUSLIMS, AND THEY'RE CONCERNED WHAT (THEY'RE GOING) TO DO ABOUT IT? ONE OF THE WAYS THEY CAN DO IT IS CREATE A NEW ISLAAM. THEY'RE GOING TO SEND ADVISORS IN EX: (THEY SENT JEFFREY SAX TO RUSSIA. HIS JOB IS TO GET THE HEIR OF THE LEADERSHIP OF RUSSIA TO GIVE THEM ADVICE ABOUT THE ECONOMY.) THE PLANS OF THESE PEOPLE NEVER STOP. IF YOU THINK THAT ALL YOU HAVE TO DO IS JUST BE IN THEIR SYSTEM...THESE PEOPLE WILL NEVER PLAY FAIR RULES, BECAUSE THE BOTTOM LINE IS THEY HAVE TO STOP THE MUSLIMS."

This is something I stated years ago in 1989 A.D. in the pamphlet, "Rebuttal To The Slanderers" edition #197. I told you all the Wahhabi sect of Saudi Arabia, and the Muslim World League are creating a new Islaam, however, over the years I've come to the realization that unless you hear it from someone other than a Nubian man, you will not believe it.

Rebuttal To The Slanderers edition #197, Page 446 - "The Wahhabi sect... They are not concerned about heretics for they are the ones who are breeding this type of mentality and are subtly introducing modernization and emulating the West... Al Islaam is the largest and fastest growing religion worldwide today. However, it is unfortunate that it is being turned into an idolatrous religion just like Christianity."

Also, a recent article entitled "Europe's Home Bred Imaams Preaching Tolerance" in the New York Times newspaper states (in part):

"...THE SOLUTION IS TO CREATE A EUROPEAN FORM OF ISLAAM THAT CAN CO-EXIST COMFORTABLY WITH WESTERN SOCIETY SHAPED BY CHRISTIAN TRADITIONS. TO THIS END, THE EUROPEAN INSTITUTE FOR HUMAN SCIENCE PLANS TO FORM A NEW GENERATION OF IMAAMS OR MUSLIM RELIGIOUS LEADERS WHO WERE BORN IN EUROPE

(FRANCE) WHO SPEAK ITS LANGUAGE, WHO UNDERSTAND ITS CUSTOMS. WHAT WE NEED IS A MODERN AND MODERATE ISLAAM."

What I am trying to get you Orthodox Sunni Muslims to realize that the Wahhabi sect of Saudi Arabia is not the least bit interested in the Nubians of America. They only care about their families. What kind of schools have they set up for the education of your children? None, but their children have a school in Virginia and imported teachers. Have they put money forth for the progression of your masjid? No. You still have a store front dump! All the billions of dollars Saudi Arabia and Riyadh have why is it not coming to your aid? Siraj Wahhaj is informing his congregation in his lecture that they have to cut off all ties with the western world. Dictated from Siraj Wahhaj's lecture, "Who Are Your Advisors."

"THE MORE WE ATTIRE TO THE WESTERN WORLD, ALLAH IN MY OPINION IS BRINGING IT DOWN ITS CRYSTAL CLEAR TO ME. ALLAH IS BRINGING THEM DOWN. BUT THE POINT IS, WHAT ARE WE GOING TO DO ABOUT IT. IF WE ARE TIED TO THEM AND IF THEY GO DOWN THEN WE GO DOWN WITH THEM...I BELIEVE THAT IF THE MUSLIMS GET TOGETHER, ALLAH WILL HELP US EVEN IN THIS ECONOMY RIGHT NOW. WHAT'S HURTING US IS THAT WE DON'T BELIEVE IN ALLAH. WE WON'T CUT OURSELVES LOOSE FROM THESE PEOPLE BECAUSE WE DEPEND ON THEM."

Revelation 18:4 (in part) it states;

"AND I HEARD ANOTHER VOICE FROM THE ORION SKIES SAYING: LEAVE HER, OH MY KINDRED, SO THAT YOU DON'T BECOME A BINDER OF PARTNERS WITH HER IN HER SINS, SO THAT YOU ALL WILL NOT GET HER PLAGUES."

For years I've been saying cut off all ties with the western world. To move out of the city and get your own land so when the plagues come you will not be a part of it. This was all part of their plan to lead your children off the path of righteousness and for the messiah not to return. All their Pakistanian, Saudi Arabian, etc. teachers would come over here and teach you all their incomprehensible and confusing doctrine based on the hadith to keep you suppressed and too busy to learn Milla Abraham. They know *Matthew 24:27* states that "For as the lightning comes forth from the east, and is seen even to the west; so shall be the coming of the Son of man."

I am not writing this article to put Siraj Wahhaj down. I am merely writing it for the sole purpose of showing the public that he is starting to wake up to the light and is having a change of heart. What I teach must have affected him because the things he is saying and realizing now, I said in my books years ago. Do not alter my motive. In your lecture, you said you want everyone to give Nasiyha (good advice) to the Imaam of Masjid Taqwa so this is just my way of giving Nasiyha (good advice) to you. I do not dislike you Siraj Wahhaj. However, I cannot sit back and watch you lead the souls of many of my people astray. I hope by now you have awoken totally to the truth and come home before it is too late.

# THE TWO GOLIATHS

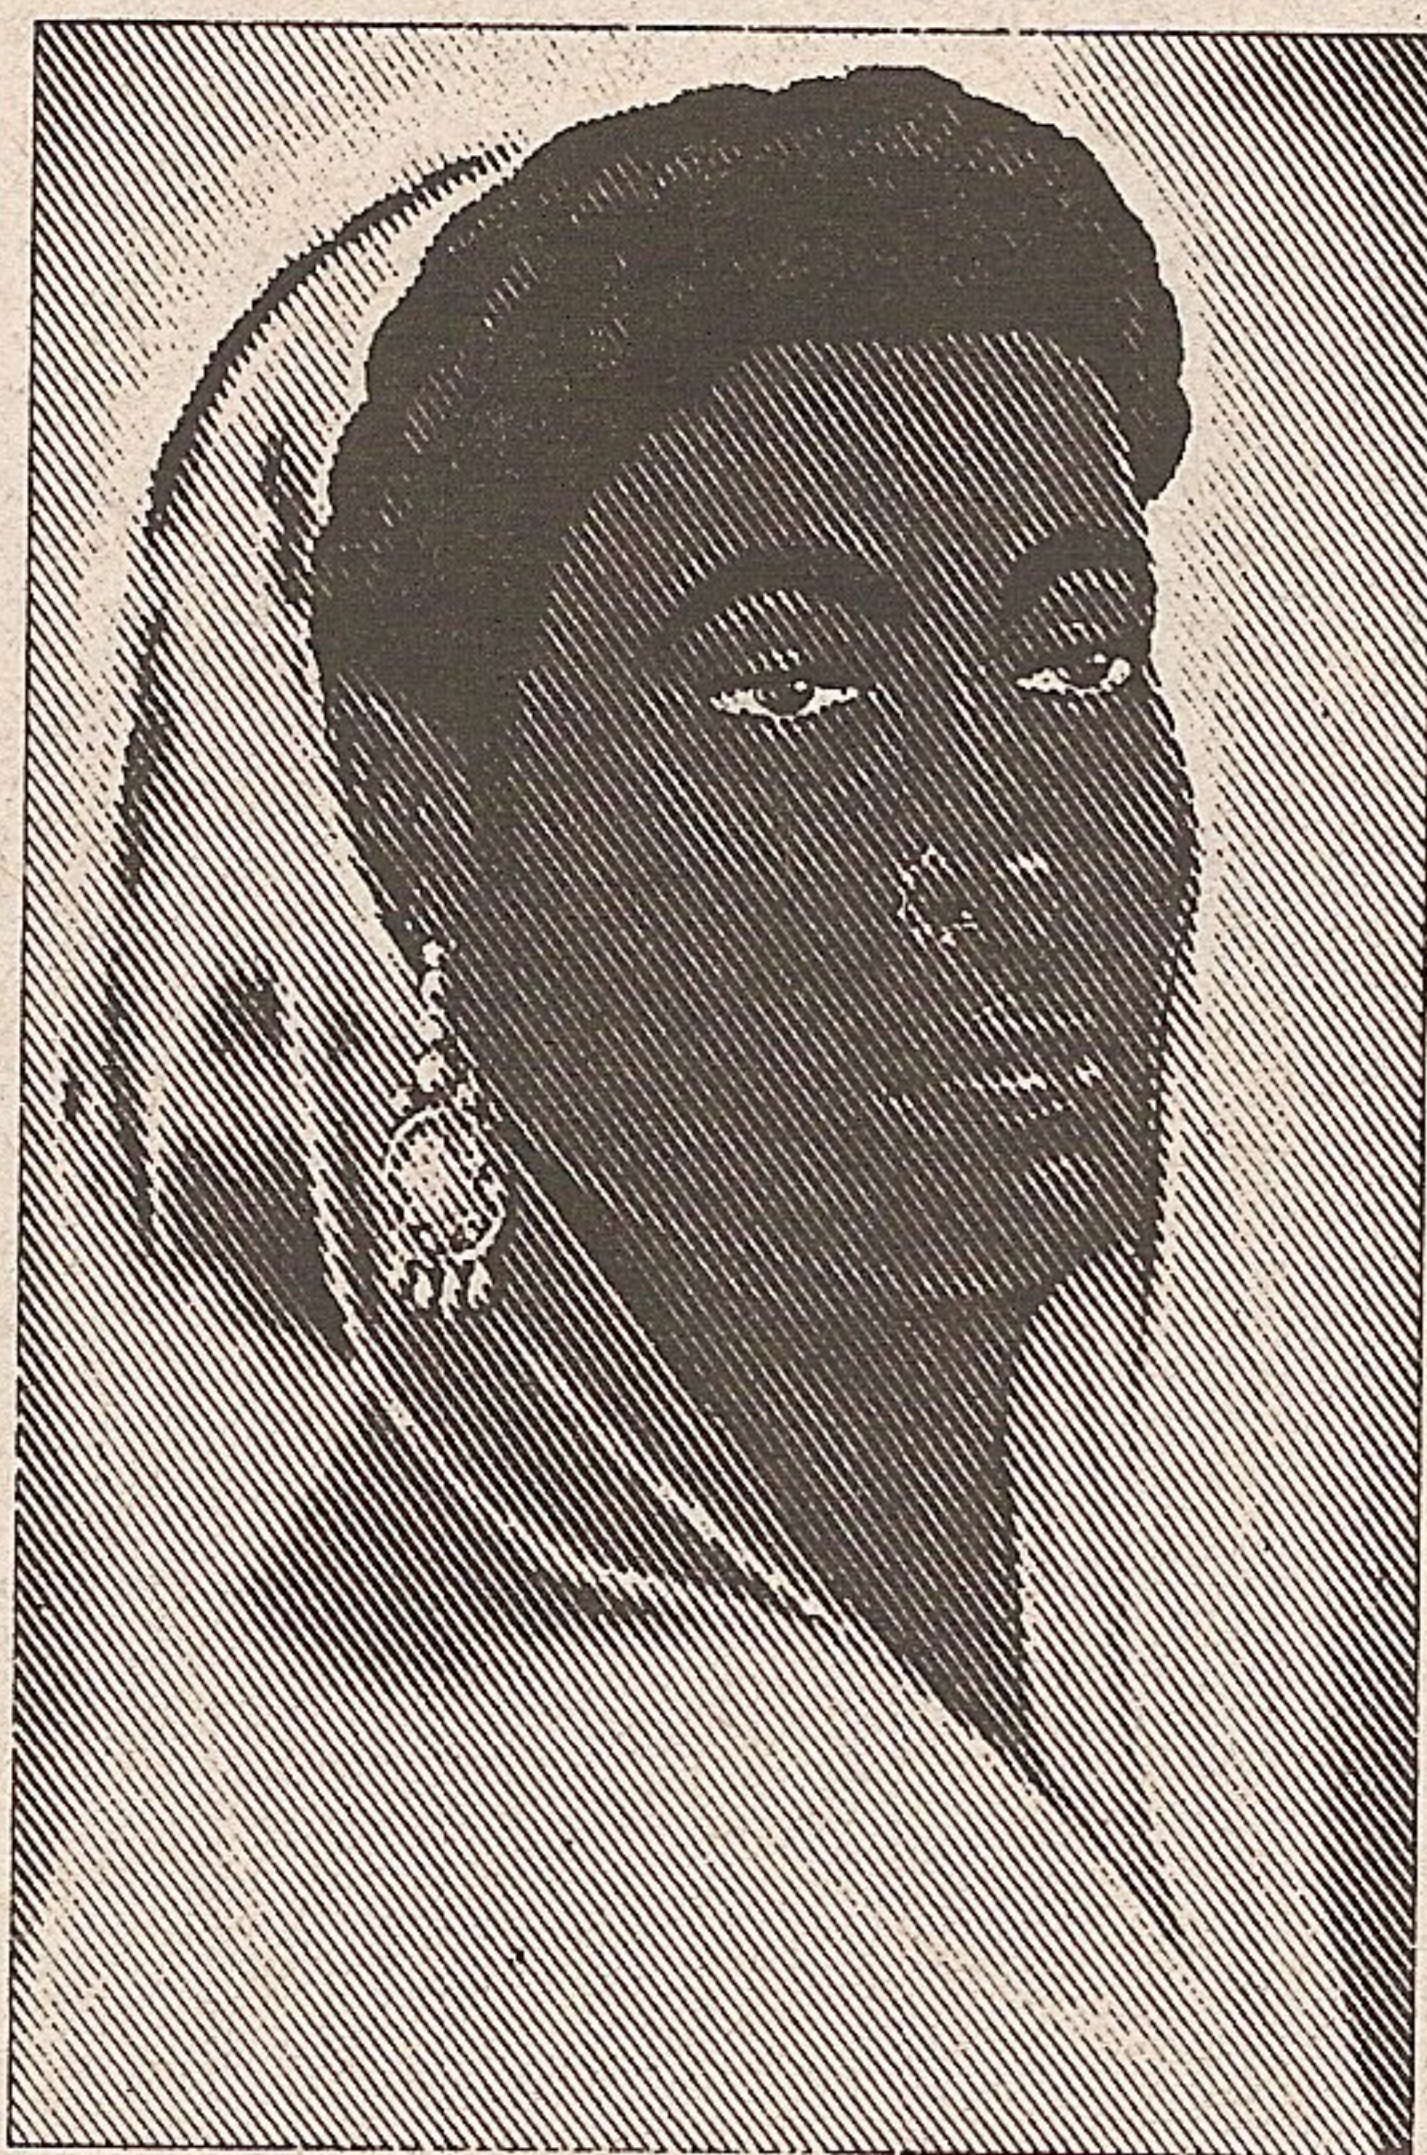

People are unaware of the fact that there were two men named Goliath mentioned in the Scripture. The Goliath who was killed by David in his youth is stated in *1 Samuel 17:50*. His father's name was Goliath also, and he was the son of Mahmud.

**ORPAH**  
wife of mahmud

Naomi was from Bethlehem (*Ruth 1:2*). She had two sons, Mahlon who married Ruth, and Khillon who married Orpah (*Ruth 1:3*). Both sons were married for (10) ten years, and within that time period they died, leaving Ruth and Orpah widows and childless. Orpah returned to her mother's house, which was the custom for widowed women,

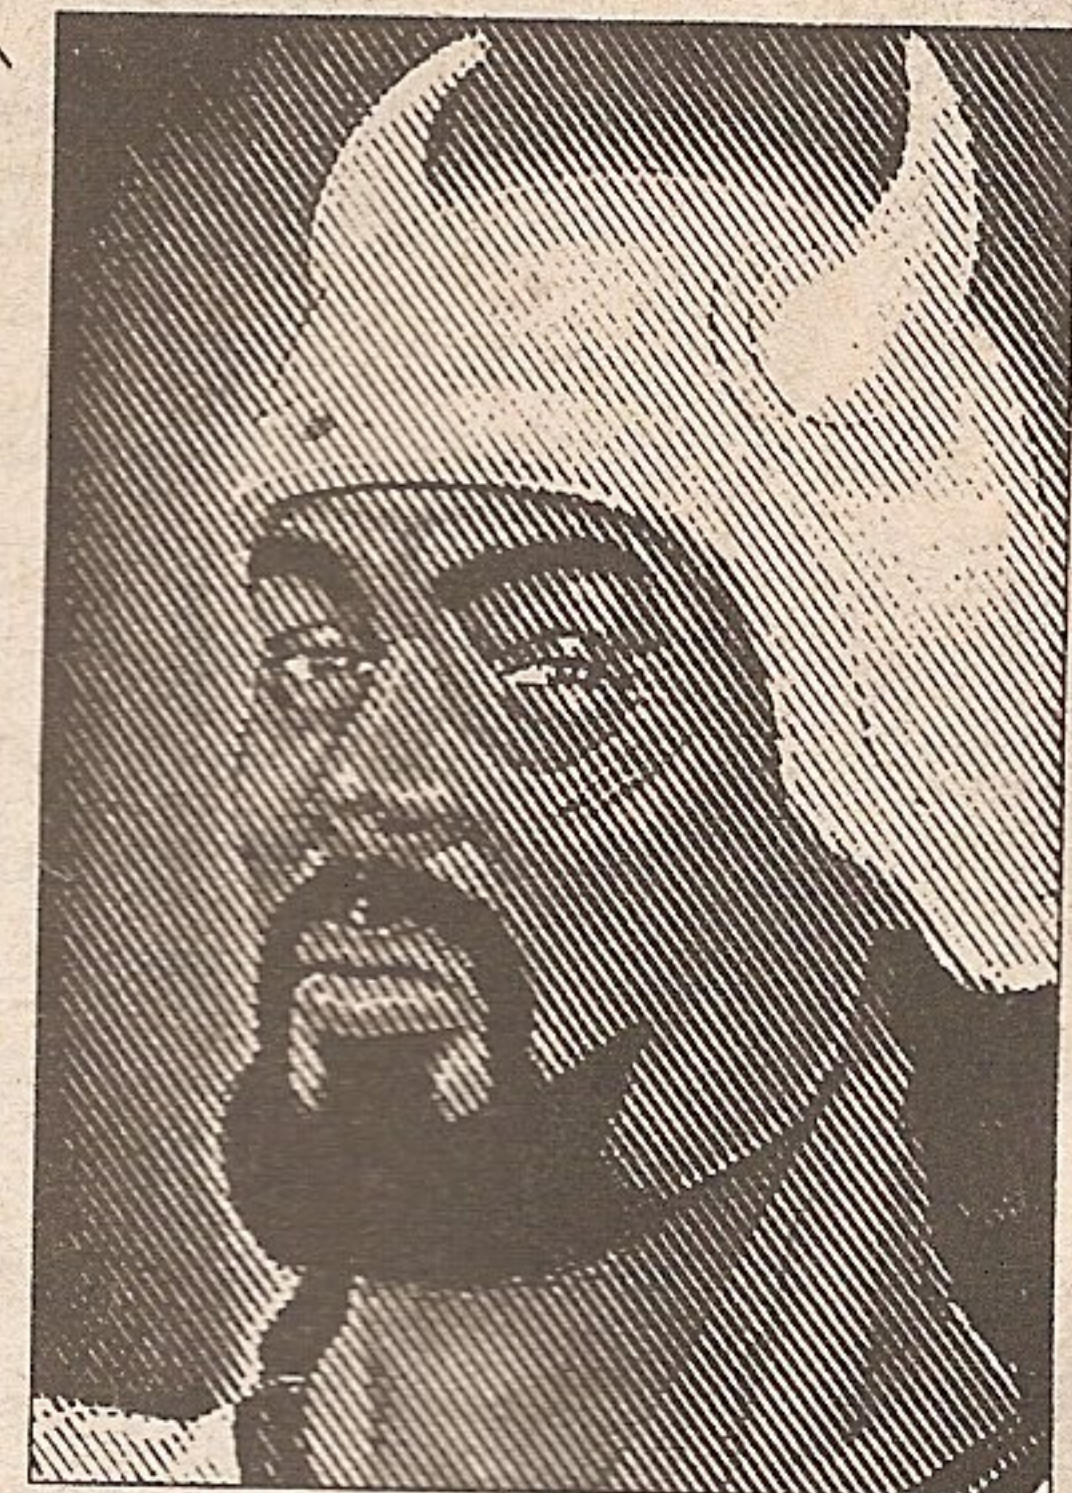

The descendants of Goliath son of Goliath son of Mahmud can be traced back to Orpah, a Moabite woman abducted by an Anaqite named Mahmud. She is the grandmother of Goliath (son of Goliath) who you'll find in the story of Ruth. A woman named Naomi was the mother-in-law of Ruth and Orpah (*Ruth 1:4*)

**NAOMI**  
Mother-In-Law  
of Orpah

but Ruth went against the custom, went to Bethlehem and stayed with her mother-in-law. Orpah was abducted by an Anaqite named Mahmud, who forced her to be his wife. She bore Mahmud four sons and all of them were giants. Their names were: "Ishi-benob" meaning, "my dwelling place is in Nob", (*2 Samuel 21:15-16*), "Saph" meaning, "Threshold" (*2 Samuel 21:18*), "Goliath" meaning, "soothsayer" (*2 Samuel 21:19*), and "Farth" meaning, "obligatory" (*2 Samuel 21:20*). Goliath son of Mahmud, married a woman named "Firkin" meaning, "mathematician". Firkin gave birth to two sons, the first son was named Goliath after his father and the second son Lahmi.

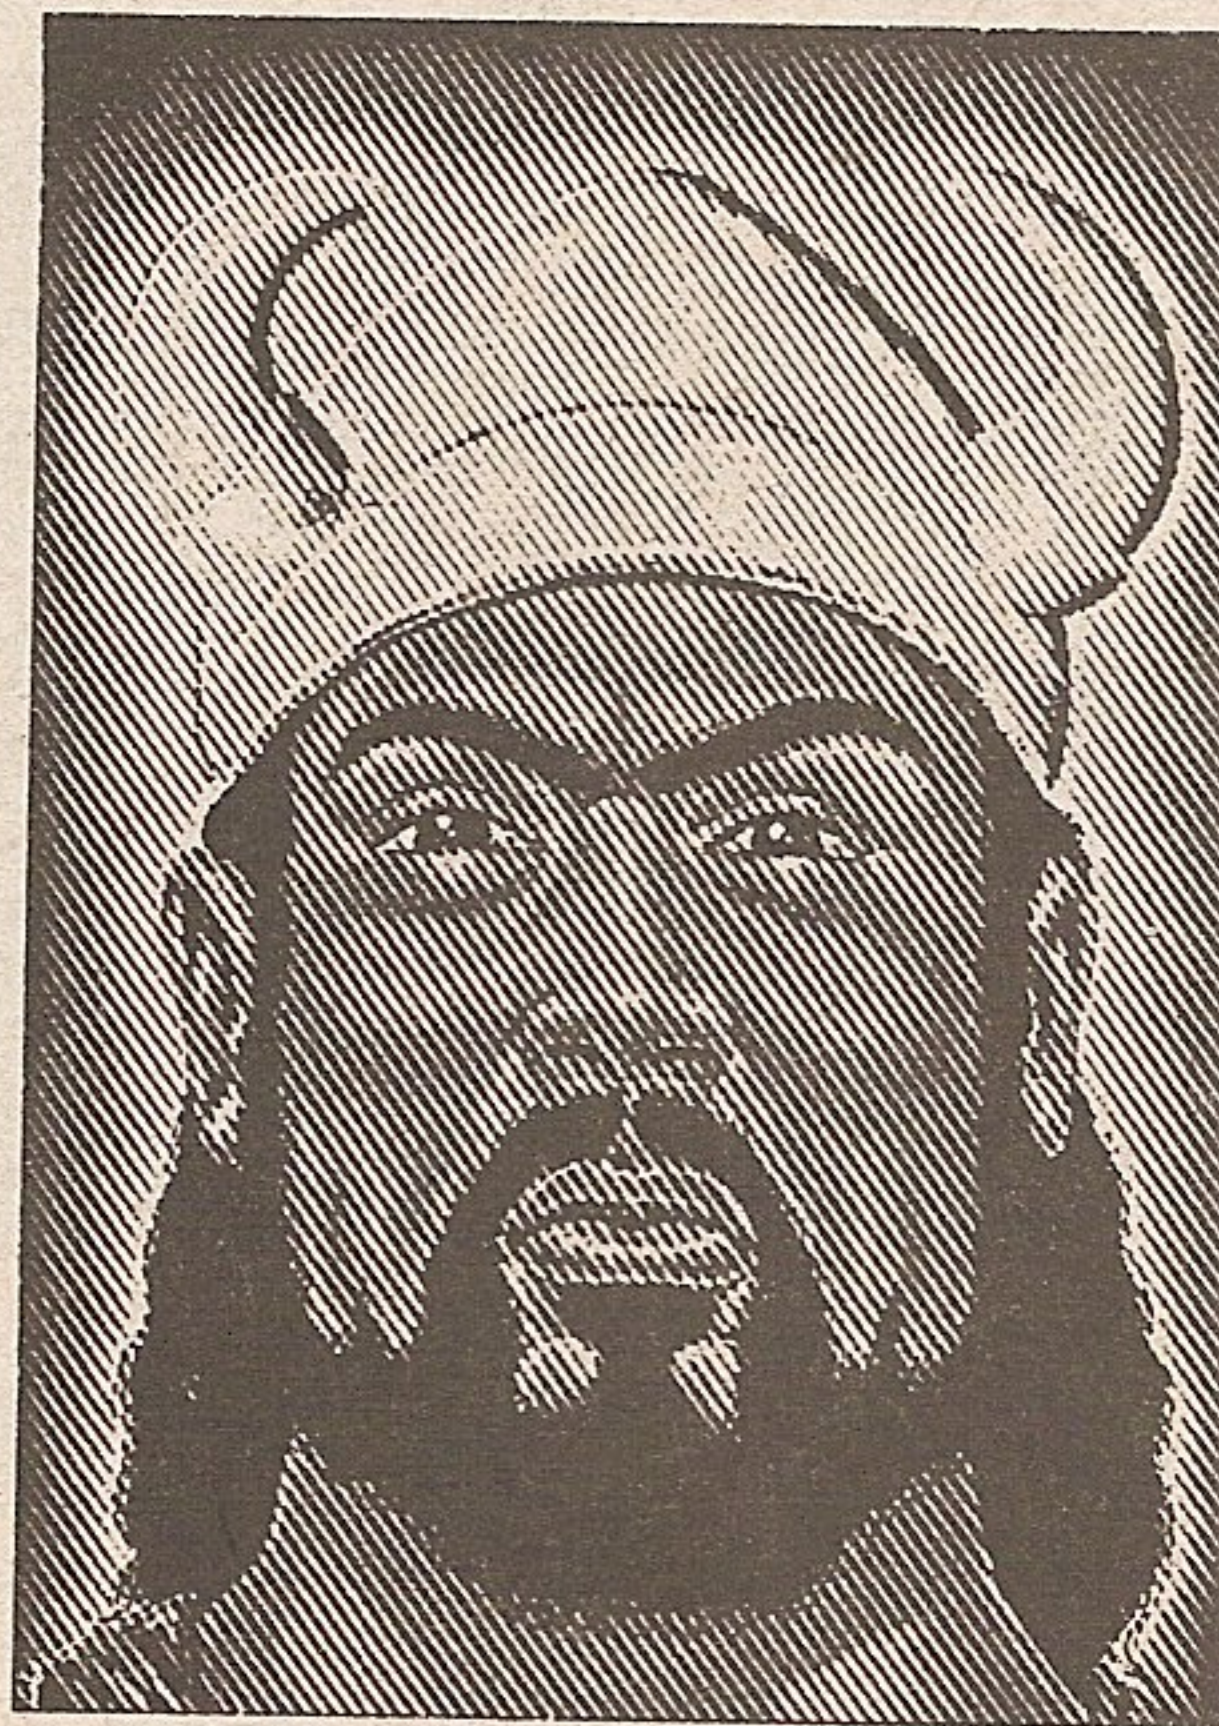

Goliath son of Goliath, challenged the army of the Israelites to a battle, (*1 Samuel 17:8 & 9*) he proposed, if one man from the army was able to kill him,

**GOLIATH**  
son of Mahmud & Orpah

The Philistines would become servants to the children of Israel, but if Goliath killed the man chosen for this task, the Israelite would become slaves to the Philistines. No one was brave enough to accept this challenge, that was offered for forty days and shadow hours. They were greatly afraid. Goliath stood over 7 feet tall and wore a bronze helmet a coat of armor weighing over 5,000 shekels (coins, money), and had a bronze javelin on his shoulders.

While David son of Jesse and Hilmah, was still a boy, he was sent on his fathers request, to carry bread and cheese to the commanding officer. While there he ran to the battle field to see how his brothers were. After returning from the battlefield David made an inquiry as to what the reward would be for the one that freed Israel from the persecution of the Philistines. The reply was: "a big reward, the hand of the king's daughter, and his family would not have to pay taxes". At first they refused to allow David to go since he had no

**GOLIATH**  
son of Goliath & Firkin

experience in fighting, and Goliath had been fighting since childhood. Finally Ruler Saul gave into David's, plea. David knew that Yahuwa had never failed to aid him before when going up against foes bigger than

himself, and David knew he would receive help this time. While on the battlefield, David informed Goliath, son of Goliath he would be defeated this day and his head severed from his body. As David reached into his bag of pebbles he took out a smooth stone, that was shot straight in the middle of the forehead of Goliath (son of Goliath) and cracked his skull causing him to fall down dead, on his face and David cut off his head.

## The Two Goliaths *continued*

Goliath son of Goliath died before his father Goliath (son of Mahmud) and his father's three brothers (Ishbi-benob, Saph & Farth) (2 Samuel 21:16-22), which is the reason you see the name Goliath in 1 Samuel 17:8 and 2 Samuel 21:19. The Goliath (son of Goliath) of 1 Samuel 17:50 was killed by David son of Jesse as a youth. The other Goliath (son of Mahmud) of 2 Samuel 21:19 was killed after David was on the throne as ruler, when he no longer went out to fight, under the advice of his men of the army. (2 Samuel 21:16 & 17). Goliath son of Mahmud was killed along with Mahmud's second son, Lahmi in the same war (the battle at Gob) by a Bethelomite named Elhanan (2 Samuel 21:19, 1 Chronicles 20:5-8).

HAILE SELASSIE

## IS HAILE SELASSIE CHRIST?

We are now dealing with those Cushite Coptic Hebrews who are trying to identify with Ethiopia or are trying to support Haile Selassie by making him seem like a deity. In most cases, he's referred to as: Haile Selassie I, Elect of "god", King of Zion, Negusa Negast (King of Kings), the Conquering Lion of the Tribe of Judah, and Emperor of Ethiopia. They've given him a lot of titles but he was just a typical Christian man. Yes, he was the Emperor of Ethiopia but that's all he was. He was not a worldwide influence and not a spiritual influence. He was not a messiah or a son of YHWH. He was also not a religious man, therefore he was not a religious influence. He was a lawyer. He was known to be a tyrant. If you read his history you would see that he was a strategist. He wanted power at a young age.

Do you mean to tell me "god" comes down to the planet Earth, or Yashua (Jesus) returns to the planet Earth, and becomes a lawyer? Come on! Haile Selassie was born in Harar province, Ethiopia, not in Jerusalem. He was born; he did not come down as Yashua (Jesus) went up. He had a beginning of days when he was born July 23, 1892 A.D., and an end of days when he was killed in 1975 A.D.

He received a western education at a French Catholic mission in Harar. In 1910 A.D. at the age of 18, Haile Selassie was appointed governor of Sidamo, a city in Ethiopia. In 1912 A.D., before he became 20 years old, he was the Governor of Harar, Muleta and Sahli. In 1928 A.D., at the age of 36, he became ruler of Shoa and in 1930 A.D. at the age of 38, he was crowned Emperor of Ethiopia.

Ethiopia is not the whole world, just one small place. As you can see, Haile Selassie was not born a ruler. He worked his way up. You mean to tell me "god" has to go through all this to rule Ethiopia?

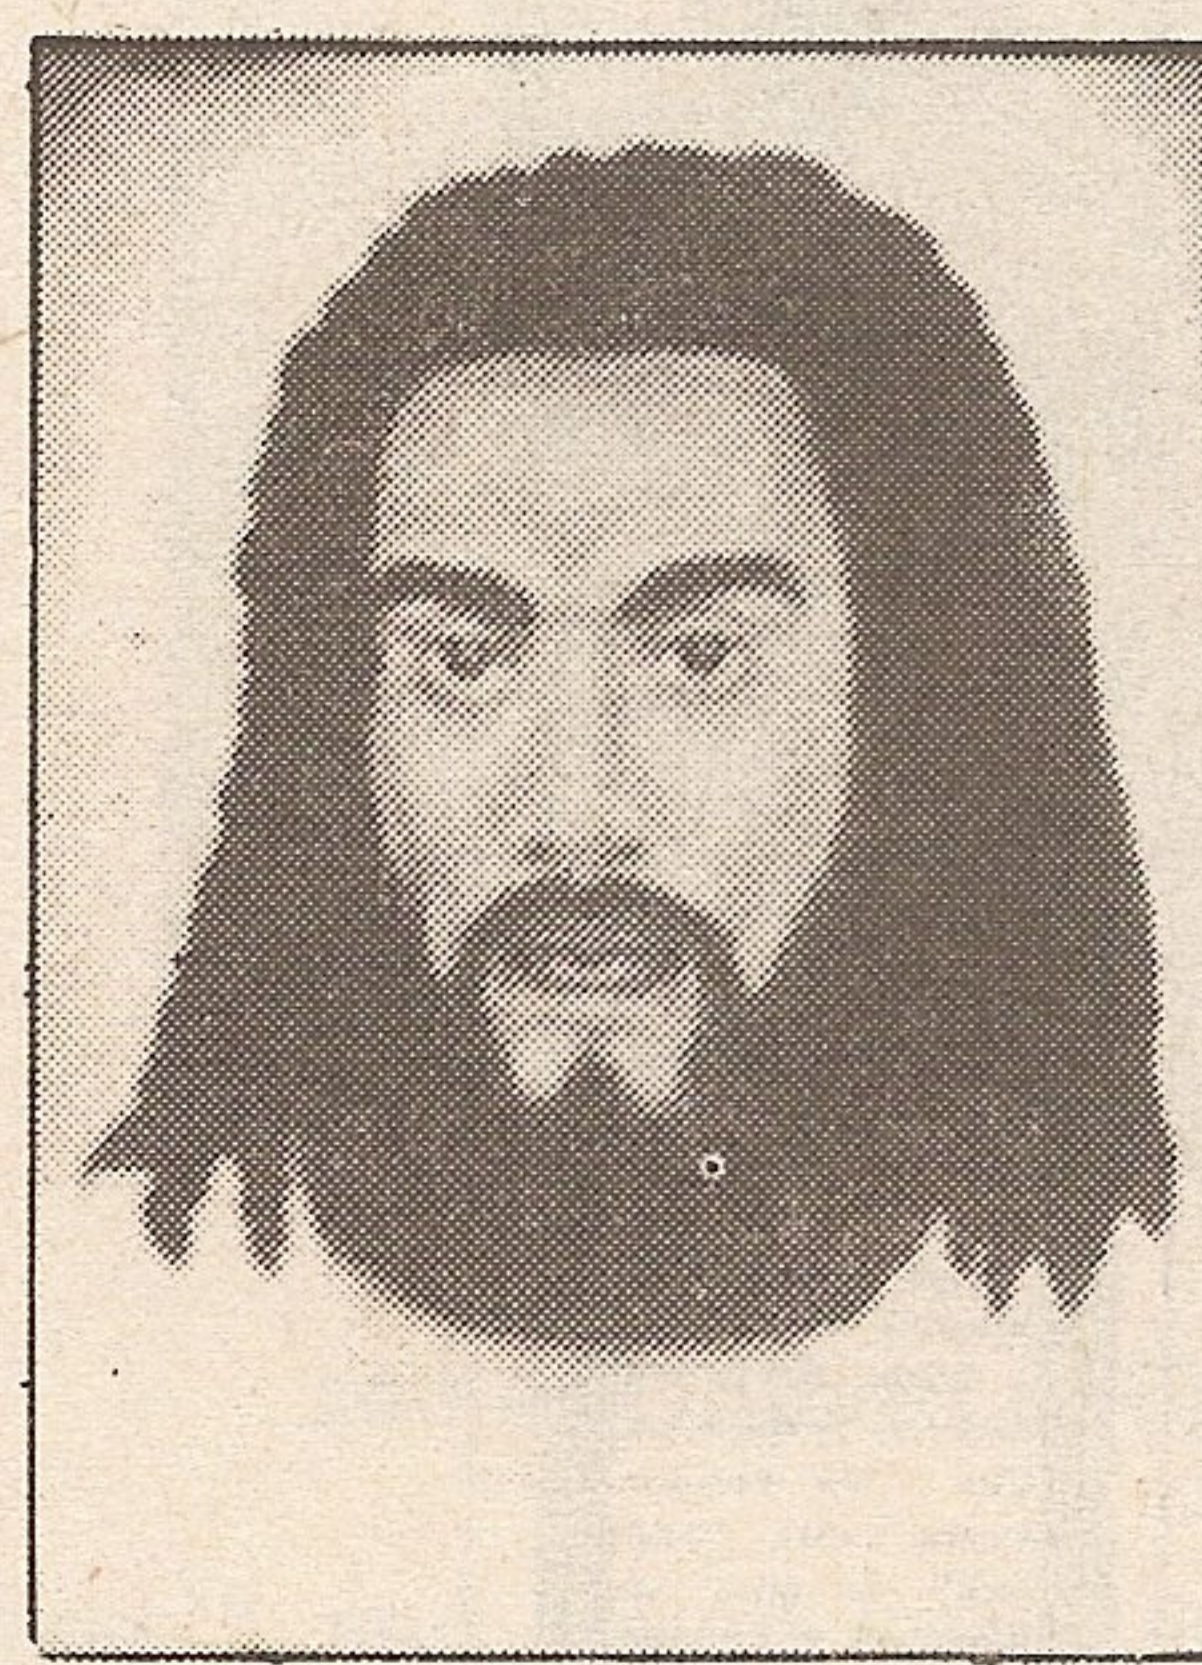

He was the nephew of Menelik II who took on this name centuries after Menelik I. Menelik I was supposedly the son of Solomon and Makeda, the Queen of Sheba, of which the Haile Selassie's family claims descendancy. After Menelik II's death in 1913 A.D., Haile Selassie, along with Menelik II's daughter Waizeru Zaudito, succeeded his reign. Menelik II's grandson, Lij Yasu had succeeded him first before Selassie and Zaudito, but he (Lij Yasu) was deposed from the throne, for trying to change the country's religion from Coptic Christianity to Muhammadism.

Waizeru Zaudito

Ruler Solomon

Makeda  
Queen of Sheba

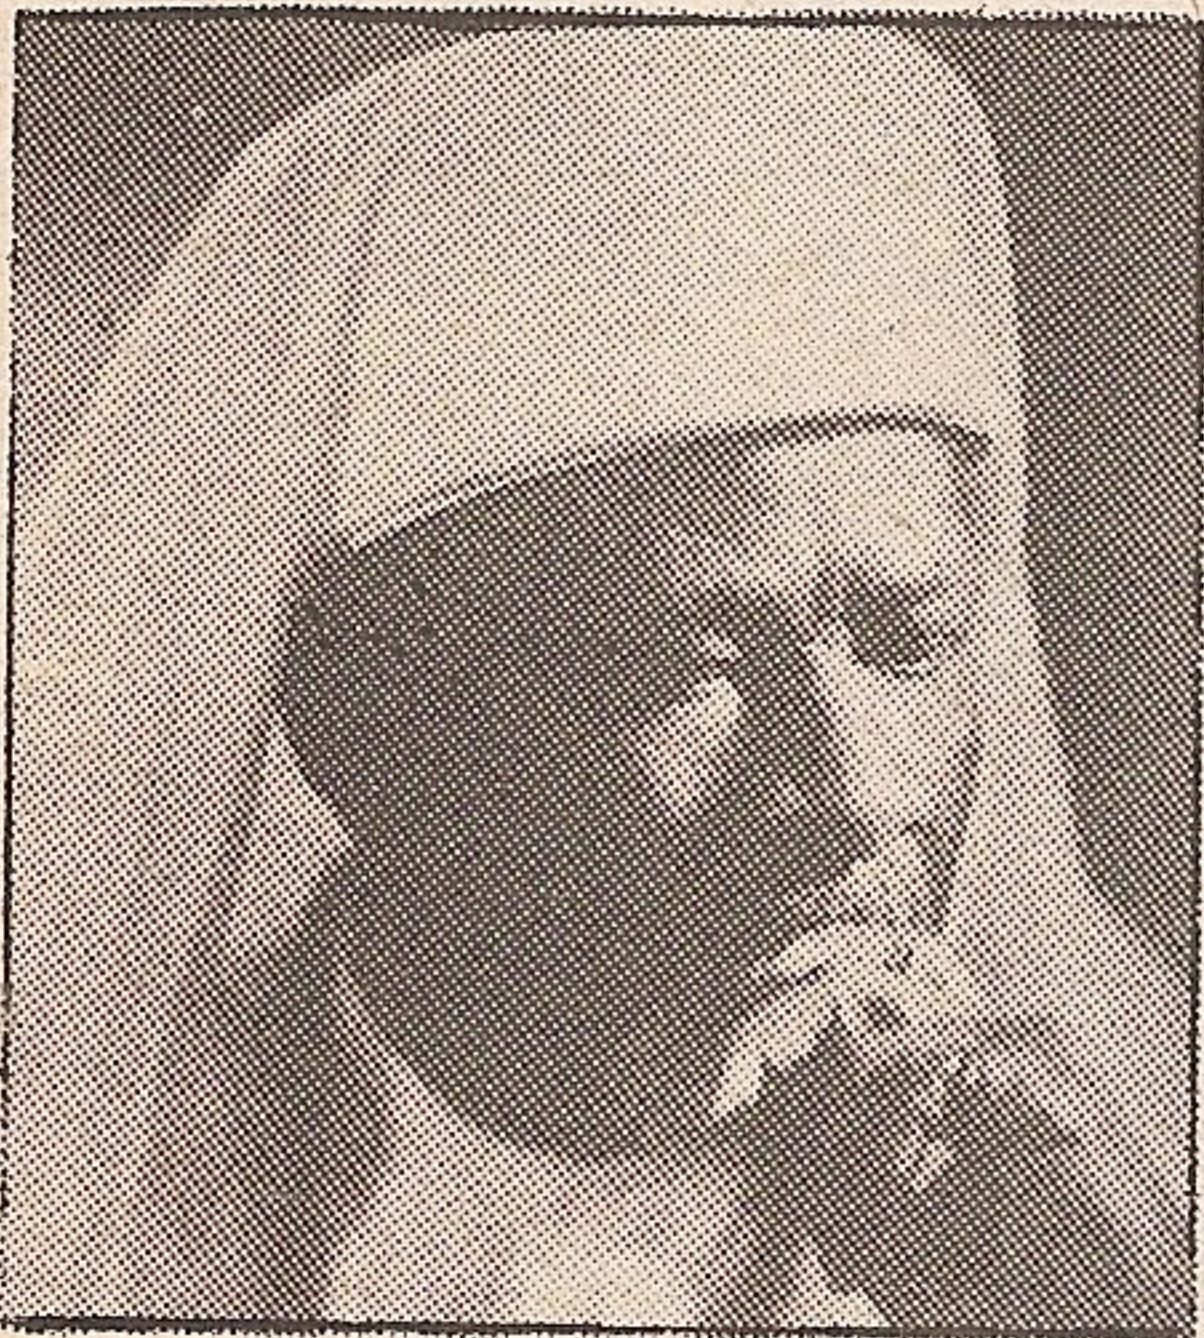

One reason that people think Haile Selassie is Christ, is because of a speech that was given by Marcus Garvey in 1929 A.D. In his last address to a congress of the U.N.I.A. (Universal Negro Improvement and Conservation Association) in Jamaica he said, "look to Africa where a King would be crowned, for the day of deliverance is near." After Haile Selassie's coronation in 1930 A.D., several people searched the bible for confirmation of this event and statement. They found several passages that coincided, and began to spread the word that Emperor Haile Selassie was Christ returned or God.

MARCUS (MOSES) GARVEY

First of all let's get this straight, Marcus Garvey was not a prophet. Marcus Garvey did not speak Hebrew or Amharic, didn't know Torah, and did not follow the Law of Moses. You can go to his family right now in Jamaica and speak to his children and you can get the truth that he was not a prophet. He didn't claim to be a religious man of any form or fashion and so therefore **WHO CARES** whether he says a Messiah is coming out of Ethiopia or not? Marcus Garvey was not the only leader during his time who worked to uplift the Nubian man. There were other leaders such as Noble Drew Ali, Shaykh Daoud, Elijah Muhammad or even the man who taught Elijah Muhammad, W. D. Ford, and many more. As you know, Marcus Garvey launched a "*Back to Africa*" trip that was not successful. However there was a man named Lot who launched a trip from Georgia to Liberia that was more successful. Check it out!

SHAYKH DAOUD

HON. ELIJAH MUHAMMAD

WALLACE DODD FORD

NOBLE DREW ALI

Another question I have is, if Haile Selassie is of the line of Ruler Solomon, where did the name Haile Selassie come from? Haile Selassie is an Amharic name, not an Aramic (Hebrew) name. It means "*Power of the Trinity*" which shows he was a Coptic Christian, not a Hebrew. You can't tell me that a change of names (or religion) was a result of the migration of Ruler Solomon's seed away from the Holy City called Jerusalem. They should still have Hebrew names. If Haile Selassie is the Lion of Judah, then somewhere along the line, his name should be Bar Yehuwdah (son of Judah) and not Ras Tafari, son of Ras Makonnen and Wayzaro Yashimabet.

His name should have Judah in it. His name should reflect the name Judah. So to identify who he is, the Lion of Judah cannot be born with a name like... "*Robert*." He has to be given a name unbeknown to him and unbeknown to the people that would name him, he'd be given a sacred name that would identify him. Therefore, his name would have been Yashua Bar Dawiyd which means "*Savior son of David (the Beloved)*" because there was a Savior son of Joseph too.

As far as the name Menelik is concerned, Menelik, as well as Haile, cannot be found in the 5 Scrolls of Moses. Most of the names of the families of Israel in the era of the Scroll of Zechariah on down, came out of the old scrolls. For instance, the name Joshua, even down to Yashua (Jesus), and even when they said Yashua (Jesus) which is nothing but another form of Joshua, was used. Then Jesus' adopted father's name, Joseph and his mothers name, Mary, was used also. Those names are from Moses' sister Mary to Joseph son of Jacob. These names were always used. How is it that the family of Haile Selassie are direct descendants and all of a sudden new names are grafted in a spelling like Menelik that doesn't pop up in any of the 5 Scrolls of Moses, nor of the 21 Scrolls that follow the 5 Scrolls of Moses or none of the names of the 12 minor prophets as written up in the Law of Moses. **Prove his descendancy (Refer to Is Haile Selassie The Christ? Scroll #29)!**

**Haile Selassie can't prove his descendancy, I can.**

The name "*Ras*" can be found in the Scriptures, but it's "*Rosh*." There is also a seed for Shoa that can be found. And even Amhar can be found; but Amhar cannot be found verbatim in the Torah, it is found in writings about the Torah, such as the Enuma Elish and the Gilgamesh Epic.

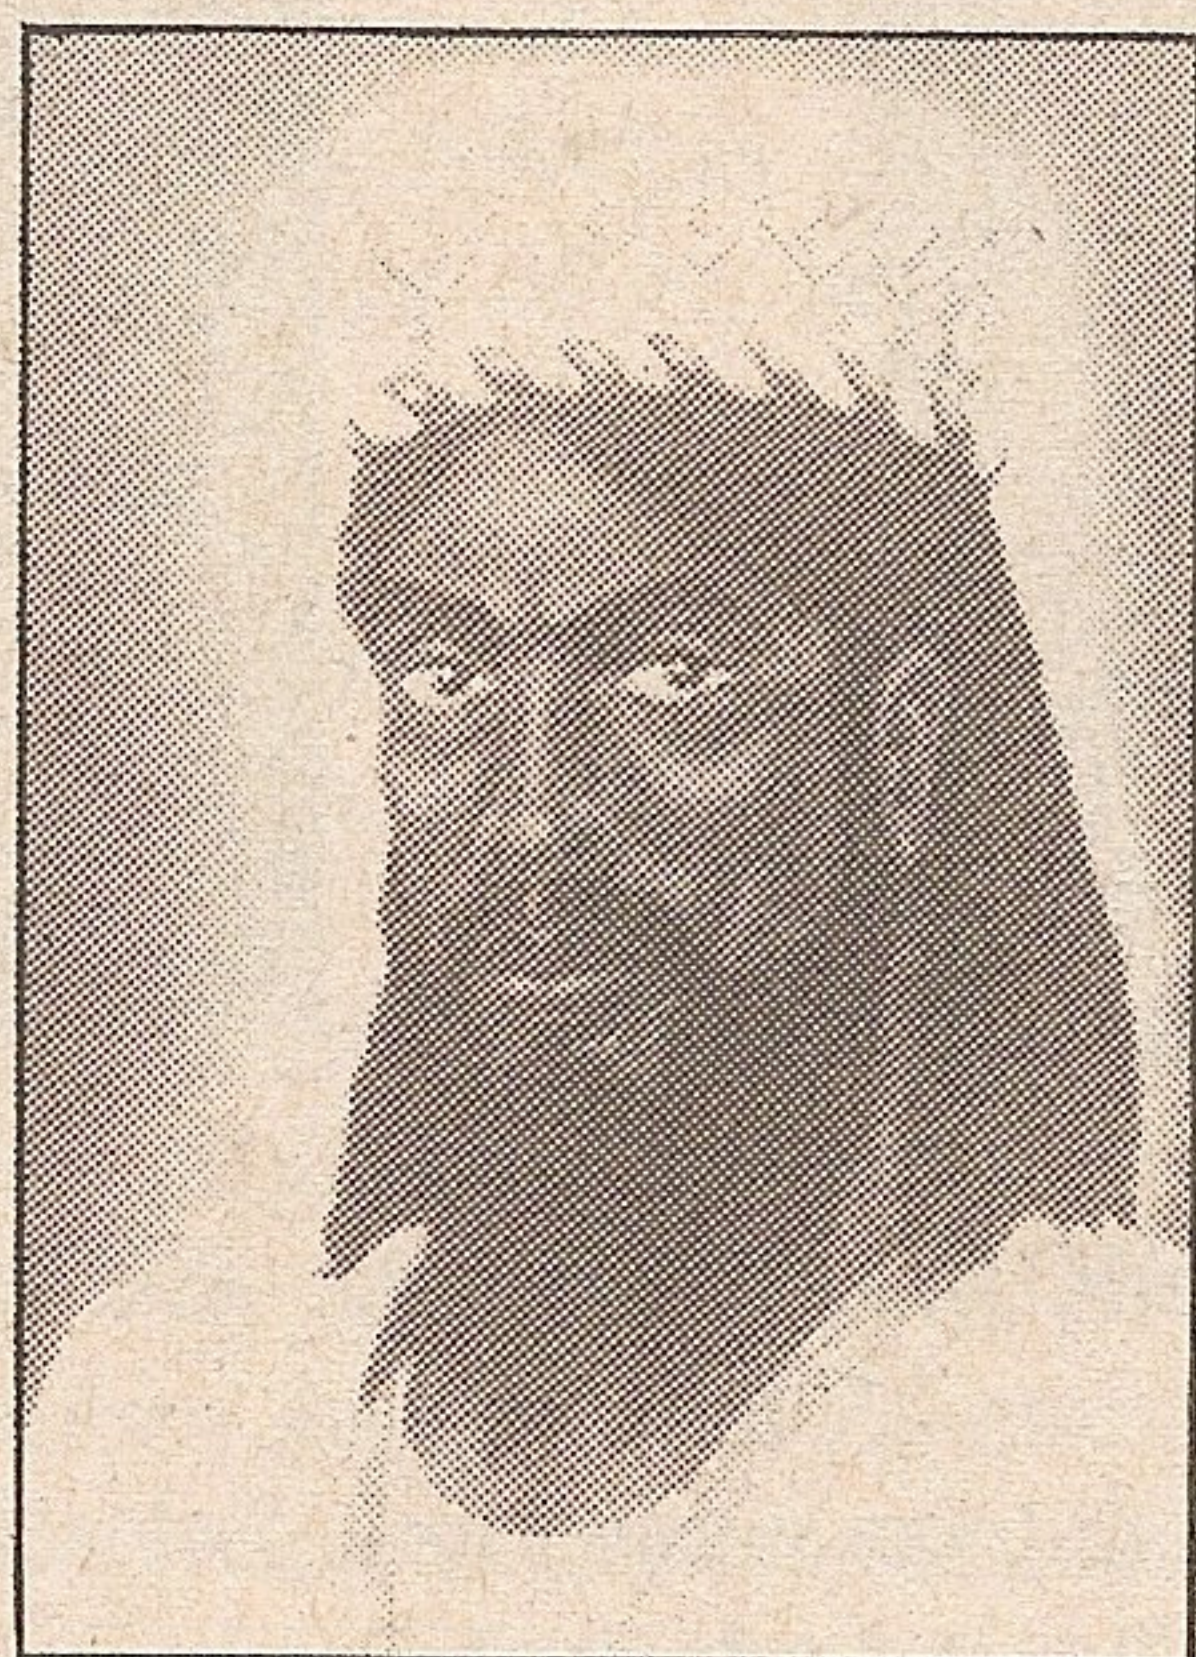

They claim Amharic, or Gheez which is a dialect of Amharic, is the original language spoken in Ethiopia. The fact of the matter is, all languages originated from Aram (*Genesis 10:22-23*) which became Aramic (Hebrew). Ruler Solomon did not speak Amharic. Show us Amharic or the name Gheez in the Scroll of Ruler Solomon or the Torah of Moses. Not only that, languages were named after people. Aram was the name of a man. There's a man named Arab who was the head of a tribe by the same name (*Joshua 15:52*). And Akkad (Accad) (*Genesis 10:10*) was responsible for the Akkadian language.

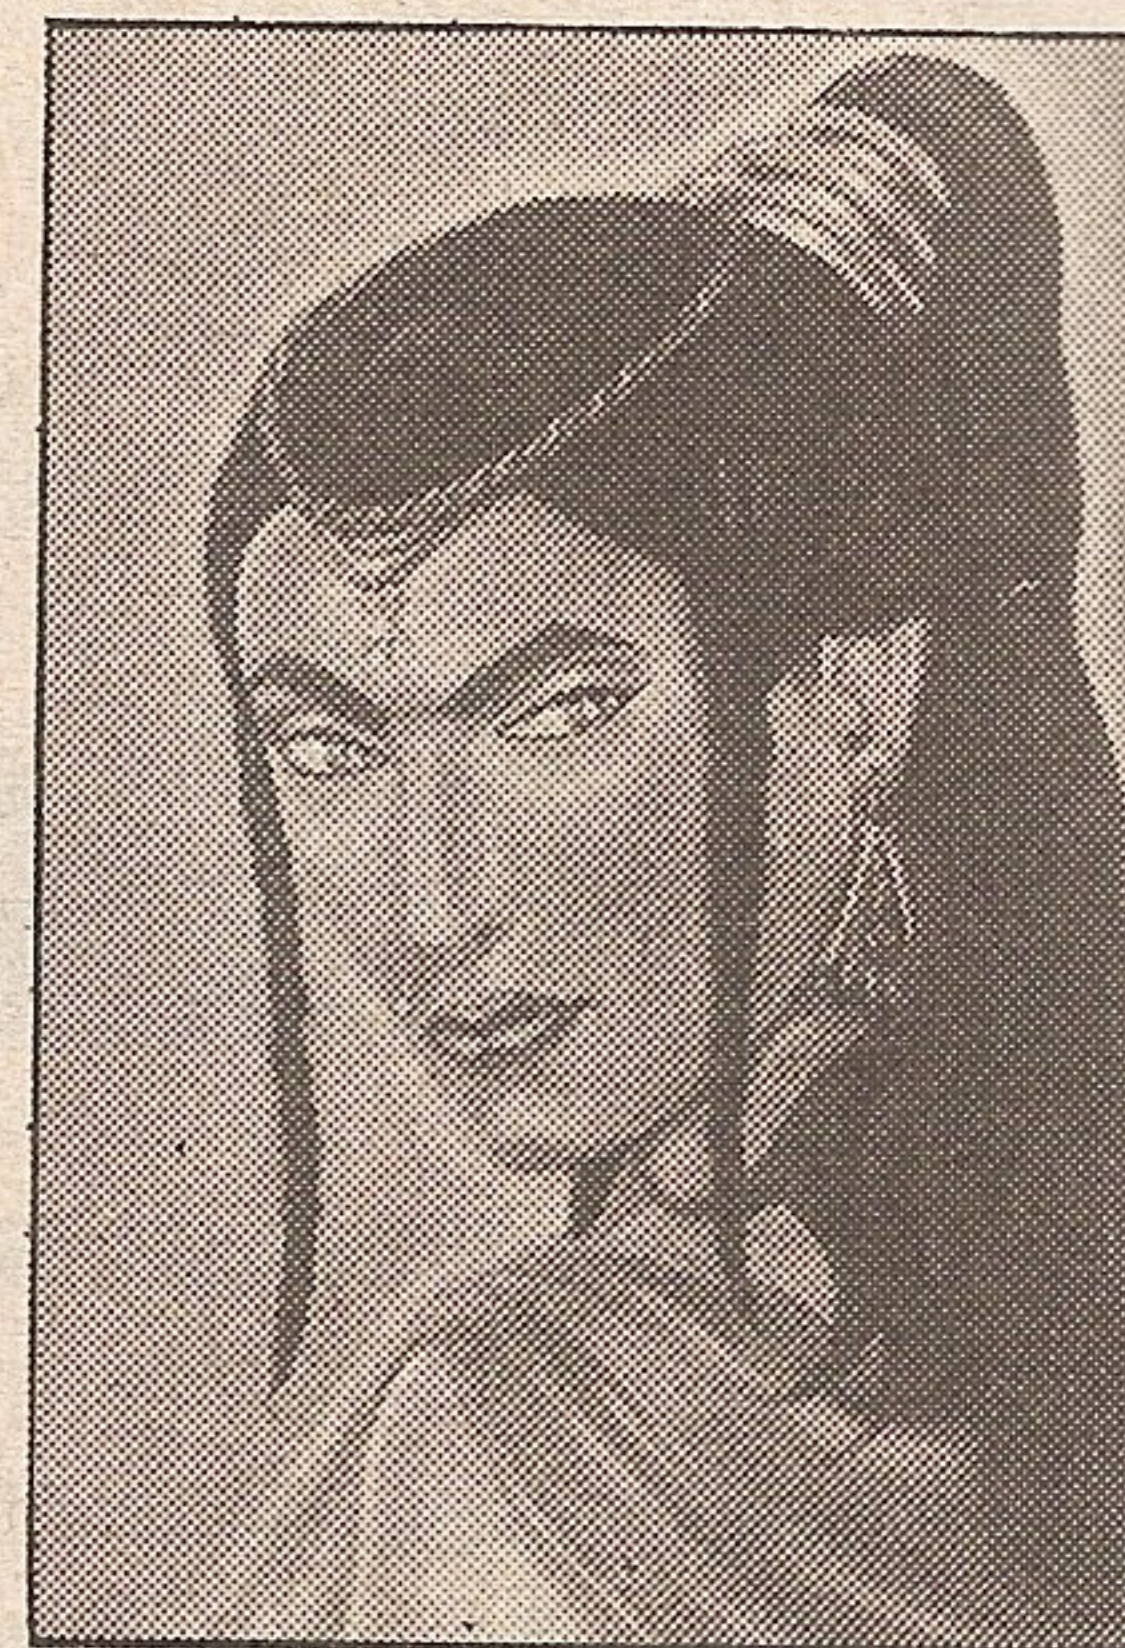

So when you make a statement like Haile Selassie is a descendant of Ruler David, give me name for name, *'he begot him, and he begot him.'* The same way it's done in the Scriptures. The same way that we make statements out of Sudan that we are direct descendants from the Mahdi and Faatimah straight through to Adam and Hawwah (Eve).

If you are authentic, then do the same thing! Give us some names. Start from Haile Selassie and give his father, son, father, son all the way back to Menelik I and then from Menelik I straight back to Ruler David, and then from Ruler David straight back to Isaac, and from Isaac back to Abraham, and from Abraham straight back to Adam as we can. Otherwise you're just not it.

I have another question. How can a "god" or a messiah who is pure, come out of something that is unpure? In other words, if you say Haile Selassie is "god" and he came from the pure seed of Ruler David, how can "god" come from an imperfect state or a cursed seed as the Canaanites, a people Yahuwa said don't marry (*Genesis 24:1-4, 37; 28:1*). David and Solomon both violated this commandment. Esau became hated according to the Scrolls of Malachi 1:1 because he violated that same law to get even with his father Isaac for unintentionally giving his brother Jacob the birthright intended for him (Esau). It specifically says in the Scrolls of Malachi chapter 1 that Yahuwa does not like Esau. Why? Because of the mixing of his seed. He constantly repeats to us throughout the Scripture *"do not mix your seed, do not mix your seed,"* yet two of the greatest leaders of our history, Ruler David and his son Ruler Solomon, mixed their seed with these same cursed people of the seed of Canaan.

**RULER DAVID  
FATHER OF RULER SOLOMON  
SON OF JESSE AND HILMAH**

**BETHSHEBA THE HITTITE,  
MOTHER OF RULER SOLOMON  
AND DAUGHTER OF ELIAM**

So, If you're going to talk about the truth, talk the whole truth. Haile Selassie was an Ethiopian Emperor. He was not Christ, he was not the Messiah. He had no power, he ruled nobody, and was overthrown by his own people because of manipulation of the government, and now his son is walking around trying to pick it up. Why don't you identify with his son? Isn't he the son of "god"?

**BENITO MUSSOLINI & ADOLF HITLER**

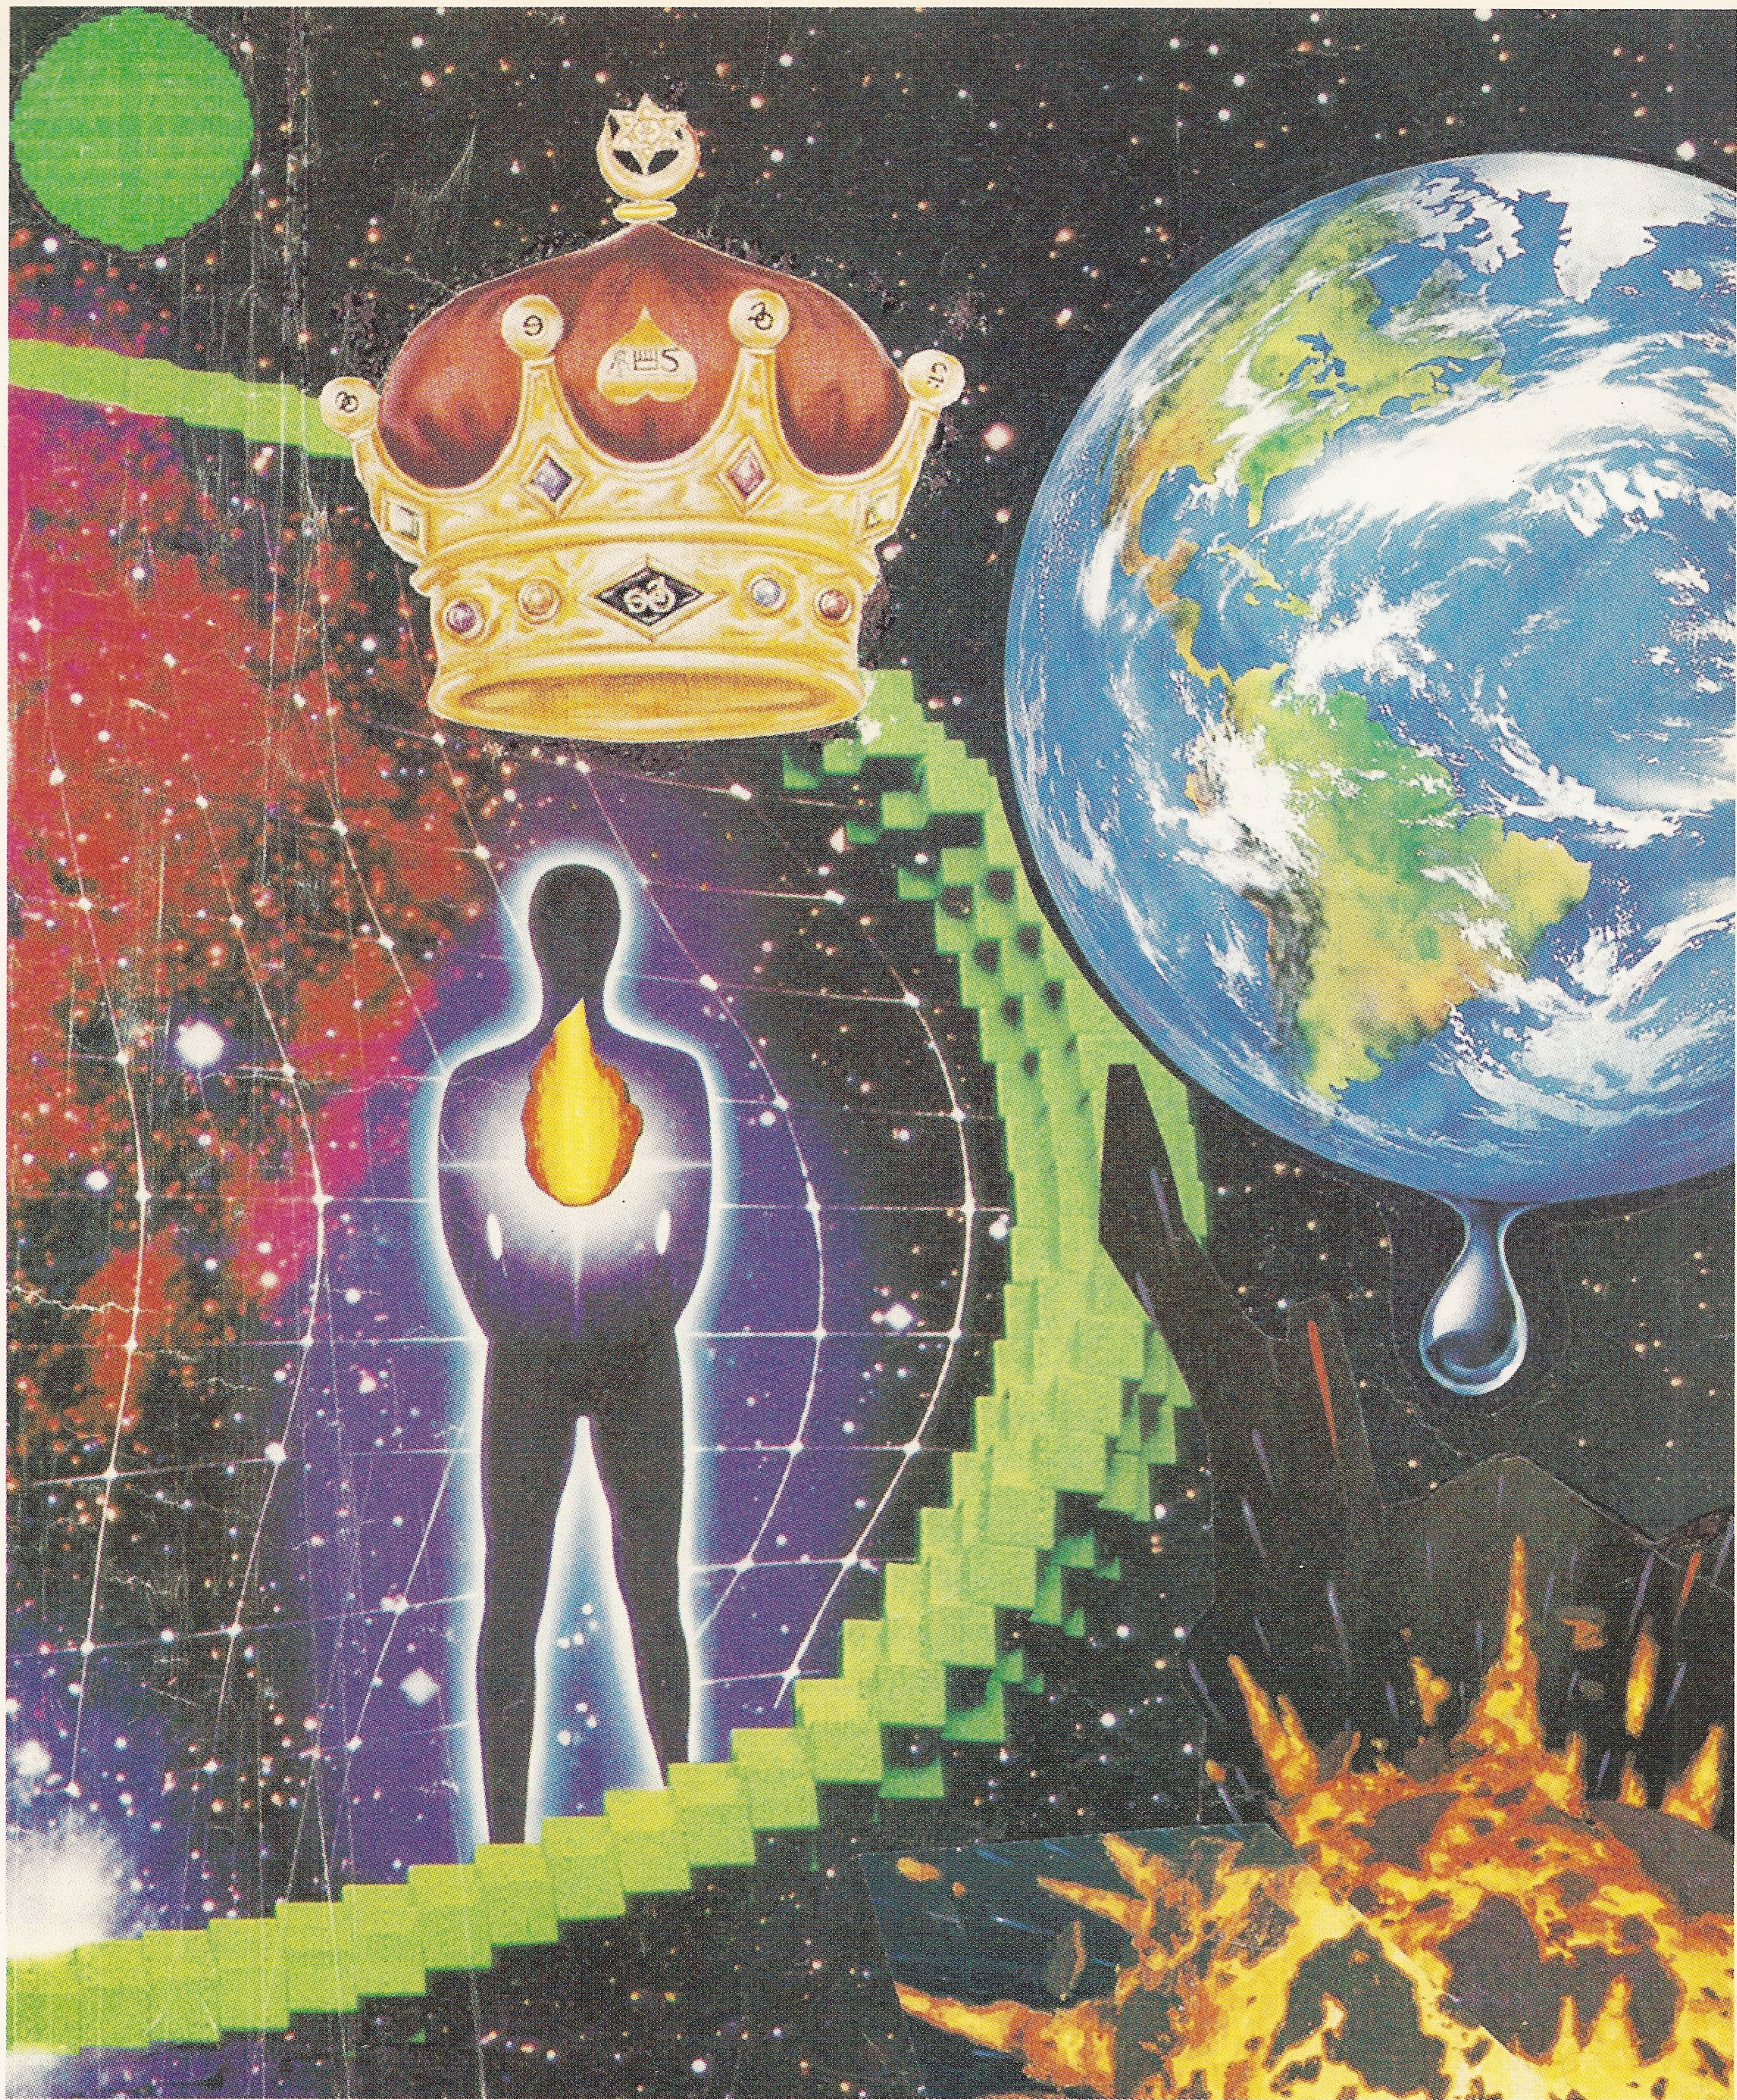

Also remember, Haile Selassie was suppose to be the conquering Lion of Judah however, he wasn't much help when Ethiopia was invaded by Mussolini in 1935 A.D.

Ethiopia was occupied for five years during which the Italians killed, raped and beheaded thousands of Ethiopians. Mussolini was really an assistant to the Devil Hitler. It was during this time, Haile Selassie went into exile in Bath, England, a white country. Why didn't he go to Israel? Or why didn't he go to Jamaica where he was so loved? And why didn't he use his holy powers to save his people?

Think about it!
